HYUNDAI

VENUE

Urban Vibes

Perfectly suited for the hustle and grind of urban life.

The time has come to create your own groove. Days in the city overflow with rhythm. Only a car that stays ahead of the groove can bring out your full potential. Explore your potential in every note of the urban grooves. Venue will create new experiences for you and revitalize urban life. Introducing the first-ever Venue, an urban utility vehicle with a larger-than-life personality and style to match.

Color the city

with your own variety of colors.

Amidst peaceful moments with friends during the day, and all the excitement of meeting new people at night, Venue enriches every aspect of your daily experience. Spend more time with your Venue.

Connect the city with your own.

An openness-focused horizontal layout blends in with iconic design elements to form a unique interior space. Venue's advanced infotainment system offers greater user convenience by supporting phone connectivity (Apple CarPlay™ and Android Auto™) for intuitive operation of the most commonly used smartphone functions.

Phone connectivity
The main features of your smartphone are shown and controllable on the interior display.

Wake up all your senses.

Venue introduces advanced technologies that enhance driver confidence and convenience to stay ahead of the competition.
Venue's advanced infotainment system features an 8-inch Display Audio touchscreen system and rearview monitor.
The multi-dimensional and sporty instrument cluster makes information easily visible while the three-dial air-conditioning controller offers easy and intuitive control—theses iconic design elements come together to create a unique image.

60:40 Spilt Flat Folding Back Seats
Fold down the seats in a 60:40 ratio to ensure interior space suits your individual cargo needs.

Moving on,

riding your wave.

The SUV's appealing interior space and comfortable cabin provide adequate space for the versatile urban commuter. Venue comes standard with a 60/40 split flat folding backseat to maximize utility for those trips to the farmer's market or when transporting musical instruments. In addition, a two-stage luggage board and covering shelf allow for storage that matches your lifestyle. With a covering shelf that can be inserted in the rear of the backseat, the trunk is designed to store tall objects as well as large-volume luggage.

Marshall

Drive mode / 2WD Multi traction control

An advanced driving characteristic control system that provides an intuitive interface via a pop-up screen of the currently selected mode on the cluster screen when the mode is changed.
Three drive modes and three 2WD traction modes can be intuitively selected through a single jog dial.

Drive mode SPORT, ECO, NORMAL
2WD Multi traction control SNOW, MUD, SAND

Fill the whole time with joy.

Venue achieves soft riding comfort, sporty handling performance and superior fuel. Also, no matter the road conditions, the sophisticated 2WD Multi Traction Control ensures Venue maintains optimal driving performance and provides a relaxing experience during urban driving adventures.
