Santa Fe.
Taking Australian families further.

We have one goal – to be Australia’s most loved car company. To get there, we’re driven by a simple philosophy that life’s most incredible moments shouldn’t be reserved for a select few, and everyone should be able to experience an exciting and enjoyable drive.

How do we make that happen? We start by pushing our own boundaries, by making premium the new standard, and by engineering the most enjoyable ride possible.

Australia gives us the opportunity to live active lives. The Santa Fe is designed to help us achieve that. It’s strong, stylish, spacious with enough space to fit the family, the dog, and plenty of gear, you’ll be able to explore everything Australia has to offer to comfort and style. From the city, to the sea, the outback, and everywhere in between – the Santa Fe is for families on the go.

You can be sure we’ve put it through its paces too. Our extensive local tuning program has seen the Santa Fe challenge, and overcome, the harshest conditions Australia can throw at it. The Santa Fe really is the perfect complement to an active Australian lifestyle.
Safety first.

Your family’s safety should never be an afterthought, or an added cost. Which is why we work hard for everything less than a 5 star ANCAP safety rating (applies to the diesel variants only at present), 6 airbags and advanced safety technology. Rating the safety bar is Hyundai SmartSense™ – our suite of intelligent features developed to keep you alert to dangers and help you avoid incidents. With features like Smart Cruise Control (SCC), Lane Keeping Assist (LKA) and Driver Attention Warning (DAW), you can be assured that your Santa Fe is always keeping an eye out for your family.

The 7-seater Santa Fe comes with 8 Hyundai SmartSense™ safety features as standard across the range.

- **Rear Occupant Alert (ROA)** on the Active variant utilises a rear door logic where the system detects occupants entering via the rear doors opening and closing. Once it detects the rear doors to have been opened & closed, ROA issues an audible warning chime and prompts the driver with a visual warning message to “check rear seats”, displayed in the instrument cluster upon opening the front door after parking.

- **Surround View Monitor**

  - 4 cameras

Your family’s safety should never be an afterthought, or an added extra. Which is why we won’t settle for anything less than a 5 star1 ANCAP safety rating (applies to the diesel variants only at present), 6 airbags and advanced safety technology. Raising the safety bar is Hyundai SmartSense™ – our suite of intelligent features developed to keep you alert to dangers and help you avoid incidents. With features like Smart Cruise Control (SCC), Lane Keeping Assist (LKA) and Driver Attention Warning (DAW), you can be assured that your Santa Fe is always keeping an eye out for your family.

1. The petrol variants of the Santa Fe are awaiting confirmations.
2. Hyundai SmartSense™ is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving.

Rear Cross-Traffic Collision-Avoidance Assist (RCCA) When backing out from a parking position, the sensor detects approaching vehicles from the left or right. The sensor will issue an audible alert and visual warning on the dashboard and if necessary, will initiate a braking manoeuvre.

Rear Cross-Traffic Collision-Avoidance Assist (RCCA) When backing out from a parking position, the sensor detects approaching vehicles from the left or right. The sensor will issue an audible alert and visual warning on the dashboard and if necessary, will initiate a braking manoeuvre.

Smart Cruise Control (SCC) with Stop & Go

- Detects the speed and distance of vehicles ahead of the Santa Fe and maintains a safe distance to the vehicle ahead, up to a pre-set speed (between 30km/h – 160km/h). The Stop & Go function works in stop/start traffic, bringing the vehicle to a stop when appropriate, and automatically (if within 3 seconds) accelerate back up to the original set speed.

Safe Exit Assist (SEA)

- The system detects any oncoming vehicles approaching from the rear and alerts the driver that it may be dangerous for passengers to exit the vehicle, with both a sound and pop-up visual warning on the dashboard. If the child safety lock is activated, the SEA system will prevent the door from being unlocked to prevent opening.

Blind-Spot Collision-Avoidance Assist (BCA)

- Blind-Spot Collision-Avoidance Assist will send visual warnings to the driver when a vehicle is in their blind spot and an audible sound if the driver tries to change lanes with the vehicle still in their blind spot. Blind-Spot Collision-Avoidance Assist will initiate an active avoidance manoeuvre if necessary to avoid potential accidents.

Blind-Spot Collision-Avoidance Assist (BCA)

- Blind-Spot Collision-Avoidance Assist will send visual warnings to the driver when a vehicle is in their blind spot and an audible sound if the driver tries to change lanes with the vehicle still in their blind spot. Blind-Spot Collision-Avoidance Assist will initiate an active avoidance manoeuvre if necessary to avoid potential accidents.

Drive in style.

You expect a certain style. With the 7-seater Santa Fe, you’ve got it. With its bold, aerodynamic silhouette and sleek body, the Santa Fe truly stands out. Just one look at its unique cascading front grille will catch your eye; the honeycomb feature tells you all you need to know about the Santa Fe’s flair for design. Whether you’re heading to dinner, taking the kids to soccer or shuttling the neighbours’ kids to a birthday party, it’s great to know that you’re doing it in style.

Lights too, are a clear indication of the Santa Fe’s design sensibility. The stacked headlights and LED Daytime Running Lights provide a sense of protection and a visual feature which ‘hands’ the corner as you do. Distinctive headlights and the slim LED Daytime Running lights ensure that you can both see and be seen on the road, no matter what time of day.

The Santa Fe has a strong presence around. Look from behind and you’ll see at 360 degrees with a confident, stable stance with bold tail lights, dual mufflers and a striking bumper design. So while other drivers may be searching the parking lot for their car, you’ll find the Santa Fe in the blink of an eye.

The 7-seater Santa Fe wins and you can’t have practical and stylish?

2. Not available on the Active petrol variant.

Santa Fe.
Space that’s designed around you.

Where are you heading next? School run? Groceries? Kids’ netball practice? Santa Fe isn’t just a 7-seater; it’s an SUV that’s designed around you. An SUV that calmly brings order to the chaos that occasionally overcomes any family.

- **Seat configuration**
  With seven separate seat configurations, you can fold seats to suit any trip.

- **USB charging ports**
  Smart devices are easily charged through two USB ports in the rear centre console (2nd row) and one USB port in the front centre console cubby.

- **Rear window sunshades**
  A retractable window blind hides away in the 2nd row doors protecting your precious ones from the heat and glare of the summer sun.

- **3rd row grip handles**
  Handles in the 3rd row help occupants enter and exit the vehicle with ease.

- **Air vents**
  Individual air vents in the 2nd and 3rd rows mean everyone can keep their cool.

- **Smart one-touch walk-in**
  Collapse and slide forward the seats in the 2nd row at the touch of a button, giving easy access for kids getting in and out of the 3rd row.

- **Boot space**
  Need more space? Expand the boot’s capacity by folding the 3rd row flat.

- **Boot grip handles**
  Handles in the 3rd row help occupants enter and exit the vehicle with ease.
Beautiful on the inside.

No matter what the time of year, it’s always a pleasure to jump in your Santa Fe. In the summer, switch on the ventilated front seats and feel the air cool from beneath. When the chilly days arrive, the heated front seats and heated steering wheel will quickly thaw you out. And thanks to heated second row seats, the little ones in the back will quickly feel warm and cozy too.

The style that’s evident in the Santa Fe’s exterior design is clear in the spacious interior. And it’s not just the high seat position that gives you a better view, the sweeping panoramic glass roof1 lets you take in the scenery as the world passes you by. You’ll feel indulged too, with the luxurious leather appointed interior2 available in black, beige or burgundy leather, depending on the variant and exterior color you choose.

With generous storage space throughout, ISOFIX anchor points in the 2nd row outboard seats and 60:40 split second row seats and 50:50 third row seats, you can quickly configure the Santa Fe to suit every journey for all your passengers.

They say it’s what’s on the inside that really counts. The 7-seater Santa Fe has taken that to heart.
It’s good to know that however many people you’ve got onboard, your 7-seat Santa Fe has the performance to effortlessly meet the day’s demands. You can choose from two engine options: the 2.2 litre CRDi Diesel 8-speed automatic or the newly launched 3.5 litre MPi Petrol 8-speed automatic, now available across all three variants.

Choose the diesel engine and you can rely on 147kW of power and the reassurance of knowing that you have an exceptional 440Nm of torque at your disposal; good for all the load you carry on your family trips. The 3.5L V6 petrol engine brings added performance with 206kW of power and 336Nm of torque – more than enough grant to carry the family and all your kit on a trip, while still maintaining that smooth, slick drive. With a seamless 8-speed automatic transmission, and suspension and handling tuned to Australian conditions, the Santa Fe is ready to take on whatever you throw at it.

All of the diesel variant come with Hyundai’s proprietary HTRAC all-wheel drive technology. HTRAC, meaning “Hyundai Traction”, increases traction on various environments and surfaces and intelligently redistributes power to all four wheels in more slippery conditions. The ratio of torque distribution also changes with the drive mode and is displayed in the cluster.

- Comfort mode: offers improved stability with up to 35 percent torque distributed to the rear wheels.
- Eco mode: provides improved fuel efficiency by sending power mainly to the front wheels.
- Sport mode: delivers improved acceleration with up to 50 percent torque distributed to the rear wheels.

The 7-seater Santa Fe: ready whenever you are.
Cleverly connected.

It’s easy to take technology for granted, kids certainly do. So take a step back and see how the Santa Fe delivers on keeping your family connected.

Directly in front of you, the clearly laid out cluster tells you all the key information – speed, revs, oil temperature – at a glance.

And, exclusive to the Santa Fe Highlander, the 7” colour supervision cluster display changes colour, depending on what drive mode you’ve set (Comfort, Eco, Sport or Smart). Then there’s our clever Head-Up Display (HUD), where important vehicle-related information is projected directly on the windscreen, so you never need to take your eyes off the road.

For those days that need a bit more planning, the Santa Fe’s Satellite Navigation system will calmly guide you through the twists and turns to your destination ahead. Plus, with Apple® CarPlay™ and Android™ Auto™ compatibility across the range, you’re always just one touch away from the next song.

The Santa Fe’s impressive technology extends all the way to the boot of the car with the smart tailgate. When standing within a metre of your boot with your proximity key for more than three seconds, it will automatically open for you.

With the 7-seater Santa Fe, smart technology makes every drive a pleasure.

1. Apple® CarPlay™ functionality requires an iPhone® with a Lightning™ dock. Requires iPhone® 5 or subsequent model (lightning cable) in order to operate. Apple® and iPhone® are registered trademarks of Apple Inc.

2. Android™ Auto requires a device with Android 5.0 operating system or subsequent version, and USB cable in order to operate. Android is a trademark of Google Inc.

Style, your way.

Your new Hyundai should stand out. And because the Santa Fe is hardworking, stylish, and intelligent, we’ve developed an interior and exterior colour range that emphasises these qualities.

After all, everyone’s different. From the colour of the paint, to the shade of the trim – take the opportunity to complement your personality and make sure the Santa Fe fits right into your everyday life.

- Santa Fe Interiors

[Image of Santa Fe interiors]
Your Santa Fe isn’t just an SUV. It’s an extension of you. So make it as unique as you are, with Hyundai Genuine Accessories.

Roof and bike racks give you extra storage, while a tough cargo liner can help protect the boot from spills or wet gear (and dogs).

No matter what your lifestyle demands, there’s a suite of practical, and stylish Hyundai Genuine Accessories† to match.
Santa Fe.
Hyundai Auto Link Bluetooth®.

Hyundai Auto Link Bluetooth® (standard on Active and Elite) is a smartphone app that lets you stay connected with your Santa Fe. The app connects with the Santa Fe’s pre-installed module to link the car to your smartphone via Bluetooth®, so you can drive smoothly.

Become an economical driver.

- Keeps track of your driving habits and fuel efficiency on each trip.
- Presents vehicle health report and alerts you to any signs of faults.
- Remotely monitors your Santa Fe’s health.
- Provides analytical information so you can get the most out of your Santa Fe.

Help us care for your car.

- Service information and online service bookings at your fingertips.
- Easy access to Hyundai Customer Care.
- Compare your driving to other owners.
- Logs private and business trip stats for record keeping purposes.
- Alerts Roadside Assistance in case of a breakdown.
- Sends alert messages 1 to Customer Care or family/friends in case of an emergency.

For more information head to www.hyundai.com/au/en/owning/auto-link

Bluetooth® is a registered trademark of Bluetooth SIG, Inc.

1. Not all Hyundai Auto Link services are available everywhere, particularly in remote or enclosed areas, or on all vehicles, at all times. The operation of the location services may be affected by your location, activation or deactivation of location services on your mobile device, and the services provided by your telecommunications service provider. Some Hyundai Auto Link services may not be fully available if the GPS system or other mobile device features are not working.

Hyundai Auto Link Premium.

Hyundai Auto Link Premium (standard on Highlander) is an upgraded version of the Bluetooth® app that lets you stay remotely connected with your Santa Fe.

Your drive, your way, made better.

- Allows remote engine start from smartphone.
- Lets cars’ doors, lights and climate control to be handled remotely.
- Sets geo-fencing, guard (theft control) and valet mode.
- Download the app for your iOS and Android device today.

For more information head to www.hyundai.com/au/en/owning/auto-link

Hyundai Auto Link Premium (standard on Highlander)

- Remote engine start
- Remote door (lock/unlock) control
- Remote warning lights (hazard) control
- Remote climate (including defroster) control

Hyundai Auto Link Premium (additional services available)

- Remote engine start
- Remote door (lock/unlock) control
- Remote warning lights, doors control
- Remote climate control

- Hyundai Auto Link Bluetooth® and Hyundai Auto Link Premium are available on all Hyundai models.
- This manual is intended for Hyundai vehicles in North America.
- Hyundai does not undertake any obligation to make changes to any information or specifications contained herein.
Car finance that puts the choices in your hands.

Hyundai CarPlan™ has been developed by Hyundai Finance™ to give you flexibility. That includes whether you pay a deposit or not, how long the finance contract runs for (36 or 48 months), and what happens at the end of your finance contract. At the end of your finance contract, you can choose to pay any amounts owing on the contract to keep your Hyundai, return your vehicle to us and use the Guaranteed Future Value 1 to meet any amount owing under the finance contract, or trade it in at your preferred Hyundai dealer and continue your journey with us.

It’s a smart and flexible way to have the vehicle that’s perfect for you, even as your lifestyle changes. Life’s full of surprises and while you won’t always know what’s around the next corner, with Hyundai CarPlan™ you’ll always have the right car for the journey there. Keep it, return it, or trade it in.

The choices are up to you.

How does Hyundai CarPlan™ work?

1. The Guaranteed Future Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle at the end of your finance contract. If the Guaranteed Future Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Future Value will be reduced and you may be required to pay the difference. Subject to the Guaranteed Future Value Terms and Conditions (available upon request). 2. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. Currently only available on the i30, Santa Fe, Equus and Genesis. Availability for the petrol variants to be confirmed in due course. Please verify with your dealership prior to purchase which vehicles are eligible for the programme. Please verify with your dealership which vehicles are eligible for the programme. 3. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information in this brochure, please seek independent tax advice. Full terms and conditions available upon application. 4. Subject to the Guaranteed Future Value Terms and Conditions. Available only to approved applicants of Hyundai Finance™. Subject to credit assessment and for consumer applications, responsible lending criteria. Trade, government, fleet, rental buyers, hire car and chauffeur companies are excluded. Available at participating Hyundai dealers. 5. Your total interest charged may be higher if you choose the Guaranteed Future Value feature for your loan, compared to a loan without the feature.

So what do I actually have to do?

- First, choose the car you want.
- Then, choose the deposit you wish to pay, the length of the loan term and the kilometres you will travel each year.*
- Next, decide what you want to do with the vehicle at the end of the finance period.*

*The choices are up to you.

When your contract ends.

- When your contract comes to an end: pay off the balance of your loan contract and keep your Hyundai, trade it in or return it to us and use the Guaranteed Future Value.
- It all depends where you are at that point in your life. Sport, kids, dogs, weekends away, work. Choose what’s right for you and your life. Go bigger, go smaller, stay the same.
- Get the Hyundai that’s right for you.

Trade in your Hyundai at your preferred Hyundai dealer giving you the chance to step into the latest Hyundai model and continue your journey with us.

Keep your Hyundai by paying any amounts owing on your finance contract or apply through Hyundai Finance™ to refinance the amount owing.

Return your Hyundai as we knowing that the Guaranteed Future Value will be sufficient to repay the amount owing under your finance contract.

The choice is yours.
How is Hyundai CarPlan™ different from a typical finance contract?

Hyundai CarPlan™ will ensure the amount you receive when you return your Hyundai is enough to pay the amount owing at the end of your contract term, even if the value of the car is less than the amount owing.

Greater confidence
Hyundai CarPlan™ will ensure the amount you receive when you return your Hyundai is enough to pay the amount owing at the end of your contract term, even if the value of the car is less than the amount owing.

A personally tailored solution
You choose the term for your finance contract, the deposit you would like to pay (if any) and the kilometres you intend to travel.

Greater flexibility
At the end of the finance contract term, you’ll have the choice to keep your Hyundai, trade it in or return it to us.

More options
You have the option to include things like the Pre-Paid Service Plan, and accessory costs as part of your finance contract.

Maintaining your vehicle.
To ensure you enjoy the full benefits of the Hyundai CarPlan™, your Hyundai must be in an acceptable condition when you return or trade-in your Hyundai and must not exceed the kilometre limit you have selected. Of course, we also understand that some reasonable wear and tear is to be expected, but the condition of your vehicle needs to remain within the provisions of your Hyundai CarPlan™ contract and Fair Wear & Tear Guidelines.

Where the vehicle is not in acceptable condition or where you have exceeded your kilometre limit, the Guaranteed Future Value of your vehicle will be reduced.

Is Hyundai CarPlan™ right for you?
Hyundai CarPlan™ is just one of many options available from Hyundai Finance™ so there may be another product that suits your individual needs better. Have a chat to your participating Hyundai Dealer about what’s right for you.

1. The Guaranteed Future Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Future Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Future Value will be reduced and you’ll be required to pay the difference.

2. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information in this brochure, please seek independent tax advice. Full terms and conditions are available upon application. Available only to approved applicants of Hyundai Finance™. Subject to credit assessment and for consumer applications, responsible lending criteria. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Hyundai dealers.

3. Pre-Paid Service Plan: for scheduled maintenance services only which are of limited scope. Pre-paid service plan may be purchased at the time of vehicle purchase or at any time up to and including the first scheduled service. Terms, conditions and exclusions apply. Visit www.hyundai.com/au/en/pre-paid.

4. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. Available on the diesel variants of the Santa Fe only. The petrol variants of the Santa Fe are awaiting confirmation. Please verify with your dealership which vehicles are eligible for the programme.
We built iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra.”

Our five-year, unlimited kilometre warranty1 means you’ve got the freedom to go ahead and drive without having to keep an eye on the odometer.

Imagine knowing the maximum price of your next scheduled service, before pulling into the service centre. That’s the advantage of our Lifetime Service Plan2 – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees and surprises.

Since every new Hyundai is built to the highest standards, we’ve got the confidence to offer comprehensive customer service without exception – or as we like to say, amazing as standard. And that includes Sat Nav Update Plan3, and a 24/7 Roadside Support4 for up to ten years when you service with us.

---

1. 5 year/unlimited km warranty: Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for “commercial” purposes. For a full list of exceptions please refer to the Hyundai Warranty Policy. Note: If purchased with a mandatory 10 year/120,000km (whichever occurs first) warranty, the mandatory warranty shall apply. Refer to full warranty terms & conditions for details and exclusions.

2. Lifetime Service Plan: For the benefit of Hyundai owners, Hyundai provides online quotes which specify the maximum price applicable for a vehicle’s next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at www.hyundai.com/au/en, apply for a stated effective period only and may not be used for retroactive quotations. Online quotes are not available for limited scope maintenance services (e.g. windscreen replacement). The benefit of online quotes is available for all Hyundai vehicles, for their lifetime.

3. Sat Nav Update Plan: Maximum number of 9 updates delivered on an annual cycle which must be undertaken within 10 years of the vehicle’s purchase. Included map updates apply only if the vehicle completes a scheduled service at a participating Hyundai dealer.

4. Roadside Support Plan: Receive 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support is available for an additional 9 years for vehicles that have recently completed a scheduled service. Further Roadside Support is available for an additional 9 years for vehicles that have recently completed a scheduled service. The Roadside Support benefit is available for a maximum period of 10 years from the original point of sale and is in addition to the roadside support offered by participating dealers. Full Roadside Support is offered to customers under the age of 70 who are in the vehicle at the time of the incident. Further Roadside Support is provided for vehicles that are 10 years or less from the original point of sale and is subject to the vehicle not having been involved in an accident or having sustained major mechanical damage within the past 12 months. The Roadside Support benefit is available for a maximum period of 10 years from the original point of sale and is in addition to the roadside support offered by participating dealers. Full Roadside Support is offered to customers under the age of 70 who are in the vehicle at the time of the incident. Further Roadside Support is provided for vehicles that are 10 years or less from the original point of sale and is subject to the vehicle not having been involved in an accident or having sustained major mechanical damage within the past 12 months.
Big help, for little Aussies.

Every time a new car is sold at one of our Dealerships, both Hyundai and the Dealer will donate part of the sale price to Hyundai Help for Kids™.

Hyundai Help for Kids™ offers funding to child-focused organisations and charities working to improve the lives of children all over Australia – from supporting community initiatives, to providing much-needed medical equipment.

So when you buy a Hyundai, you’re buying more than just a car. Together with Hyundai Help for Kids™, you’re empowering thousands of young Australians and giving them a better future.

Hyundai Help for Kids™ is a registered trademark of Hyundai Motor Company.
We’re one of the biggest car manufacturers in the world – and one of the fastest growing global car brands. We’re also the only car company in the world producing its own steel, because we know the best steel makes for the strongest cars. That’s why we source the majority of our high-quality iron ore from right here, in Australia’s backyard. So now, when you buy a new Hyundai, you know you’re driving a car that’s directly connected to home.
