

Veloster.

Live loud.

We have one goal – to be Australia's most-loved car company.

We're driven by the simple philosophy that life's most incredible moments shouldn't be reserved for a select few. Everyone is entitled to experience an amazing drive.

So how do we make that happen? We start by pushing our own boundaries, by making premium standard, and by engineering the most enjoyable ride possible.

The Veloster is Hyundai at its creative, imaginative best; a car for those who like to stand out from the crowd. With its unique sports coupe design, it makes a bold statement and turns heads wherever you go, while never sacrificing substance for style.

While you're living loud on the outside, the Veloster's stylish interior is your personal space on the move, fitted with an array of new technology and connected features.

You'll also feel connected to the road, thanks to the extensive local suspension development program we've carried out, to perfect the Veloster's ride and handling for Australian conditions.

All of which ensures the new Hyundai Veloster is every bit as exciting to drive as it looks.

Veloster.

Style. Driven.

Beauty shouldn't be sacrificed for practicality. Just because you own a sporty coupe, with the sharp lines and daring desirability that the Veloster exudes, doesn't mean you need to miss out on the practicality and versatility of a conventional hatchback.

What Hyundai has done is combine both, giving you the best of both worlds. The Veloster looks like a two-door sports car, with its cascading grille and sleek lines, making it seem ready to pounce. Yet its unique, asymmetrical design gives you all the advantages of a hatch, and the ability to keep your rear passengers happy, thanks to the hidden third door - placed on the passenger side for safe and easy entry to those back seats. Even the handle for this secret third door is hidden away in yet another magic touch, as it's built into the frame of the door, thus keeping the car's neat, streamlined look perfectly intact.

Speaking of its looks, the Veloster combines futuristic technologies with style thanks to the use of its eye-catching LED headlights¹ and more LEDs in the rear combination lights¹. Even at night, you'll be making a splash, visually.

Form and function, beauty and practicality, all in one car - this is what makes the Veloster both the logical and emotional choice.

¹. Available on Turbo and Turbo Premium variants.

Live in the fast lane.

Some people see cars as machines of convenience and necessity. Veloster owners, however, know they can be something so much more.

The Veloster is far more than just a motor vehicle. It's about reminding its owner how much fun driving can be, making them feel connected to the road, and exhilarated by the experience.

The Veloster puts the fun into driving in every way possible, from its talkative steering to its composed and communicative multi-link suspension.

Its new and improved aerodynamic profile provides even better high-speed stability, while the seven-speed dual-clutch transmission¹ makes every gear shift an eye-blink of seamless acceleration.

You've also got plenty of grip on the ground, thanks to Veloster's standard 18-inch alloy wheels, and you'll constantly be enjoying the triumphant sound track from the centrally positioned, twin-tip muffler, one of the car's iconic hallmarks.

The beating heart of any sports car, of course, is its engine, and regardless of whether you choose the 2.0-litre Atkinson, with its 110kW and 180Nm, or the astonishingly capable and economical 1.6 T-GDI turbocharged engine (150kW and 265Nm), you are in for the ride of your life.

To drive the new Hyundai Veloster is to know that cars this fun from behind the wheel are so much more than mere transport. They are, quite simply, fun on wheels.

1.6 Turbo GDI

150 Maximum power kW/6,000 rpm

265 Maximum torque Nm/1,500 - 4,500 rpm

Up to 275 Nm when the overboost function is activated

2.0 Atkinson MPi

110 Maximum power kW/6,200 rpm

180 Maximum torque Nm/4,500 rpm

6-Speed manual transmission

Twin-tip exhaust¹

18" alloy wheel (Turbo Premium wheel shown)

1. Available on Turbo and Turbo Premium variants.

Veloster.

The Veloster sees where you can't.

The body of a vehicle is its most important safety feature, which is why the Veloster is built using ultra-high tensile strength steel - designed to be stronger, stiffer and lighter than conventional steel - as well as lightweight aluminium.

But while protection in the case of an accident is one very important thing, just as vital is the ability to avoid accidents altogether. Which is why Hyundai's SmartSense™¹ suite of safety features uses sensors, cameras and radar technology to monitor the road around you for potential dangers.

It includes Blind-Spot Collision Warning (BCW)², Driver Attention Warning (DAW), Forward Collision-Avoidance Assist (FCA)³, Lane Keeping Assist (LKA), Rear Cross-Traffic Collision Warning (RCCW)², and Smart Cruise Control (SCC).⁴

Rear Cross-Traffic Collision Warning (RCCW)²
This system can see in places you can't, sounding an alert if, as you're reversing out of a parking spot, your Veloster senses a car approaching in either direction.

Forward Collision-Avoidance Assist (FCA)³
Utilises camera and/or sensors on the car to detect vehicles ahead of you, and autonomously activates the brakes if you don't react in time. Additionally, potential collisions with pedestrians ahead of the car can be mitigated by FCA on Turbo and Turbo Premium variants with DCT.³

Lane Keeping Assist (LKA)
The Veloster uses sophisticated forward-facing camera to read the road markings, and won't just warn you if you begin to drift out of your lane, but will even take control of the steering wheel to gently pull you back into the centre of your lane.

Blind-Spot Collision Warning (BCW)²
A wing-mirror indicator alerts you to vehicles or cyclists hidden in your blind spot, and even those approaching too fast.

1. Hyundai SmartSense™ is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving.
2. Available on Turbo and Turbo Premium variants.
3. FCA City/Urban (Camera-assisted) - available on Veloster, Turbo & Turbo Premium variants with Manual. FCA City/Urban/Interurban/Pedestrian (Radar and camera-assisted) - available on Turbo & Turbo Premium variants with DCT. Not designed to operate above certain speeds.
4. Available on Turbo and Turbo Premium variants with DCT.

Home away from home.

With our cars increasingly becoming our “third place”, after work and home, we all want a space in which we can feel comfortable, cosseted and surrounded by easy convenience.

The new Veloster has you covered on all counts, with an interior that’s both light and spacious, and that ensures this sporty-looking coupe looks as good on the inside as it does on the outside.

Enjoying your drive all starts with how you’re sitting, and the Veloster offers leather-appointed¹ sport bucket seats, with stylish blue and red accents.

The Veloster’s interior feels focused on fun, and that means it’s all about the driver. The cluster of race-style gauges add a sophisticated and sporty look, while the LCD Digital Performance Gauge² provides displays of your turbo boost, torque levels and even the g-forces you’re achieving through corners.

In terms of convenience, the Veloster’s asymmetrical design, with that hidden third door on the passenger side, is a winning feature, but you’ll also find a useful centre console that’s perfectly placed for easy access.

The Veloster’s interior, then, is that home away from home you’re looking for, but it’s also a home filled with plenty of serious, sporting intent.

¹ Cloth and leather-appointed seats available on Turbo variant. Leather-appointed seats available on Turbo Premium variant. **Leather appointed** means parts of the interior have a combination of genuine and artificial leather, but are not wholly leather.

² Available on Turbo and Turbo Premium variants.

At your fingertips.

Designed to keep you connected both to the car, and to your life outside it, the Veloster's interior has been crafted to ensure you really can be in two places at once.

Plugging your phone in to charge is now a thing of the past, thanks to the Veloster's wireless smartphone charging¹ pad, which is conveniently located in the centre console.

And because every Veloster arrives with Apple CarPlay™² and Android™ Auto² as standard, your phone's major applications, including Spotify, maps and messaging, are now displayed on your car's intuitive touchscreen. Just as convenient, all the important driving information - like your current speed or navigation instructions - are beamed onto a Head-Up Display (HUD)⁴ in front of the driver.

And while the lure of a dynamic drive is enough inspiration to grab hold of the Veloster's leather-wrapped, sports steering wheel, the added luxury of heating³ for the those cold winter mornings, as well as heated and ventilated front seats⁴, will ensure you never want to let it go.

The technology in the Veloster isn't designed to separate you from the drive experience, but rather enhance it, connecting human with machine in a seamless and intuitive way.

Portable cooler (12 volt, 15 litre) only suitable for use with retractable seatbelt.

Car finance that puts the choices in your hands.

Hyundai CarPlan™ has been developed by Hyundai Finance™ to give you flexibility. That includes whether you pay a deposit or not, how long the finance contract runs for (36 or 48 months), and what happens at the end of your finance contract. At the end of your finance contract, you can choose to pay any amounts owing on the contract to keep your Hyundai, return your vehicle to us and use the Guaranteed Future Value¹ to meet any amount owing under the finance contract, or trade it in at your preferred Hyundai dealer and continue your journey with us.

It's a smart and flexible way to have the vehicle that's perfect for you, even as your lifestyle changes. Life's full of surprises and while you won't always know what's around the next corner, with Hyundai CarPlan™ you'll always have the right car for the journey there. Keep it, return it, or trade it in.

The choice is yours.

How does Hyundai CarPlan™ work?

First, you choose the car you want².

Then, choose the deposit you wish to pay, the length of the loan term and the kilometres you will travel each year³.

Next, decide what you want to do with the vehicle at the end of the finance period⁴.

The choices are up to you.

So what do I actually have to do?

- Arrive at the dealership with your 100 points of ID
- Choose the Hyundai model you want
- Choose the contract term - 36 or 48 months
- Choose how many kilometres you're intending to travel each year up to a maximum of 25,000km - the amount you travel affects the value of your vehicle at the end of the term. You can choose 10,000, 15,000, 20,000 or 25,000km per year
- Choose if you want to pay a deposit or not
- Your dealer will let you know what your regular repayments will be and what the Guaranteed Future Value will be⁵. That's the future trade-in value, based on the length of the loan and the kilometres you will drive. The value is subject to Fair Wear and Tear conditions and agreed kilometres not being exceeded¹
- When you get to the end of the loan term, you choose what happens next

When your contract ends.

We know that everyone's lifestyle and situation is different, so we give you three different options to choose from when your contract comes to an end: pay off the balance of your loan contract and keep your Hyundai, trade it in or return it to us and use the Guaranteed Future Value¹.

It all depends where you are at that point in your life. Sport, kids, dogs, weekends away, work. Choose what's right for you and your life. Go bigger, go smaller, stay the same.

Get the Hyundai that's right for you.

Trade

Trade in your Hyundai at your preferred Hyundai dealer giving you the chance to step into the latest Hyundai model and continue your journey with us.

Retain

Keep your Hyundai by paying any amounts owing on your finance contract or apply through Hyundai Finance™ to refinance the amount owing².

Return

Return your Hyundai to us knowing that the Guaranteed Future Value will be sufficient to repay the amount owing under your finance contract¹.

Hyundai Finance™ and Hyundai CarPlan™ are registered trademarks of Hyundai Motor Company used under sublicense by St.George Bank - A Division of Westpac Banking Corporation ABN 33 007 457 141 Australian credit licence 233714. Hyundai Finance is the registered business name of Hyundai Motor Company Australia Pty Ltd ABN 58 008 995 588.

1. The Guaranteed Future Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Future Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Future Value will be reduced and you'll be required to pay the difference. Subject to the Guaranteed Future Value Terms and Conditions (available upon request). 2. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. Please verify with your dealership which vehicles are eligible for the programme. 3. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information in this brochure, please seek independent tax advice. Full terms and conditions are available upon application. 4. Subject to the Guaranteed Future Value Terms and Conditions. Available only to approved applicants of Hyundai Finance™. Subject to credit assessment and for consumer applications, responsible lending criteria. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Hyundai dealers. 5. Your total interest charged may be higher if you choose the Guaranteed Future Value feature for your loan, compared to a loan without the feature.

How is Hyundai CarPlan™ different from a typical finance contract?

Greater confidence

Hyundai CarPlan™ will ensure the amount you receive when you return your Hyundai is enough to pay the amount owing at the end of your contract term, even if the value of the car is less than the amount owing¹.

A personally tailored solution

You choose the term for your finance contract, the deposit you would like to pay (if any) and the kilometres you intend to travel².

Greater flexibility

At the end of the finance contract term, you'll have the choice to keep your Hyundai, trade it in or return it to us.

More options

You have the option to include things like Pre-Paid Service Plan³, and accessory costs as part of your finance contract⁴.

Maintaining your vehicle.

To ensure you enjoy the full benefits of the Hyundai CarPlan™ your Hyundai must be in an acceptable condition when you return or trade-in your Hyundai⁴ and must not exceed the kilometre limit you have selected. Of course, we also understand that some reasonable wear and tear is to be expected, but the condition of your vehicle needs to remain within the provisions of your Hyundai CarPlan™ contract and Fair Wear & Tear Guidelines.

Where the vehicle is not in acceptable condition or where you have exceeded your kilometre limit, the Guaranteed Future Value of your vehicle will be reduced.

Is Hyundai CarPlan™ right for you?

Hyundai CarPlan™ is just one of many options available from Hyundai Finance™, so there may be another product that suits your individual needs better. Have a chat to your participating Hyundai Dealer about what's right for you.

Hyundai Finance™ and Hyundai CarPlan™ are registered trademarks of Hyundai Motor Company used under sublicence by St.George Bank – A Division of Westpac Banking Corporation ABN 33 007 457 141 Australian credit licence 233714. Hyundai Finance is the registered business name of Hyundai Motor Company Australia Pty Ltd ABN 58 008 995 588.

1. The Guaranteed Future Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Future Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Future Value will be reduced and you'll be required to pay the difference. 2. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information in this brochure, please seek independent tax advice. Full terms and conditions are available upon application. Available only to approved applicants of Hyundai Finance™. Subject to credit assessment and for consumer applications, responsible lending criteria. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Hyundai dealers. 3. Pre-paid Service Plan: for scheduled maintenance services only which are of limited scope. Pre-paid service plan may be purchased at the time of vehicle purchase or at any time up to and including the first scheduled service. Terms, conditions and exclusions apply. Visit www.hyundai.com/au/en/pre-paid. 4. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. Please verify with your dealership which vehicles are eligible for the programme.

Veloster.

Relax, we'll take it from here.

We built iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra”.

Our five-year, unlimited-kilometre warranty¹ means you've got the freedom to go ahead and drive without having to keep an eye on the odometer.

Imagine knowing the maximum price of your next scheduled service, before pulling into the service centre. That's the advantage of our Lifetime Service Plan² – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees and surprises.

And since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception – or as we like to say, amazing as standard. And that includes 24/7 Roadside Support³ for 10 years when you service with us.

iCare

1. **5 year/unlimited km warranty:** Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for “commercial application” as defined in the vehicle warranty policy, for which a 5 year/130,000km (whichever occurs first) warranty applies. Refer to full warranty terms & conditions for details and exclusions. 2. **Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at hyundai.com/au/en, apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai's, for their lifetime. 3. **Roadside Support Plan:** Receive 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date).

Veloster.

Big help, for little Aussies.

Every time a new car is sold at one of our dealerships, both Hyundai and the dealer will donate part of the sale price to Hyundai Help for Kids.™

Hyundai Help for Kids™ offers funding to child-focused organisations and charities working to improve the lives of children all over Australia – from supporting community initiatives, to providing much-needed medical equipment.

So when you buy a Hyundai, you're buying more than just a car. Together with Hyundai Help for Kids,™ you're empowering thousands of young Australians and giving them a better future.

Hyundai Help for Kids™ is a registered trademark of Hyundai Motor Company.

Veloster.

Australia, in our DNA.

We're one of the biggest car manufacturers in the world – and one of the fastest growing global car brands.

We're also the only car company in the world producing its own steel, because we know the best steel makes for the strongest cars.

That's why we source the majority of our high quality iron ore from right here, in Australia's backyard. So now, when you buy a new Hyundai, you know you're driving a car that's directly connected to home.
