

# Elantra.

# Exceptional standards.

We have one goal – to be Australia's most loved car company.

And to get there, we're driven by a simple philosophy that life's most incredible moments shouldn't be reserved for a select few. Everyone should be able to experience an exciting and enjoyable drive.

So how do we make that happen? We start by pushing our own boundaries, by making premium the new standard, and by engineering the most enjoyable ride possible.

Take the Elantra – Hyundai's visionary take on the classic sedan. From design to technology, safety to performance, this small sedan is packed with features perfect for those looking for sophistication and practicality. With sleek sophisticated design, impressive convenience features and advanced safety technology to match, the Elantra is bound to satisfy even the most selective sedan buyer.

You can be sure we've put it through its paces, too. With an extensive local development program, the Elantra is perfectly suited to Australian conditions. Stylish to look at, a joy to drive and with convenience features to match - the Elantra has it all.

**Elantra.**

# Smarter driving, wherever you go.

Hyundai takes safety very seriously, and that's why Hyundai's engineers have produced a vehicle that is tough and built to last.

With a rigid chassis made of 53% ultra-high strength steel, rear view camera as standard, six airbags and a 5-star ANCAP rating, we are doing everything we can to help keep you protected.

The Elantra also offers the latest Hyundai SmartSense™<sup>1</sup> active safety technologies including:

**Forward Collision Avoidance Assist:** When you may be getting a bit too close to a car in front of you, the Forward Collision-Avoidance Assist (FCA) will automatically apply the Elantra's brakes in the case of a potential collision.

**Lane Keeping Assist:** The LKA system provides steering intervention to assist the Elantra to stay within the boundaries of the lane. When the vehicle strays away from the intended lane without indicators being activated, an audible and visual warning will be sounded.

**Blind-Spot Collision Warning:** When driving at a speed of 30km/h or higher, the BCW function will alert the driver to vehicles in the Elantra's blind spot, including during lane changes.

**Rear Cross-Traffic Collision Warning:** When reversing at a low speed, vehicles approaching on the left and right sides of the Elantra are detected and an alert is given to help safely navigate a potentially dangerous situation.

# More luxurious and refined.

With sleek lines, fluid curves, sporty front grille and sweeping headlights, the Elantra remains elegant, practical and perfectly in tune with its surroundings, no matter where the road takes you.

Smarter and bolder than ever, the Elantra has been redesigned to enhance every curve, starting with an all-new grille for a sportier statement. Uniquely designed headlight and rear tail lights will make you stand out from the crowd.

The Elantra is also a natural performer. Side air ducts tucked into the front bumper and wheel wells improve aerodynamics, reduce drag, and help improve fuel efficiency. Combine that with your choice of the 2.0L (112 kW) petrol<sup>1</sup> or the dynamic and responsive 1.6L (150 kW) turbo petrol<sup>2</sup> engine – and you can enjoy every drive with the Elantra.

# Make yourself at home.

Stretch out and enjoy the spacious, well-appointed interior. Everything about Elantra has been refined with appointments and finishes.

Inside the spacious cabin, sophisticated elements such as the sporty checkered design<sup>1</sup> in the gauge cluster and enhanced ergonomic layout of the centre console controls are designed to be stylish yet comfortable.

The 8" touchscreen with satellite navigation<sup>2</sup> will keep you on track, wherever you go. Steering wheel mounted controls are ergonomically positioned so you can adjust various functions safely, while keeping your eyes on the road.

# Loaded with technology.

The Elantra Sport is actively intelligent.

Your touchscreen multimedia system will help you stay connected without distractions to your driving. You can get directions, make calls and play your favourite tunes with ease using Apple CarPlay™ or Android™ Auto<sup>1</sup>. You can also charge your phone at ease with the wireless smartphone charging<sup>2</sup> pad, located in the centre console of the Elantra Sport Premium.

In the Elantra Sport range, we've also made sure your passengers are comfortable with heated front seats<sup>3</sup>, the dual zone climate control system<sup>4</sup> and separate rear cooling & heating vents<sup>4</sup>, allowing for all passengers to enjoy air conditioned comfort in warmer and cooler months.

With smart key and push button start<sup>5</sup> you no longer have to fumble for your keys. Push button start allows you to turn the Elantra on and off at the touch of the button – without having to take your keys from your bag or pocket.

The Smart Boot<sup>5</sup> senses your presence when you stand in the proximity with your smart key for more than three seconds, and automatically opens.

By increasing comfort and helping you stay connected while on the move, the Elantra delivers a smarter and more enjoyable everyday drive.

# Elantra Sport. Performance unleashed.

Designed to appeal to those looking for excitement in their everyday lives, the Elantra Sport range boasts a bespoke sport suspension and bigger front brakes that is dynamic, responsive and fun to drive.

Prepare to be impressed with the Elantra Sport's aggressive sports body kit, complete with a 1.6 litre 150 kW turbo charged engine and multi-link independent rear suspension. Exclusive to Elantra Sport variants' dual clutch transmission (DCT), the wheel mounted Paddle shifters (DCT only) also provide a sportier driving experience.

The Elantra Sport's dynamic driving experience isn't complete without an interior that combines sport and functionality. This includes a sports flat-bottomed steering wheel, front sport bucket seats and leather appointed seats' with red stitching, or an optional red leather sports interior.

# Car finance that puts the choices in your hands.

Hyundai CarPlan™ has been developed by Hyundai Finance™ to give you flexibility. That includes whether you pay a deposit or not, how long the finance contract runs for (36 or 48 months), and what happens at the end of your finance contract. At the end of your finance contract, you can choose to pay any amounts owing on the contract to keep your Hyundai, return your vehicle to us and use the Guaranteed Future Value<sup>1</sup> to meet any amount owing under the finance contract, or trade it in at your preferred Hyundai dealer and continue your journey with us.

It's a smart and flexible way to have the vehicle that's perfect for you, even as your lifestyle changes. Life's full of surprises and while you won't always know what's around the next corner, with Hyundai CarPlan™ you'll always have the right car for the journey there. Keep it, return it, or trade it in.

The choice is yours.

## How does Hyundai CarPlan™ work?

First, you choose the car you want<sup>2</sup>.

Then, choose the deposit you wish to pay, the length of the loan term and the kilometres you will travel each year<sup>3</sup>.

Next, decide what you want to do with the vehicle at the end of the finance period<sup>4</sup>.

### The choices are up to you.

## So what do I actually have to do?

- Arrive at the dealership with your 100 points of ID
- Choose the Hyundai model you want
- Choose the contract term - 36 or 48 months
- Choose how many kilometres you're intending to travel each year up to a maximum of 25,000km - the amount you travel affects the value of your vehicle at the end of the term. You can choose 10,000, 15,000, 20,000 or 25,000km per year
- Choose if you want to pay a deposit or not
- Your dealer will let you know what your regular repayments will be and what the Guaranteed Future Value will be<sup>5</sup>. That's the future trade-in value, based on the length of the loan and the kilometres you will drive. The value is subject to Fair Wear and Tear conditions and agreed kilometres not being exceeded<sup>1</sup>
- When you get to the end of the loan term, you choose what happens next

## When your contract ends.

We know that everyone's lifestyle and situation is different, so we give you three different options to choose from when your contract comes to an end: pay off the balance of your loan contract and keep your Hyundai, trade it in or return it to us and use the Guaranteed Future Value<sup>1</sup>.

It all depends where you are at that point in your life. Sport, kids, dogs, weekends away, work. Choose what's right for you and your life. Go bigger, go smaller, stay the same.

Get the Hyundai that's right for you.

### Trade

Trade in your Hyundai at your preferred Hyundai dealer giving you the chance to step into the latest Hyundai model and continue your journey with us.

### Retain

Keep your Hyundai by paying any amounts owing on your finance contract or apply through Hyundai Finance™ to refinance the amount owing<sup>2</sup>.

### Return

Return your Hyundai to us knowing that the Guaranteed Future Value will be sufficient to repay the amount owing under your finance contract<sup>1</sup>.

Hyundai Finance™ and Hyundai CarPlan™ are registered trademarks of Hyundai Motor Company used under sublicence by St.George Bank - A Division of Westpac Banking Corporation ABN 33 007 457 141 Australian credit licence 233714. Hyundai Finance is the registered business name of Hyundai Motor Company Australia Pty Ltd ABN 58 008 995 588.

1. The Guaranteed Future Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Future Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Future Value will be reduced and you'll be required to pay the difference. Subject to the Guaranteed Future Value Terms and Conditions (available upon request). 2. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. Please verify with your dealership which vehicles are eligible for the programme. 3. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information in this brochure, please seek independent tax advice. Full terms and conditions are available upon application. 4. Subject to the Guaranteed Future Value Terms and Conditions. Available only to approved applicants of Hyundai Finance™. Subject to credit assessment and for consumer applications, responsible lending criteria. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Hyundai dealers. 5. Your total interest charged may be higher if you choose the Guaranteed Future Value feature for your loan, compared to a loan without the feature.

# How is Hyundai CarPlan™ different from a typical finance contract?

## Greater confidence

Hyundai CarPlan™ will ensure the amount you receive when you return your Hyundai is enough to pay the amount owing at the end of your contract term, even if the value of the car is less than the amount owing<sup>1</sup>.

## A personally tailored solution

You choose the term for your finance contract, the deposit you would like to pay (if any) and the kilometres you intend to travel<sup>2</sup>.

## Greater flexibility

At the end of the finance contract term, you'll have the choice to keep your Hyundai, trade it in or return it to us.

## More options

You have the option to include things like Pre-Paid Service Plan<sup>3</sup>, and accessory costs as part of your finance contract<sup>4</sup>.

# Maintaining your vehicle.

To ensure you enjoy the full benefits of the Hyundai CarPlan™ your Hyundai must be in an acceptable condition when you return or trade-in your Hyundai<sup>4</sup> and must not exceed the kilometre limit you have selected. Of course, we also understand that some reasonable wear and tear is to be expected, but the condition of your vehicle needs to remain within the provisions of your Hyundai CarPlan™ contract and Fair Wear & Tear Guidelines.

Where the vehicle is not in acceptable condition or where you have exceeded your kilometre limit, the Guaranteed Future Value of your vehicle will be reduced.

# Is Hyundai CarPlan™ right for you?

Hyundai CarPlan™ is just one of many options available from Hyundai Finance™, so there may be another product that suits your individual needs better. Have a chat to your participating Hyundai Dealer about what's right for you.

# Relax, we'll take it from here.

We built iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra”.

Our five-year, unlimited kilometre warranty<sup>1</sup> means you've got the freedom to go ahead and drive without having to keep an eye on the odometer.

Imagine knowing the maximum price of your next scheduled service, before pulling into the service centre. That's the advantage of our Lifetime Service Plan<sup>2</sup> – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees and surprises.

And since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception – or as we like to say, amazing as standard. And that includes Sat Nav Update Plan for up to ten years<sup>3</sup>, and a 24/7 Roadside Support<sup>4</sup> for ten years when you service with us.

iCare

1. **5 year/unlimited km warranty:** Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for “commercial application” as defined in the vehicle warranty policy, for which a 5 year/130,000km (whichever occurs first) warranty applies. Refer to full warranty terms & conditions for details and exclusions. 2. **Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at [hyundai.com.au](http://hyundai.com.au), apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai's, for their lifetime. 3. **Sat Nav Update Plan:** Maximum number of 9 updates delivered on an annual cycle which must be undertaken within 10 years of the vehicle's purchase. Complimentary map updates apply only if the vehicle completes a scheduled service at a participating Hyundai dealer. 4. **Roadside Support Plan:** Receive 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date).

# Big help, for little Aussies.

Every time a new car is sold at one of our Dealerships, both Hyundai and the Dealer will donate part of the sale price to Hyundai Help for Kids.™

Hyundai Help for Kids™ offers funding to child-focused organisations and charities working to improve the lives of children all over Australia – from supporting community initiatives, to providing much-needed medical equipment.

So when you buy a Hyundai, you're buying more than just a car. Together with Hyundai Help for Kids,™ you're empowering thousands of young Australians and giving them a better future.

# Australia, in our DNA.

We're one of the biggest car manufacturers in the world – and one of the fastest growing global car brands.

We're also the only car company in the world producing its own steel, because we know the best steel makes for the strongest cars.

That's why we source the majority of our high quality iron ore from right here, in Australia's backyard. So now, when you buy a new Hyundai, you know you're driving a car that's directly connected to home.
