

# Venue.

# Compact car. Big personality.

At Hyundai, we have one goal – to be Australia's most loved car company, ensuring that everyone can experience an exciting and enjoyable drive.

So, how do we make that happen? We start by pushing our own boundaries, by making premium the new standard, and by engineering the most enjoyable ride possible.

Introducing the Hyundai Venue. It's unlike anything you've ever seen before. A car built for the city, with the convenience, technology, and safety you need and want to stay confident in every situation, without sacrificing personality and style.

Fun and functional at the same time, it's the perfect car for those who work hard and play hard. Its bold design demands attention on crowded urban streets, while its compact size and renowned Hyundai engineering ensure you won't have any trouble navigating them. It fits in anywhere and stands out everywhere.

Venue.

# Eyes on you. Eyes on the road.

At Hyundai, we're committed to building safety into every model, and the Venue is no exception. It doesn't just look the part. It is the part.

Whether on your way to work or on your way home from a night on the town, the Hyundai Venue helps keep you protected with Hyundai SmartSense™<sup>1</sup> safety technologies alerting you to avoid any potential dangers around you.

Forward Collision-Avoidance Assist (FCA) - City/Urban/Interurban/Pedestrian (camera type) is there to sound a warning and apply emergency braking should a car in front of you come to a screeching halt or the Venue senses the movement of pedestrians in front of the car.

Rear view camera

6 airbags

Blind-Spot Collision Warning (BCW)<sup>2</sup> alerts you to vehicles in your blindspots that you might have missed, and Lane Keeping Assist (LKA) makes sure you stay on track by warning you and providing steering intervention if it senses you leaving your lane.

It's easy to get into tight city parking spots with the Venue's rear-view camera giving you a good look at what lies behind, and Parking Distance Warning - Reverse (PDW-R)<sup>3</sup> system to let you know when objects are close behind.

Reversing out of parking spots safely is just as easy thanks to its Rear Cross-Traffic Collision Warning (RCCW)<sup>2</sup> which keeps an eye out for any vehicles approaching from either side that might pass behind you.

In poor weather, increase your visibility thanks to High Beam Assist (HBA) which turns your high beams on, and off to avoid dazzling other vehicles on the road. Then after a long day (or night), Driver Attention Warning (DAW) monitors your driving pattern and alerts you to consider taking a break in case of fatigue.

From morning till night the Hyundai Venue's host of safety features keeps you confident that no matter what the city throws at you, you're in safe hands and Hyundai SmartSense™<sup>1</sup> is here to assist you.

**Blind-Spot Collision Warning (BCW)<sup>2</sup>**  
When driving at a speed of 30km/h or higher, the BCW function will alert the driver to vehicles that enter or are in the blind spot, to help avoid potential collisions during lane changes.

**Forward Collision-Avoidance Assist (FCA) - City/Urban/Interurban/Pesestrian (camera type)**  
Using camera data, the FCA system autonomously activates the brakes when it detects dangerous and sudden braking by the car ahead, or movement of pedestrians on the road.

**Rear Cross-Traffic Collision Warning<sup>2</sup>**  
RCCW monitors for traffic approaching on either side of the Venue when reversing out of perpendicular parking spaces. Should RCCW detect a vehicle approaching, an audible warning will sound, with a visual warning displayed on the dash cluster.

**Lane Keeping Assist (LKA)**  
LKA provides steering intervention to assist the Venue to stay between lane markings. When the Venue strays from the intended lane without indicators being activated, the LKA system will send out an audible sound and a visual warning within the cluster.

1. Hyundai SmartSense™ is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving. Not all safety features are available across all variants.  
2. Available on the Elite variant.  
3. Available on the Active & Elite variants.

# Stand out in style.

To survive in the city, it's not just what's inside that counts. You need to look the part too. It takes more than metal, it takes style. And the Hyundai Venue has plenty of it.

At 4,040 mm long, 1,770 mm wide, and 1,592 mm high, its body shape gives it big car presence in a small car package. With a unique front design featuring cube shaped Daytime Running Lights (DRL), a striking grille that demands attention, and an array of vivid exterior colours, the Hyundai Venue has a style all of its own.

And, with a vast range of exterior colours and a stylish two tone roof<sup>1</sup> in a variety of shades, you can make your mark on the city with a vehicle styled by you.

During work or play, the Hyundai Venue's striking design, bold build, and quality finishes are sure to draw attention.

**Top:** Cascading front grille<sup>2</sup>

**Bottom:** Stacked lights including Daytime Running Lights (DRL)<sup>2</sup>

**Top:** LED rear combination lights<sup>1</sup>

**Bottom:** Alloy wheels<sup>2</sup>

<sup>1</sup>. Available on the Elite variant.

Venue.

# Design that continues on the inside.

The Hyundai Venue's striking design isn't just something you see, it's something you experience. The Venue's interior features and quality finishes will make your drive that extra bit more comfortable.

The inviting interior has a choice of material including black cloth for Go & Active variants, and black, grey or denim coloured cloth combined with a premium finish trim<sup>1</sup> for the seats in the Elite variants.

The Venue also features painted interior inserts around the air vents & gear surround. Depending on the variant & interior trim, they are available in either silver, metallic white or dark metal with lime coloured accents<sup>2</sup>. Making a statement and standing out both inside and out is a feeling unlike any other when in the Hyundai Venue.

Its interior space also offers a commanding perspective with an abundance of height providing an elevated driving position to give you greater visibility and confidence on the road. With 60/40 rear split folding seats you'll be able to make the most of the space, increasing your boot space when you've got more to move.

The Hyundai Venue's interior makes city driving something to look forward to.

2. Silver coloured inserts available in Go, Active, and Elite variants with Denim interior. Metallic white inserts available in Elite variant with black interior. Dark metal inserts with lime accents available in Elite variant with grey interior.  
3. Available on the Elite variant.

# Connect to the road, and your world.

The city life is a busy life. To make the most of every moment you need a car that doesn't just connect you to the road, but also to the people around you. And that's just what the Hyundai Venue was designed to do.

The Venue is equipped with Bluetooth® connectivity as well as a USB port so you can always keep your phone fully charged. With Apple CarPlay™<sup>1</sup> and Android Auto<sup>2</sup> compatibility, it allows you to make calls, listen to your favourite music, or follow directions while you're moving about town, all accessible through the 8-inch touchscreen.

A 3.5-inch instrument cluster features a trip computer and digital speedometer while the Hyundai Venue's inbuilt satellite navigation<sup>3</sup> with SUNA™ Live Traffic Updates, will guide you to your next destination. Steering mounted audio and phone controls give you the ability to control your music and your drive, with minimal movement.

Thanks to an abundance of tech, the Hyundai Venue isn't just cool, it's connected.

1. Apple CarPlay™ functionality requires software update. Apple CarPlay™ requires iPhone® 5 or subsequent model (lightning cable) in order to operate. Apple® and iPhone® are registered trademarks of Apple Inc.

2. Android™ Auto: Requires a device with Android 5.0 operating system or subsequent version, and USB cable in order to operate. Android is a trademark of Google Inc.

3. Available on Elite variant.

4. Elite variant shown. Additional USB port only available in the Elite variant.

# Built for the city.

With performance to match its looks, the Hyundai Venue is another example of Hyundai's renowned engineering.

With three interchangeable drive modes<sup>1</sup> - Normal, Eco and Sport, it ensures the Venue is performing perfectly whether it be on your daily commute to work, on a weekend road trip or when you want some more power. And, with Hyundai's 1.6L four-cylinder engine generating 90kW of power and 151Nm of torque, the Hyundai Venue has all you need to take on the city.

The Hyundai Venue gives you a choice of either a 6-speed manual (excluding Elite variant) or 6-speed automatic. And like all Hyundai vehicles, the Venue has been through an extensive local tuning program, ensuring it's tested and optimised for Australian roads, delivering a confident and comfortable ride whilst still being fun, zippy & full of personality.

Drive Mode - Normal, Eco & Sport<sup>1</sup>  
Traction Mode - Snow, Mud & Sand<sup>1</sup>

<sup>1</sup>. Drive Mode & Traction Mode is only available in automatic transmissions.

The Venue features Traction Mode<sup>1</sup> which allows you to maintain optimal driving performance in road conditions such as snow, mud or sand. Turn the dial to the left or right, and adjust the settings according to your road conditions.

**Snow:** Focuses on stability by reducing wheel spin.

**Mud:** Ensures optimal wheel spin to maximise traction and acceleration.

**Sand:** Delivers the necessary torque to maintain essential forward momentum.

To make the most of your everyday journey, activate Drive Mode<sup>1</sup> and choose between 3 settings - Normal, Eco & Sport.

**Normal:** The default driving mode and provides a good balance of fuel efficiency and performance.

**Eco:** Optimises fuel economy by smoothing out throttle inputs and performing early automatic transmission upshifts.

**Sport:** Increases throttle response, and delays automatic transmission upshifts to maximise performance and acceleration.

To confidently take on the town, you need a car that can handle whatever the city throws at you, the Hyundai Venue.

Not suitable to sunroof variants. 9. Requires fitment of roof racks at additional cost.

# Car finance that puts the choices in your hands.

Hyundai CarPlan™ has been developed by Hyundai Finance™ to give you flexibility. That includes whether you pay a deposit or not, how long the finance contract runs for (36 or 48 months), and what happens at the end of your finance contract. At the end of your finance contract, you can choose to pay any amounts owing on the contract to keep your Hyundai, return your vehicle to us and use the Guaranteed Future Value<sup>1</sup> to meet any amount owing under the finance contract, or trade it in at your preferred Hyundai dealer and continue your journey with us.

It's a smart and flexible way to have the vehicle that's perfect for you, even as your lifestyle changes. Life's full of surprises and while you won't always know what's around the next corner, with Hyundai CarPlan™ you'll always have the right car for the journey there. Keep it, return it, or trade it in.

The choice is yours.

## How does Hyundai CarPlan™ work?

First, you choose the car you want<sup>2</sup>.

Then, choose the deposit you wish to pay, the length of the loan term and the kilometres you will travel each year<sup>3</sup>.

Next, decide what you want to do with the vehicle at the end of the finance period<sup>4</sup>.

### The choices are up to you.

## So what do I actually have to do?

- Arrive at the dealership with your 100 points of ID
- Choose the Hyundai model you want
- Choose the contract term - 36 or 48 months
- Choose how many kilometres you're intending to travel each year up to a maximum of 25,000km - the amount you travel affects the value of your vehicle at the end of the term. You can choose 10,000, 15,000, 20,000 or 25,000km per year
- Choose if you want to pay a deposit or not
- Your dealer will let you know what your regular repayments will be and what the Guaranteed Future Value will be<sup>5</sup>. That's the future trade-in value, based on the length of the loan and the kilometres you will drive. The value is subject to Fair Wear and Tear conditions and agreed kilometres not being exceeded<sup>1</sup>
- When you get to the end of the loan term, you choose what happens next

## When your contract ends.

We know that everyone's lifestyle and situation is different, so we give you three different options to choose from when your contract comes to an end: pay off the balance of your loan contract and keep your Hyundai, trade it in or return it to us and use the Guaranteed Future Value<sup>1</sup>.

It all depends where you are at that point in your life. Sport, kids, dogs, weekends away, work. Choose what's right for you and your life. Go bigger, go smaller, stay the same.

Get the Hyundai that's right for you.

### Trade

Trade in your Hyundai at your preferred Hyundai dealer giving you the chance to step into the latest Hyundai model and continue your journey with us.

### Retain

Keep your Hyundai by paying any amounts owing on your finance contract or apply through Hyundai Finance™ to refinance the amount owing<sup>2</sup>.

### Return

Return your Hyundai to us knowing that the Guaranteed Future Value will be sufficient to repay the amount owing under your finance contract<sup>1</sup>.

Hyundai Finance™ and Hyundai CarPlan™ are registered trademarks of Hyundai Motor Company used under sublicence by St.George Bank - A Division of Westpac Banking Corporation ABN 33 007 457 141 Australian credit licence 233714. Hyundai Finance is the registered business name of Hyundai Motor Company Australia Pty Ltd ABN 58 008 995 588.

1. The Guaranteed Future Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Future Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Future Value will be reduced and you'll be required to pay the difference. Subject to the Guaranteed Future Value Terms and Conditions (available upon request). 2. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. The petrol variants of the Santa Fe are awaiting confirmation. Please verify with your dealership which vehicles are eligible for the programme. 3. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information in this brochure, please seek independent tax advice. Full terms and conditions are available upon application. 4. Subject to the Guaranteed Future Value Terms and Conditions. Available only to approved applicants of Hyundai Finance™. Subject to credit assessment and for consumer applications, responsible lending criteria. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Hyundai dealers. 5. Your total interest charged may be higher if you choose the Guaranteed Future Value feature for your loan, compared to a loan without the feature.

# How is Hyundai CarPlan™ different from a typical finance contract?

## Greater confidence

Hyundai CarPlan™ will ensure the amount you receive when you return your Hyundai is enough to pay the amount owing at the end of your contract term, even if the value of the car is less than the amount owing<sup>1</sup>.

## A personally tailored solution

You choose the term for your finance contract, the deposit you would like to pay (if any) and the kilometres you intend to travel<sup>2</sup>.

## Greater flexibility

At the end of the finance contract term, you'll have the choice to keep your Hyundai, trade it in or return it to us.

## More options

You have the option to include things like Pre-Paid Service Plan<sup>3</sup>, and accessory costs as part of your finance contract<sup>4</sup>.

# Maintaining your vehicle.

To ensure you enjoy the full benefits of the Hyundai CarPlan™ your Hyundai must be in an acceptable condition when you return or trade-in your Hyundai<sup>4</sup> and must not exceed the kilometre limit you have selected. Of course, we also understand that some reasonable wear and tear is to be expected, but the condition of your vehicle needs to remain within the provisions of your Hyundai CarPlan™ contract and Fair Wear & Tear Guidelines.

Where the vehicle is not in acceptable condition or where you have exceeded your kilometre limit, the Guaranteed Future Value of your vehicle will be reduced.

# Is Hyundai CarPlan™ right for you?

Hyundai CarPlan™ is just one of many options available from Hyundai Finance™, so there may be another product that suits your individual needs better. Have a chat to your participating Hyundai Dealer about what's right for you.

Hyundai Finance™ and Hyundai CarPlan™ are registered trademarks of Hyundai Motor Company used under sublicence by St.George Bank – A Division of Westpac Banking Corporation ABN 33 007 457 141 Australian credit licence 233714. Hyundai Finance is the registered business name of Hyundai Motor Company Australia Pty Ltd ABN 58 008 995 588.

1. The Guaranteed Future Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Future Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Future Value will be reduced and you'll be required to pay the difference. 2. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information in this brochure, please seek independent tax advice. Full terms and conditions are available upon application. Available only to approved applicants of Hyundai Finance™. Subject to credit assessment and for consumer applications, responsible lending criteria. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Hyundai dealers. 3. Pre-paid Service Plan: for scheduled maintenance services only which are of limited scope. Pre-paid service plan may be purchased at the time of vehicle purchase or at any time up to and including the first scheduled service. Terms, conditions and exclusions apply. Visit [www.hyundai.com/au/en/pre-paid](http://www.hyundai.com/au/en/pre-paid). 4. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. The petrol variants of the Santa Fe are awaiting confirmation. Please verify with your dealership which vehicles are eligible for the programme.

# Relax, we'll take it from here.

There's a reason why our iCare program is so highly regarded. We built Hyundai iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra”.

Our five-year, unlimited kilometre warranty<sup>1</sup> means you've got the freedom to go ahead and drive without having to keep an eye on the odometer. Imagine knowing the maximum price of your next scheduled service, before pulling into the service centre. That's the advantage of our Lifetime Service Plan<sup>2</sup> – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees and surprises.

Since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception, including our 24/7 Roadside Support Plan<sup>3</sup> for up to ten years when you service with this.

iCare

1. **5 year/unlimited Km warranty:** Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for “commercial application” as defined in the vehicle warranty policy, for which a 5 year/130,000km (whichever occurs first) warranty applies. Refer to full warranty terms & conditions, for details and exclusions. 2. **Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes, which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at [www.hyundai.com/au/en](http://www.hyundai.com/au/en), apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai's, for their lifetime. 3. **Roadside Support Plan:** 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date).

Venue.

# Big help, for little Aussies.

Every time a new car is sold at one of our Dealerships, both Hyundai and the Dealer will donate part of the sale price to Hyundai Help for Kids™\*

Hyundai Help for Kids™\* offers funding to child-focused organisations and charities working to improve the lives of children all over Australia – from supporting community initiatives, to providing much-needed medical equipment.

So when you buy a Hyundai, you're buying more than just a car. Together with Hyundai Help for Kids™\* you're empowering thousands of young Australians and giving them a better future.

\*Hyundai Help for Kids™ is a registered trademark of Hyundai Motor Company.

**Venue.**

# Australia, in our DNA.

We're one of the biggest car manufacturers in the world – and one of the fastest growing global car brands.

We're also the only car company in the world producing its own steel, because we know the best steel makes for the strongest cars.

That's why we source the majority of our high quality iron ore from right here, in Australia's backyard. So now, when you buy a new Hyundai, you know you're driving a car that's directly connected to home.

Venue.

Hyundai Venue		
Engine	1.6 MPI	
Configuration	Transverse front mounted driving front wheels	
Cylinder capacity	1.6 litres (1,591 cc)	
Number of cylinders	4 in-line	
Valve system	16 Valve, Double Overhead Cam (DOHC), Dual Continuously Variable Valve Timing (D-CVVT)	
Intake System	2-step variable induction system	
Maximum power	90 kW @ 6,300 RPM	
Maximum torque	151 Nm @ 4,850 RPM	
Fuel system	MPI (Multi Point Injection)	
Fuel type	91 RON (ULP), E10 compatible	
Emissions standard	Euro 5	
Bore x stroke	77.0 mm x 85.4 mm	
Compression ratio	10.5:1	
Transmission	1.6 MPI	
Manual	6 speed manual	
Automatic	6 speed automatic
