

Santa Fe.

Taking Australian families further.

We have one goal – to be Australia's most loved car company. To get there, we're driven by a simple philosophy that life's most incredible moments shouldn't be reserved for a select few, and everyone should be able to experience an exciting and enjoyable drive.

How do we make that happen? We start by pushing our own boundaries, by making premium the new standard, and by engineering the most enjoyable ride possible.

Australia gives us the opportunity to live active lives. The Santa Fe is designed to help us achieve that. It's strong, stylish and sporty. With enough space to fit the family, the dog, and plenty of gear, you'll be able to explore everything Australia has to offer in comfort and style. From the city, to the sea, the outback, and everywhere in between – the Santa Fe is for families on the go.

You can be sure we've put it through its paces too. Our extensive local tuning program has seen the Santa Fe challenge, and overcome, the harshest conditions Australia can throw at it. The Santa Fe really is the perfect complement to an active Australian lifestyle.

Santa Fe.

Safety first.

Your family's safety should never be an afterthought, or an added extra. Which is why we won't settle for anything less than a 5 star¹ ANCAP safety rating (applies to the diesel variants only at present), 6 airbags and advanced safety technology.

Raising the safety bar is Hyundai SmartSense™² – our suite of intelligent features developed to keep you alert to dangers and help you avoid incidents. With features like Smart Cruise Control (SCC), Lane Keeping Assist (LKA) and Driver Attention Warning (DAW), you can be assured that your Santa Fe is always keeping an eye out for your family.

The 7-seater Santa Fe comes with 8 Hyundai SmartSense™² safety features as standard across the range.

Rear Occupant Alert (ROA) on the Active variant utilises a rear door logic where the system detects occupants entering via the rear doors opening and closing. Once it detects the rear doors to have been opened & closed, ROA issues an audible warning chime and prompts the driver with a visual warning message to "check rear seats", displayed in the instrument cluster upon opening the front door after parking.

TESTED 2018 ★★★★★¹

Surround View Monitor⁴

6 airbags

1. The petrol variants of the Santa Fe are awaiting confirmations.
 2. **Hyundai SmartSense™**: Hyundai SmartSense™ is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving.
 3. Available on the Elite and Highlander variants.
 4. Available on the Highlander variant.

Smart Cruise Control (SCC) with Stop & Go
 Detects the speed and distance of vehicles ahead of the Santa Fe and maintains a safe distance to the vehicle ahead, up to a pre-set speed (between 30km/h – 160km/h). The Stop & Go function works in stop/start traffic, bringing the vehicle to a stop when appropriate, and automatically (if within 3 seconds) accelerate back up to the original set speed.

Safe Exit Assist (SEA)³
 The system detects any oncoming vehicles approaching from the rear and alerts the driver that it may be dangerous for passengers to exit the vehicle, with both a sound and pop-up visual warning on the dashboard. If the child safety lock is activated, the SEA system will prevent the door from being unlocked to prevent opening.

Blind-Spot Collision-Avoidance Assist (BCA)
 Blind-Spot Collision-Warning will send visual warnings to the driver when a vehicle is in their blind spot and an audible sound if the driver tries to change lanes with the vehicle still in their blind spot. Blind-Spot Collision-Avoidance Assist will initiate an active avoidance manoeuvre if necessary to avoid potential accidents.

Rear Cross-Traffic Collision-Avoidance Assist (RCCA)
 When backing out from a parking position, the sensor detects approaching vehicles from the left or right. The sensor will issue an audible alert and visual warning on the dashboard and if necessary, will initiate a braking manoeuvre.

Santa Fe.

Drive in style.

You expect a certain style. With the 7-seater Santa Fe, you've got it. With its bold, aerodynamic silhouette and sleek body, the Santa Fe truly stands out. Just one look at its unique cascading front grille with eye-catching 3D honeycomb feature tells you all you need to know about the Santa Fe's flair for design. Whether you're heading to dinner, taking the kids to soccer or shuttling the neighbours' kids to a birthday party, it's great to know that you're doing it in style.

Lights too, are a clear indication of the Santa Fe's design sensibility. The stacked headlights and LED Daytime Running Lights provide a powerful luminescence on the road along with a dynamic bending¹ feature which "turns" the corner as you do. Distinctive headlights and the slim LED Daytime Running Lights ensure that you can both see and be seen on the road, no matter what time of day.

The Santa Fe has a strong presence all around. Look from behind and you'll see an SUV with a confident, stable stance with bold tail lights, dual mufflers² and a striking bumper design. So while other drivers may be searching the parking lot for their car, you'll find the Santa Fe in the blink of an eye.

The 7-seater Santa Fe: who said you can't have practical and stylish?

1. Available on the Highlander variant.
2. Not available on the Active petrol variant.
3. Highlander variant shown.

Bottom: LED rear lights¹

Space that's designed around you.

Where are you heading next? School run? Groceries? Kids' netball practice? Santa Fe isn't just a 7-seater; it's an SUV that's designed around you. An SUV that calmly brings order to the chaos that occasionally overcomes any family.

Seat configuration¹
With seven separate seat configurations, you can fold seats to suit any trip.

USB charging ports
Smart devices are easily charged through two USB ports in the rear centre console (2nd row) and one USB port in the front centre console cubby.

Rear window sunshades²
A retractable window blind hidden away in the 2nd row doors protect your precious ones from the heat and glare of the summer sun.

Air vents
Individual air vents in the 2nd and 3rd rows mean everyone can keep their cool.

Smart one-touch walk-in¹
Collapse and slide forward the seats in the 2nd row at the touch of a button, giving easy access for kids getting in and out of the 3rd row.

Boot space¹
Need more space? Expand on the boot's capacity by folding the 3rd row flat.

3rd row grip handles¹
Handles in the 3rd row help occupants enter and exit the vehicle with ease.

¹ Highlander variant shown.
² Available on the Elite & Highlander variants.

Beautiful on the inside.

No matter what the time of year, it's always a pleasure to jump in your Santa Fe. In the summer, switch on the ventilated front seats¹ and feel the air cool from beneath. When the chilly days arrive, the heated front seats¹ and heated steering¹ wheel will quickly thaw you out. And thanks to heated second row seats¹, the little ones in the back will quickly feel warm and cosy too.

The style that's evident in the Santa Fe's exterior design is clear in the spacious interior. And it's not just the high seat position that gives you a better view; the stunning panoramic glass sunroof¹ lets you take in all the scenery as the world passes you by. You'll feel indulged too, with the luxurious, leather appointed interior², available in black, beige or burgundy leather, depending on the variant and exterior colour you choose.

With generous storage space throughout, ISOFIX anchor points in the 2nd row outboard seats and 60:40 split second row seats and 50:50 third row seats, you can quickly configure the Santa Fe to suit every journey for all your passengers.

They say it's what's on the inside that really counts. The 7-seater Santa Fe has taken that to heart.

Bottom: Heated steering wheel¹

1. Available on the Highlander variant.
 2. **Leather appointed** may contain elements of genuine leather, polyurethane leather (leather substitute) or man-made materials, or a combination thereof. Available on the Elite & Highlander variants.

Born to perform.

It's good to know that however many people you've got on board, your 7-seater Santa Fe has the performance to effortlessly meet the day's demands. You can choose from two engine options: the 2.2 litre CRDi Diesel 8-speed automatic or the newly launched 3.5 litre MPi Petrol V6 8-speed automatic, now available across all three variants.

Choose the diesel engine and you can rely on 147kW of power and the reassurance of knowing that you have an exceptional 440Nm of torque at your disposal; good for all the load you carry on your family trips. The 3.5L V6 petrol engine brings added performance with 206kW of power and 336 Nm of torque – more than enough grunt to carry the family and all your kit on a trip, while still maintaining that smooth, slick drive. With a seamless 8-speed automatic transmission, and suspension and handling tuned to Australian conditions, the Santa Fe is ready to take on whatever you throw at it.

All of the diesel variant come with Hyundai's proprietary HTRAC¹ all-wheel drive technology. HTRAC, meaning "Hyundai Traction", increases traction on various environments and surfaces and intelligently redistributes power to all four wheels in more slippery conditions. The ratio of torque distribution also changes with the drive modes and is displayed in the cluster.

- **Comfort mode:** offers improved stability with up to 35 percent torque distributed to the rear wheels.
- **Eco mode:** provides improved fuel efficiency by sending power mainly to the front wheels.
- **Sport mode:** delivers improved acceleration with up to 50 percent torque distributed to the rear wheels.

The 7-seater Santa Fe: ready whenever you are.

¹. Available on the diesel variants of the Santa Fe.

Highlander variant shown.

Cleverly connected.

It's easy to take technology for granted; kids certainly do. So take a step back and see how the Santa Fe delivers on keeping your family connected.

Directly in front of you, the clearly laid out cluster tells you all the key information – speed, revs, oil temperature – at a glance.

And, exclusive to the Santa Fe Highlander, the 7" colour supervision cluster display changes colour, depending on what drive mode you're in (Comfort, Eco, Sport or Smart). Then there's our clever Head-Up Display (HUD)⁵, where important vehicle related information is projected directly on the windscreen, so you never need to take your eyes off the road.

For those days that need a bit more planning, the Santa Fe's Satellite Navigation³ system will calmly guide you through the twists and turns to your destination ahead. Plus, with Apple CarPlay™¹ and Android™ Auto² compatibility across the range, you're always just one touch away from the next song.

The Santa Fe's impressive technology extends all the way to the boot of the car with the smart tailgate. When standing within a metre of your boot with your proximity key for more than three seconds, it will automatically open for you³.

With the 7-seater Santa Fe, smart technology makes every drive a pleasure.

1. Apple CarPlay™ functionality requires software update. Apple CarPlay™ requires iPhone 5* or subsequent model (lightning cable) in order to operate. Apple* and iPhone* are registered trademarks of Apple Inc.
 2. Android™ Auto requires a device with Android 5.0 operating system or subsequent version, and USB cable in order to operate. Android is a trademark of Google Inc.
 3. Available on the Elite & Highlander variants.

Variants.

Life is about choice – so we've created three different Santa Fe variants that will let you take to the road the way you want.

Active.

Engine and transmission

- 3.5L MPI (Petrol) 2WD – 8-speed automatic
- 2.2L CRDi (Diesel) AWD – 8-speed automatic

Key specifications:

Safety

- 6 airbags
- Rear view camera
- Rear parking sensors
- Tyre Pressure Monitoring System (TPMS)
- Electronic Stability Control (ESC) including:
 - Anti-lock Braking System (ABS)
 - Brake Assist System (BAS)
 - Downhill Brake Control (DBC)
 - Electronic Brakeforce Distribution (EBD)
 - Hill-start Assist Control (HAC)
 - Traction Control System (TCS)
 - Vehicle Stability Management (VSM)
- Hyundai SmartSense™¹ including:
 - Blind-Spot Collision-Avoidance Assist – Rear (BCA-R)
 - Driver Attention Warning (DAW)
 - Forward Collision-Avoidance Assist (FCA) - City/Urban/Interurban/Pedestrian/Cyclist (camera & radar)
 - High Beam Assist (HBA)

- Lane Keeping Assist - Line/Road-Edge (LKA-L/R)
- Rear Cross-Traffic Collision-Avoidance Assist (RCCA)
- Rear Occupant Alert (ROA)
- Smart Cruise Control (SCC) with Stop & Go

Interior and technology

- One touch flat folding seats – 2nd row
- Rear seat split folding – 60:40 (2nd row) and 50:50 (3rd row)
- 2nd and 3rd row manual air vent controls
- 2x USB ports (2nd row)
- Leather appointed³ steering wheel & gear knob
- Cargo blind
- Luggage net
- ISOFIX child restraint anchors (rear outboard seats) – 2nd row
- Top tether child restraint anchors (rear) – 3 anchors – 2nd row

- Electronic Parking Brake (EPB)
- Drive modes – Comfort, Eco, Sport & Smart
- 7" touchscreen display with Apple CarPlay™² and Android™ Auto² compatibility
- Bluetooth®⁴ (phone & audio streaming) with voice recognition
- 3.5" TFT LCD with trip computer & digital speedometer
- Steering wheel mounted phone & audio controls

Exterior and technology

- 17" alloy wheels
- LED daytime running lights
- Front fog lights
- LED rear fog lights
- Roof rails
- LED side repeaters integrated into side mirrors
- Heated side mirrors

17" alloy wheels

USB charging ports

Rear Occupant Alert (ROA)

Air vents in 2nd & 3rd rows

Elite.

Engine and transmission

- 3.5L MPI (Petrol) 2WD – 8-speed automatic
- 2.2L CRDi (Diesel) AWD – 8-speed automatic

Key specifications above Active:

Safety

- Hyundai SmartSense™¹ including:
 - Rear Occupant Alert (ROA) - Advanced
 - Safe Exit Assist (SEA)
- Electronic child safety lock system

Interior and technology

- Leather appointed³ seats
- Melange knit headlining, sunvisor and roof trim
- Dual zone climate control
- Rear door window sunshades
- Paddle shifters
- Glovebox cooling
- 8" touchscreen with satellite navigation
- Rain sensing wipers
- Smart key with push button start
- Electronic driver and passenger's seat
- Infinity® Premium Audio

Exterior and technology

- 18" alloy wheels
- Carbon grey radiator grille
- Rear Privacy glass
- Smart tailgate
- Electronic folding side mirrors

18" alloy wheels

Safe Exit Assist (SEA)

8" touchscreen with satellite navigation

Push button start

Highlander.

Engine and transmission

- 3.5L MPI (Petrol) 2WD – 8-speed automatic
- 2.2L CRDi (Diesel) AWD – 8-speed automatic

Key specifications above Elite:

Safety

- Hyundai SmartSense™¹ including:
 - Advanced Smart Parking Assist System (ASPAS)
 - Surround View Monitor (SVM)

Interior and technology

- Panoramic glass sunroof
- Heated and air ventilated front seats
- Heated rear outboard seats
- Heated steering wheel
- Suede pillar, sunvisor and roof trim (only on Burgundy interior)
- Head-Up Display (HUD)
- Wireless smartphone charger⁵
- Integrated Memory System (IMS) – driver's seat
- Power adjustable driver's seat - 14-way (including 4-way lumbar support and driver's cushion extension)
- 7" supervision cluster with trip computer & digital speedometer

Exterior and technology

- 19" alloy wheels
- LED headlights (BI-function) with dynamic bending
- LED taillights
- LED front fog lights
- Continental tyres

19" alloy wheels

Panoramic glass sunroof

Surround View Monitor (SVM)

Head-Up Display (HUD)

Hyundai Genuine Accessories.

Your Santa Fe isn't just an SUV. It's an extension of you. So make it as unique as you are, with Hyundai Genuine Accessories.†

Roof and bike racks give you extra storage, while a tough cargo liner can help protect the boot from spills or wet gear (and dogs).

No matter what your lifestyle demands, there's a suite of practical, and stylish Hyundai Genuine Accessories¹ to match.

Top: Tailored Carpet Floor mat - Black (Front and 2nd row) **Top:** Slim Stylevisors (Set of 4 - Tinted) **Top:** 20" Busan Gloss black alloy wheel¹¹
Bottom: Bonnet Protector (Nose Cone - Tinted) **Bottom:** Towbar, Towball & Trailer Wiring Harness⁹ **Bottom:** Hyundai Genuine Roof Racks¹²

†All Hyundai Genuine Accessories are subject to warranty conditions. See your nearest Hyundai dealer or visit our website at www.hyundai.com/au/en for full warranty terms and usage recommendations.
 1. Suitable for non Apple devices, such as MP3 players. 2. The iPad® holder has been designed to hold iPad® 1,2,3,4 and Air securely. To ensure occupants are protected in the event of a collision, the screen protector must be fitted to the iPad® when in use. iPad® not included. 3. Recharge your Qi enabled smartphone device with the wireless charging pad. 4. Only available on Highlander variants. Device compatibility list can be found at www.hyundai.com/au/en/owning/auto-link. Use and availability of the Hyundai Auto Link app may be subject to additional fees, terms and conditions. Find out more on www.hyundai.com/au/en/owning/auto-link. Some Hyundai Auto Link services may not be fully available if the GPS system or other mobile device features are not working. 5. Suitable to only Highlander. 6. Rubber one side, carpet the other side. 7. To be secured with retractable seatbelt. 8. Suitable to all variants. 9. Towing capacity = 2000kg Braked; 750kg Unbraked. Maximum ball download 100kg. (150kg with genuine Hyundai load assist kit). Towbar capacity subject to regulatory requirements, towbar design, vehicle design and towing equipment limitations. 10. Maximum ball download 150kg. 11. Tyres not included. 255/45/R20 Tyres will need to be purchased separately. 12. Load capacity = 80kg evenly distributed over 2 bars. Suitable for sunroof and non sunroof variants. 13. Requires fitment of roof rack. 14. Requires fitment of roof rack - suitable for sunroof variants. 15. Requires fitment of Roof rack includes fitting brackets. 16. Park assist is designed as driver assist function only and should not be used as a substitute for skilled driving and safe parking practices. While the park assist sensors monitor objects on approach, there may be occasions where blind spots affect the sensitivity of the sensors and as a result the area into which the vehicle is heading must be visually monitored by the driver at all times while parking.

Santa Fe.

Hyundai Auto Link Bluetooth®.

Hyundai Auto Link Bluetooth® (standard on Active and Elite) is a smartphone app that lets you stay connected with your Santa Fe.

The app connects with the Santa Fe's pre-installed module to link the car to your smartphone via Bluetooth®, so you can drive smoothly.

Become an economical driver.

- Keeps track of your driving habits and fuel efficiency on each trip.
- Presents vehicle health report and alerts you to any signs of faults.
- Remotely monitors your Santa Fe's health.
- Provides analytical information so you can get the most out of your Santa Fe.

Help us care for your car.

- Service information and online service bookings at your fingertips.
- Easy access to Hyundai Customer Care.
- Compare your driving to other owners.
- Logs private and business trip stats for record keeping purposes.
- Alerts Roadside Assistance in case of a breakdown.
- Sends alert messages¹ to Customer Care or family/friends in case of an emergency.

For more information head to www.hyundai.com/au/en/owning/auto-link

Hyundai Auto Link Premium.

Hyundai Auto Link Premium (standard on Highlander) is an upgraded version of the Bluetooth® app that lets you stay remotely connected with your Santa Fe.

Your drive, your way, made better.

- Allows remote engine start from smartphone.
- Lets cars' doors, lights and climate control to be handled remotely.
- Sets geo-fencing, guard (theft control) and valet mode.

Download the app for your iOS and Android device² today.

Car finance that puts the choices in your hands.

Hyundai CarPlan™ has been developed by Hyundai Finance™ to give you flexibility. That includes whether you pay a deposit or not, how long the finance contract runs for (36 or 48 months), and what happens at the end of your finance contract. At the end of your finance contract, you can choose to pay any amounts owing on the contract to keep your Hyundai, return your vehicle to us and use the Guaranteed Future Value¹ to meet any amount owing under the finance contract, or trade it in at your preferred Hyundai dealer and continue your journey with us.

It's a smart and flexible way to have the vehicle that's perfect for you, even as your lifestyle changes. Life's full of surprises and while you won't always know what's around the next corner, with Hyundai CarPlan™ you'll always have the right car for the journey there. Keep it, return it, or trade it in.

The choice is yours.

How does Hyundai CarPlan™ work?

First, you choose the car you want².

Then, choose the deposit you wish to pay, the length of the loan term and the kilometres you will travel each year³.

Next, decide what you want to do with the vehicle at the end of the finance period⁴.

The choices are up to you.

So what do I actually have to do?

- Arrive at the dealership with your 100 points of ID
- Choose the Hyundai model you want
- Choose the contract term - 36 or 48 months
- Choose how many kilometres you're intending to travel each year up to a maximum of 25,000km – the amount you travel affects the value of your vehicle at the end of the term. You can choose 10,000, 15,000, 20,000 or 25,000km per year
- Choose if you want to pay a deposit or not
- Your dealer will let you know what your regular repayments will be and what the Guaranteed Future Value will be⁵. That's the future trade-in value, based on the length of the loan and the kilometres you will drive. The value is subject to Fair Wear and Tear conditions and agreed kilometres not being exceeded¹
- When you get to the end of the loan term, you choose what happens next

When your contract ends.

We know that everyone's lifestyle and situation is different, so we give you three different options to choose from when your contract comes to an end: pay off the balance of your loan contract and keep your Hyundai, trade it in or return it to us and use the Guaranteed Future Value¹.

It all depends where you are at that point in your life. Sport, kids, dogs, weekends away, work. Choose what's right for you and your life. Go bigger, go smaller, stay the same.

Get the Hyundai that's right for you.

Trade

Trade in your Hyundai at your preferred Hyundai dealer giving you the chance to step into the latest Hyundai model and continue your journey with us.

Retain

Keep your Hyundai by paying any amounts owing on your finance contract or apply through Hyundai Finance™ to refinance the amount owing².

Return

Return your Hyundai to us knowing that the Guaranteed Future Value will be sufficient to repay the amount owing under your finance contract¹.

1. The Guaranteed Future Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Future Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Future Value will be reduced and you'll be required to pay the difference. Subject to the Guaranteed Future Value Terms and Conditions (available upon request). 2. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. Currently only available on the diesel variants of the Santa Fe. Availability for the petrol variants to be confirmed in due course. Please verify with your dealership prior to purchase which vehicles are eligible for the programme. Please verify with your dealership which vehicles are eligible for the programme. 3. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information in this brochure, please seek independent tax advice. Full terms and conditions are available upon application. 4. Subject to the Guaranteed Future Value Terms and Conditions. Available only to approved applicants of Hyundai Finance™. Subject to credit assessment and for consumer applications, responsible lending criteria. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Hyundai dealers. 5. Your total interest charged may be higher if you choose the Guaranteed Future Value feature for your loan, compared to a loan without the feature.

How is Hyundai CarPlan™ different from a typical finance contract?

Greater confidence

Hyundai CarPlan™ will ensure the amount you receive when you return your Hyundai is enough to pay the amount owing at the end of your contract term, even if the value of the car is less than the amount owing¹.

A personally tailored solution

You choose the term for your finance contract, the deposit you would like to pay (if any) and the kilometres you intend to travel².

Greater flexibility

At the end of the finance contract term, you'll have the choice to keep your Hyundai, trade it in or return it to us.

More options

You have the option to include things like Pre-Paid Service Plan³, and accessory costs as part of your finance contract⁴.

Maintaining your vehicle.

To ensure you enjoy the full benefits of the Hyundai CarPlan,™ your Hyundai must be in an acceptable condition when you return or trade-in your Hyundai⁴ and must not exceed the kilometre limit you have selected. Of course, we also understand that some reasonable wear and tear is to be expected, but the condition of your vehicle needs to remain within the provisions of your Hyundai CarPlan™ contract and Fair Wear & Tear Guidelines.

Where the vehicle is not in acceptable condition or where you have exceeded your kilometre limit, the Guaranteed Future Value of your vehicle will be reduced.

Is Hyundai CarPlan™ right for you?

Hyundai CarPlan™ is just one of many options available from Hyundai Finance,™ so there may be another product that suits your individual needs better. Have a chat to your participating Hyundai Dealer about what's right for you.

1. The Guaranteed Future Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Future Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Future Value will be reduced and you'll be required to pay the difference. 2. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information in this brochure, please seek independent tax advice. Full terms and conditions are available upon application. Available only to approved applicants of Hyundai Finance™. Subject to credit assessment and for consumer applications, responsible lending criteria. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Hyundai dealers. 3. Pre-paid Service Plan: for scheduled maintenance services only which are of limited scope. Pre-paid service plan may be purchased at the time of vehicle purchase or at any time up to and including the first scheduled service. Terms, conditions and exclusions apply. Visit www.hyundai.com/au/en/pre-paid. 4. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. Available on the diesel variants of the Santa Fe only. The petrol variants of the Santa Fe are awaiting confirmation. Please verify with your dealership which vehicles are eligible for the programme.

Santa Fe.

Relax, we'll take it from here.

We built iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra.”

Our five-year, unlimited kilometre warranty¹ means you've got the freedom to go ahead and drive without having to keep an eye on the odometer.

Imagine knowing the maximum price of your next scheduled service, before pulling into the service centre. That's the advantage of our Lifetime Service Plan² – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees and surprises.

Since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception – or as we like to say, amazing as standard. And that includes Sat Nav Update Plan³, and a 24/7 Roadside Support⁴ for up to ten years when you service with us.

iCare

1. **5 year/unlimited km warranty:** Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for “commercial application” as defined in the vehicle warranty policy, for which a 5 year/130,000km (whichever occurs first) warranty applies. Refer to full warranty terms & conditions for details and exclusions. 2. **Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at www.hyundai.com/au/en, apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai vehicles, for their lifetime. 3. **Sat Nav Update Plan:** Maximum number of 9 updates delivered on an annual cycle which must be undertaken within 10 years of the vehicle's purchase. Included map updates apply only if the vehicle completes a scheduled service at a participating Hyundai dealer. 4. **Roadside Support Plan:** Receive 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date).

Big help, for little Aussies.

Every time a new car is sold at one of our Dealerships, both Hyundai and the Dealer will donate part of the sale price to Hyundai Help for Kids.™

Hyundai Help for Kids™ offers funding to child-focused organisations and charities working to improve the lives of children all over Australia – from supporting community initiatives, to providing much-needed medical equipment.

So when you buy a Hyundai, you're buying more than just a car. Together with Hyundai Help for Kids,™ you're empowering thousands of young Australians and giving them a better future.

Hyundai Help for Kids™ is a registered trademark of Hyundai Motor Company.

Santa Fe.

Australia, in our DNA.

We're one of the biggest car manufacturers in the world – and one of the fastest growing global car brands.

We're also the only car company in the world producing its own steel, because we know the best steel makes for the strongest cars.

That's why we source the majority of our high quality iron ore from right here, in Australia's backyard. So now, when you buy a new Hyundai, you know you're driving a car that's directly connected to home.
