

Tucson.

Ready when you are.

We have one goal – to be Australia's most loved car company. To get there, we're driven by the simple philosophy that life's most incredible moments shouldn't be reserved for a select few, and everyone should be able to experience an exciting and enjoyable drive.

So, how do we make that happen? We start by pushing our own boundaries, by making premium the new standard, and by engineering the most enjoyable ride possible.

As a medium SUV, the Tucson effortlessly serves many purposes. It looks great, has enough space for growing families, and navigates city streets with ease. It's also the perfect partner for the activities we fill our time with. Whether it's a meeting across town, a lunch date with friends, the morning school run, or a weekend at the beach, the Tucson achieves a seamless balance between style and function.

We've put it through its paces, too. Our extensive local tuning program has seen the Tucson challenge, and overcome, the harshest conditions Australia can throw at it.

Tucson.

All eyes on safety.

Safety should never be an afterthought, or an added extra, which is why Hyundai takes their commitment to safety seriously.

The Tucson is an urban SUV, with the heart of an explorer. But no matter where the road takes you, it has some of the most advanced safety technology available to help keep you protected. That includes front and rear fog lights, Hyundai SmartSense™¹ safety features and a rear view camera to make safe reversing easy.

Hyundai SmartSense™ is our suite of intelligent safety features that all have one thing in common - they've been developed to help alert you to (and avoid) any dangers around you.

Forward Collision-Avoidance Assist (FCA)⁴ - City/Urban, standard across all variants, works in conjunction with the Forward Collision Warning (FCW) to automatically apply the brakes in the case of a potential collision. FCA-City/Urban is active above speeds of approximately 8km/h, and will attempt to bring the vehicle to a complete stop if activated up to speeds of 65km/h.

Exclusive to the Elite & Highlander variants, Forward Collision-Avoidance Assist includes interurban and pedestrian detection by utilising camera and radar sensors to attempt to bring vehicles to a complete stop if activated from speeds approx. 10-80km/h (interurban) and 10-70km/h (pedestrian detection).

Hyundai SmartSense™ provides peace of mind for you, and for us.

Hyundai SmartSense™¹

Blind-Spot Collision Warning (BCW)³

When driving at a speed of 30km/h or higher, the BCW function will alert the driver to vehicles that enter the blind spot, including during lane changes. If the driver proceeds to activate the corresponding indicator lights, a flashing visual warning is provided and an audible alert is sounded.

Smart Cruise Control (SCC) with Stop & Go³

Detects the speed and distance of vehicles ahead of the Tucson and maintains a safe distance to the vehicle ahead, up to a pre-set speed (between 30km/h - 180km/h). The Stop & Go function works in stop/start traffic, bringing the vehicle to a stop when appropriate, and automatically (if within 3 seconds) accelerate back up to the original set speed.

Rear Cross-Traffic Collision Warning (RCCW)³

Using the BCW system's radar sensors, at speeds below 10 km/h, the Rear Cross-Traffic Collision Warning (RCCW) monitors for traffic approaching on either side of Tucson when reversing out of perpendicular parking spaces. Should RCCW detect a vehicle approaching, an audible warning will sound, with a visual warning displayed on the dash cluster.

High Beam Assist (HBA)³

High Beam Assist (HBA) scans the road ahead of Tucson, monitoring for street lights as well as any other lights, including headlights of oncoming vehicles as well as taillights of vehicles in front. Upon detection the system automatically adjusts headlamp range, switching between high and low beam.

Tucson.

Stylish design.

The Tucson is at home anywhere. So, whether you're dropping the kids off at school, meeting friends for coffee, or on the daily commute, the Tucson always looks fantastic, and always works hard.

The Tucson adopts Hyundai's signature cascading front grille exuding class and sophistication wherever it goes. Be seen day and night with LED daytime running lights positioned below the headlights for extra flair.

Stylish, sleek & practical - the Tucson is your perfect medium SUV for whatever the journey.

Interior elegance.

For a 5-seater SUV, the Tucson is surprisingly spacious. Our engineers have optimised every inch of the interior in order to give you and your passengers a more comfortable ride, without losing any storage room.

The interior is inviting too, with soft touch surfaces like leather appointed¹ seats that exude style and sophistication. Heated and air ventilated front seats², dual zone climate control³ and a panoramic glass sunroof² complete the look and give you that extra sense of luxury, while connecting you and your passengers with the outside, from within.

With a spacious interior, Apple CarPlay™⁴ & Android™ Auto⁴ compatibility and a USB charging port³ in the rear centre console ensures all your passengers can enjoy these creature comforts to keep them entertained and comfortable.

The Tucson is a premium vehicle for everyday life.

Powerful performance.

The Tucson's performance is a testament to the work our designers and engineers put in every day to deliver a more enjoyable and practical ride. Depending on the variant you choose, the Tucson is available with three powerful engines to suit your lifestyle - the 2.0 GDi petrol¹, 1.6 T-GDi petrol² and 2.0 CRDi diesel engine³.

Exclusive to the R series 2.0 diesel engine, is the 8-speed automatic transmission which offers smoother gear shifts, greater fuel efficiency and has a faster, more responsive shift logic.

We've even taken Hyundai's commitment to research and development one step further. Thanks to our extensive local tuning program, we've rigorously tested and optimised the Tucson for Australian roads.

By recruiting the finest engineers and designers, and investing billions of dollars each year, we've made a firm commitment to the future of motoring in Australia.

A smarter SUV.

The Tucson understands how busy modern lives can be, and plays an active role in keeping you connected, not just to the road but also to the world around you.

We've seamlessly integrated Apple CarPlay™¹ and Android™ Auto¹ into the vehicle. This means you can safely play music, make calls or get directions while on the move.

The Tucson's impressive technology extends all the way to the boot of the car with the smart tailgate². When standing within a metre of your boot with your proximity key for more than three seconds, it will automatically open for you. Gone are the days when your hands are full and struggle to open the boot – the Tucson has your back.

Frustrated with the site of messy cables and cords? The Tucson allows you to charge your smartphone device wirelessly via the smartphone charging pad² located in the front centre console.

A smarter SUV for your everyday drive – the Hyundai Tucson.

Car finance that puts the choices in your hands.

Hyundai CarPlan™ has been developed by Hyundai Finance™ to give you flexibility. That includes whether you pay a deposit or not, how long the finance contract runs for (36 or 48 months), and what happens at the end of your finance contract. At the end of your finance contract, you can choose to pay any amounts owing on the contract to keep your Hyundai, return your vehicle to us and use the Guaranteed Future Value¹ to meet any amount owing under the finance contract, or trade it in at your preferred Hyundai dealer and continue your journey with us.

It's a smart and flexible way to have the vehicle that's perfect for you, even as your lifestyle changes. Life's full of surprises and while you won't always know what's around the next corner, with Hyundai CarPlan™ you'll always have the right car for the journey there. Keep it, return it, or trade it in.

The choice is yours.

How does Hyundai CarPlan™ work?

First, you choose the car you want².

Then, choose the deposit you wish to pay, the length of the loan term and the kilometres you will travel each year³.

Next, decide what you want to do with the vehicle at the end of the finance period⁴.

The choices are up to you.

So what do I actually have to do?

- Arrive at the dealership with your 100 points of ID
- Choose the Hyundai model you want
- Choose the contract term - 36 or 48 months
- Choose how many kilometres you're intending to travel each year up to a maximum of 25,000km – the amount you travel affects the value of your vehicle at the end of the term. You can choose 10,000, 15,000, 20,000 or 25,000km per year
- Choose if you want to pay a deposit or not
- Your dealer will let you know what your regular repayments will be and what the Guaranteed Future Value will be⁵. That's the future trade-in value, based on the length of the loan and the kilometres you will drive. The value is subject to Fair Wear and Tear conditions and agreed kilometres not being exceeded¹
- When you get to the end of the loan term, you choose what happens next

When your contract ends.

We know that everyone's lifestyle and situation is different, so we give you three different options to choose from when your contract comes to an end: pay off the balance of your loan contract and keep your Hyundai, trade it in or return it to us and use the Guaranteed Future Value¹.

It all depends where you are at that point in your life. Sport, kids, dogs, weekends away, work. Choose what's right for you and your life. Go bigger, go smaller, stay the same.

Get the Hyundai that's right for you.

Trade

Trade in your Hyundai at your preferred Hyundai dealer giving you the chance to step into the latest Hyundai model and continue your journey with us.

Retain

Keep your Hyundai by paying any amounts owing on your finance contract or apply through Hyundai Finance™ to refinance the amount owing².

Return

Return your Hyundai to us knowing that the Guaranteed Future Value will be sufficient to repay the amount owing under your finance contract¹.

Hyundai Finance™ and Hyundai CarPlan™ are registered trademarks of Hyundai Motor Company used under sublicence by St.George Bank – A Division of Westpac Banking Corporation ABN 33 007 457 141 Australian credit licence 233714. Hyundai Finance is the registered business name of Hyundai Motor Company Australia Pty Ltd ABN 58 008 995 588.

1. The Guaranteed Future Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Future Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Future Value will be reduced and you'll be required to pay the difference. Subject to the Guaranteed Future Value Terms and Conditions (available upon request). 2. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. The petrol variants of the Santa Fe are awaiting confirmation. Please verify with your dealership which vehicles are eligible for the programme. 3. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information in this brochure, please seek independent tax advice. Full terms and conditions are available upon application. 4. Subject to the Guaranteed Future Value Terms and Conditions. Available only to approved applicants of Hyundai Finance™. Subject to credit assessment and for consumer applications, responsible lending criteria. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Hyundai dealers. 5. Your total interest charged may be higher if you choose the Guaranteed Future Value feature for your loan, compared to a loan without the feature.

How is Hyundai CarPlan™ different from a typical finance contract?

Greater confidence

Hyundai CarPlan™ will ensure the amount you receive when you return your Hyundai is enough to pay the amount owing at the end of your contract term, even if the value of the car is less than the amount owing¹.

A personally tailored solution

You choose the term for your finance contract, the deposit you would like to pay (if any) and the kilometres you intend to travel².

Greater flexibility

At the end of the finance contract term, you'll have the choice to keep your Hyundai, trade it in or return it to us.

More options

You have the option to include things like Pre-Paid Service Plan³, and accessory costs as part of your finance contract⁴.

Maintaining your vehicle.

To ensure you enjoy the full benefits of the Hyundai CarPlan,™ your Hyundai must be in an acceptable condition when you return or trade-in your Hyundai⁴ and must not exceed the kilometre limit you have selected. Of course, we also understand that some reasonable wear and tear is to be expected, but the condition of your vehicle needs to remain within the provisions of your Hyundai CarPlan™ contract and Fair Wear & Tear Guidelines.

Where the vehicle is not in acceptable condition or where you have exceeded your kilometre limit, the Guaranteed Future Value of your vehicle will be reduced.

Is Hyundai CarPlan™ right for you?

Hyundai CarPlan™ is just one of many options available from Hyundai Finance™, so there may be another product that suits your individual needs better. Have a chat to your participating Hyundai Dealer about what's right for you.

Pre-paid Service Plan: for scheduled maintenance services only which are of limited scope. Pre-paid service plan may be purchased at the time of vehicle purchase or at any time up to and including the first scheduled service. Terms, conditions and exclusions apply. Visit www.hyundai.com/au/en/pre-paid. 4. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. The petrol variants of the Santa Fe are awaiting confirmation. Please verify with your dealership which vehicles are eligible for the programme.

Relax, we'll take it from here.

There's a reason why our iCare program is so highly regarded. We built iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra”.

Our five-year, unlimited kilometre warranty[^] means you've got the freedom to go ahead and drive without having to keep an eye on the odometer.

When you look at our Lifetime Service Plan,^{^^} the benefits speak for themselves. Regular servicing (at a set price) by factory-trained Hyundai Technicians will help keep your Hyundai in peak condition, giving you peace of mind today, and into the future.

Since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception. Or as we like to say, amazing as standard. That includes a Sat Nav update plan for up to 5 years*, and 24/7 Roadside Support[†] for up to ten years when you service with us.

iCare

[^]5 year/unlimited Km warranty: Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for “commercial application” as defined in the vehicle warranty policy, for which a 5 year/130,000km (whichever occurs first) warranty applies. Refer to full warranty terms & conditions, for details and exclusions. ^{^^}Lifetime Service Plan: For the benefit of Hyundai owners, Hyundai provides online quotes, which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at www.hyundai.com/au/en, apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai's, for their lifetime. ^{*}Sat Nav Update Plan: Only applies to new vehicles with factory fitted satellite navigation. Updates are delivered annually and are complimentary if the vehicle completes a scheduled service at a participating Hyundai dealer. Updates must be undertaken within 5 years of the vehicle's initial purchase, maximum number of 4 updates. [†]Roadside Support Plan: Complimentary 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date).

Tucson.

Big help, for little Aussies.

Every time a new car is sold at one of our Dealerships, both Hyundai and the Dealer will donate part of the sale price to Hyundai Help for Kids™.

Hyundai Help for Kids™ offers funding to child-focused organisations and charities working to improve the lives of children all over Australia - from supporting community initiatives, to providing much-needed medical equipment.

So when you buy a Hyundai, you're buying more than just a car. Together with Hyundai Help for Kids™, you're empowering thousands of young Australians and giving them a better future.

* Hyundai Help for Kids™ is a registered trade mark of Hyundai Motor Company.

Tucson.

Australia, in our DNA.

We're one of the biggest car manufacturers in the world – and one of the fastest growing global car brands.

We're also the only car company in the world producing its own steel, because we know the best steel makes for the strongest cars.

That's why we source the majority of our high quality iron ore from right here, in Australia's backyard. So now, when you buy a new Hyundai, you know you're driving a car that's directly connected to home.
