

i30.

Exceptional standards.

We have one goal – to be Australia’s most-loved car company.

And to get there, we’re driven by a simple philosophy that life’s most incredible moments shouldn’t be reserved for a select few, and everyone should be able to experience an exciting and enjoyable drive.

So, how do we make that happen? We start by pushing our own boundaries, by making premium the new standard. And by engineering the most enjoyable ride possible.

Take the i30, one of Australia’s most awarded small cars¹. Most companies would have sat back, put the awards on the mantelpiece and called that success. But we saw this as an opportunity to make this car even better. We reinvented it, delivering a stronger, stylish, more intelligent car.

You can be sure we’ve put it through its paces. With an extensive local development program, the i30 is perfectly suited to Australian conditions. Whether it’s the value packed Go and Active, luxury focused Elite and Premium, or the sporty N Line - we make sure there is an i30 for everyone.

1. Australia’s most awarded small car: Best Small Car under \$35,000 in 2015, 2013, 2012 and 2010. Best Mid-Sized Car under \$30,000 in 2009. Best Mid-Sized Car under \$28,000 in 2008.

Safety first, and always.

We take safety very seriously, which is why we don't settle for anything less than 7 airbags and a 5-star ANCAP rating (i30 N has not been ANCAP tested).

The i30 has also been fitted with some of the most advanced safety features available, and the 53% ultra-high tensile steel chassis is a revelation. It uses much more ultra-high tensile steel than the previous model, boosting torsional rigidity by 18%, making it the strongest i30 ever.

The i30 range also offers a suite of intelligent safety technologies – Hyundai SmartSense™¹

Hyundai SmartSense™¹ technologies all have one thing in common – they've been developed to help alert you to (and avoid) any dangers around you.

From braking or reducing speed to maintain a safe distance from vehicles ahead, to helping you stay aware of what's happening in your blind spots, Hyundai SmartSense™¹ provides peace of mind for you, and for us.

7 airbags

1. Hyundai SmartSense™ is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving. Optional on Go and Active variants (Auto & DCT transmissions only) at an additional cost. Forward Collision-Avoidance Assist (FCA), Driver Attention Warning (DAW), Blind-Spot Collision Warning (BCW), Lane Keeping System - Line (LKA-L) and Smart Cruise Control with Stop & Go (SCC) not available on N Line manual variant. Blind-Spot Collision Warning (BCW) and Rear Cross-Traffic Collision Warning (RCCW) not available on N Line and N Line Premium variants.

Lane Keeping Assist - Line (LKA-L)

LKA-L provides steering intervention to assist the vehicle to stay within the lane. When the vehicle strays from the intended lane without indicators being activated, an audible and visual warning will be sounded.

Blind-Spot Collision Warning (BCW)

When driving at a speed of 30km/h or higher, the BCW function will alert the driver to other vehicles in the i30's blind spot, including during lane changes.

Forward Collision-Avoidance Assist (FCA)

Combining radar and camera data, the FCA system autonomously activates the brakes when it detects potential collisions with vehicles, cyclists, or pedestrians in front of the i30.

Smart Cruise Control (SCC) with Stop & Go

Detects the speed and distance of vehicles ahead of the i30, and automatically maintains a safe distance to the vehicle ahead, up to a pre-set speed.

Stunning to see. Thrilling to drive.

There's no denying it, the i30 looks good, thanks to its striking lines, headlights and cascading front grille.

But it's also a thrill to drive. Its performance is a testament to the work our designers and engineers put in every day in order to deliver a more enjoyable ride. And to put it simply, it's fun.

The i30 offers a choice of powerful engines, and three transmission options, 6-speed manual, 6-speed automatic or 7-speed dual clutch transmission.

We've taken Hyundai's commitment to research and development one step further too, rigorously testing and optimising the i30 for Australian roads, thanks to our extensive local tuning program.

By recruiting the finest engineers and designers, and investing billions of dollars each year, we've made a firm commitment to the future of motoring in Australia and overseas.

Beauty, on the inside.

The i30 is turning heads, in more ways than one.

When you see how far the i30 has come, you begin to realise how serious we are about offering comfort and premium in every inch of the car.

And you'll notice the difference the minute you get behind the wheel.

Take the full-length panoramic glass sunroof¹ for example. It gives you that extra look of luxury, connecting you with the outside from within.

Our multimedia system with Infinity™² premium audio and touchscreen technology has been designed specifically for the i30, while heated and ventilated front seats³, dual zone climate control⁴ and leather appointed⁵ interior completes the interior package, giving the i30 an impressive edge over its competitors.

Not available on Go and Active variants.

Forward thinking.

The i30 understands your desire to stay connected, which is why we have seamlessly integrated smartphones into the car.

Once your journey is under way, Apple CarPlay™¹ and Android™ Auto¹ lets you safely play music, make calls or get directions on the easy-to-use 8" touchscreen. Satellite navigation² also helps to keep you on road.

We've also integrated wireless smartphone charging³ to ensure you've got the power you need to stay connected, long after you get out of the car.

The i30 recognises your smart key⁴ when you approach, which means you don't need to fumble for your keys to get in. And once you're behind the wheel you still don't need to take your keys out, thanks to the push button start⁵.

i30 N Line. Don't go unnoticed.

The i30 SR had been unanimously well-received, being awarded 2017 Drive Car of The Year and 2018 Drive Car of the Year Best Small Car. Now we aim to take one step further with the i30 N Line range.

A perfect balance between the i30's class-leading comfort and technology and the i30 N's sporty design, it will be difficult to miss the distinctive front and rear bumpers of the i30 N Line models. Complete with the twin exhaust pipe, exclusive steering wheel¹ with paddle shifters², gear knob and red stitched sports seats, the N Line is a car that screams to be driven.

Our sport-tuned, independent multi-link rear suspension was developed specifically for Australian roads and delivers sporty and engaging vehicle dynamics, without compromising ride quality.

The N Line variants offer large front brakes with improved stopping power, helping you better prepare for corners, whilst the N Line's 150 kW turbo charged engine will dare you to put your foot down as you come out of the bend. The 18" alloy wheels and Michelin Pilot Sport 4 performance tyres create a dynamic stance and deliver fantastic road handling.

Car finance that puts the choices in your hands.

Hyundai CarPlan™ has been developed by Hyundai Finance™ to give you flexibility. That includes whether you pay a deposit or not, how long the finance contract runs for (36 or 48 months), and what happens at the end of your finance contract. At the end of your finance contract, you can choose to pay any amounts owing on the contract to keep your Hyundai, return your vehicle to us and use the Guaranteed Future Value¹ to meet any amount owing under the finance contract, or trade it in at your preferred Hyundai dealer and continue your journey with us.

It's a smart and flexible way to have the vehicle that's perfect for you, even as your lifestyle changes. Life's full of surprises and while you won't always know what's around the next corner, with Hyundai CarPlan™ you'll always have the right car for the journey there. Keep it, return it, or trade it in.

The choice is yours.

How does Hyundai CarPlan™ work?

First, you choose the car you want².

Then, choose the deposit you wish to pay, the length of the loan term and the kilometres you will travel each year³.

Next, decide what you want to do with the vehicle at the end of the finance period⁴.

The choices are up to you.

So what do I actually have to do?

- Arrive at the dealership with your 100 points of ID
- Choose the Hyundai model you want
- Choose the contract term - 36 or 48 months
- Choose how many kilometres you're intending to travel each year up to a maximum of 25,000km – the amount you travel affects the value of your vehicle at the end of the term. You can choose 10,000, 15,000, 20,000 or 25,000km per year
- Choose if you want to pay a deposit or not
- Your dealer will let you know what your regular repayments will be and what the Guaranteed Future Value will be⁵. That's the future trade-in value, based on the length of the loan and the kilometres you will drive. The value is subject to Fair Wear and Tear conditions and agreed kilometres not being exceeded¹
- When you get to the end of the loan term, you choose what happens next

Hyundai Finance is the registered business name of Hyundai Motor Company Australia Pty Ltd ABN 58 008 995 588.

1. The Guaranteed Future Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Future Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Future Value will be reduced and you'll be required to pay the difference. Subject to the Guaranteed Future Value Terms and Conditions (available upon request). 2. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. The petrol variants of the Santa Fe are awaiting confirmation. Please verify with your dealership which vehicles are eligible for the programme. 3. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information in this brochure, please seek independent tax advice. Full terms and conditions are available upon application. 4. Subject to the Guaranteed Future Value Terms and Conditions. Available only to approved applicants of Hyundai Finance™. Subject to credit assessment and for consumer applications, responsible lending criteria. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Hyundai dealers. 5. Your total interest charged may be higher if you choose the Guaranteed Future Value feature for your loan, compared to a loan without the feature.

When your contract ends.

We know that everyone's lifestyle and situation is different, so we give you three different options to choose from when your contract comes to an end: pay off the balance of your loan contract and keep your Hyundai, trade it in or return it to us and use the Guaranteed Future Value¹.

It all depends where you are at that point in your life. Sport, kids, dogs, weekends away, work. Choose what's right for you and your life. Go bigger, go smaller, stay the same.

Get the Hyundai that's right for you.

Trade

Trade in your Hyundai at your preferred Hyundai dealer giving you the chance to step into the latest Hyundai model and continue your journey with us.

Retain

Keep your Hyundai by paying any amounts owing on your finance contract or apply through Hyundai Finance™ to refinance the amount owing².

Return

Return your Hyundai to us knowing that the Guaranteed Future Value will be sufficient to repay the amount owing under your finance contract¹.

How is Hyundai CarPlan™ different from a typical finance contract?

Greater confidence

Hyundai CarPlan™ will ensure the amount you receive when you return your Hyundai is enough to pay the amount owing at the end of your contract term, even if the value of the car is less than the amount owing¹.

A personally tailored solution

You choose the term for your finance contract, the deposit you would like to pay (if any) and the kilometres you intend to travel².

Greater flexibility

At the end of the finance contract term, you'll have the choice to keep your Hyundai, trade it in or return it to us.

More options

You have the option to include things like Pre-Paid Service Plan³, and accessory costs as part of your finance contract⁴.

Maintaining your vehicle.

To ensure you enjoy the full benefits of the Hyundai CarPlan,™ your Hyundai must be in an acceptable condition when you return or trade-in your Hyundai⁴ and must not exceed the kilometre limit you have selected. Of course, we also understand that some reasonable wear and tear is to be expected, but the condition of your vehicle needs to remain within the provisions of your Hyundai CarPlan™ contract and Fair Wear & Tear Guidelines.

Where the vehicle is not in acceptable condition or where you have exceeded your kilometre limit, the Guaranteed Future Value of your vehicle will be reduced.

Is Hyundai CarPlan™ right for you?

Hyundai CarPlan™ is just one of many options available from Hyundai Finance,™ so there may be another product that suits your individual needs better. Have a chat to your participating Hyundai Dealer about what's right for you.

Relax, we'll take it from here.

We built iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra.”

Our five-year, unlimited kilometre warranty¹ means you've got the freedom to go ahead and drive without having to keep an eye on the odometer.

Imagine knowing the maximum price of your next scheduled service, before pulling into the service centre. That's the advantage of our Lifetime Service Plan² – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees and surprises.

Since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception – or as we like to say, amazing as standard. And that includes Sat Nav Update Plan for up to ten years³, and a 24/7 Roadside Support⁴ for ten years when you service with us.

iCare

1. 5 year/unlimited km warranty: Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for “commercial application” as defined in the vehicle warranty policy, for which a 5 year/130,000km (whichever occurs first) warranty applies. Refer to full warranty terms & conditions for details and exclusions. **2. Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at hyundai.com/au/en, apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai vehicles, for their lifetime. **3. Sat Nav Update Plan:** Maximum number of 9 updates delivered on an annual cycle which must be undertaken within 10 years of the vehicle's purchase. Included map updates apply only if the vehicle completes a scheduled service at a participating Hyundai dealer. **4. Roadside Support Plan:** Receive 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date).

Big help, for little Aussies.

Every time a new car is sold at one of our Dealerships, both Hyundai and the Dealer will donate part of the sale price to Hyundai Help for Kids™

Hyundai Help for Kids™ offers funding to child-focused organisations and charities working to improve the lives of children all over Australia – from supporting community initiatives, to providing much-needed medical equipment.

So when you buy a Hyundai, you're buying more than just a car. Together with Hyundai Help for Kids™ you're empowering thousands of young Australians and giving them a better future.

Hyundai Help for Kids™ is a registered trademark of Hyundai Motor Company.

Australia, in our DNA.

We're one of the biggest car manufacturers in the world – and one of the fastest growing global car brands.

We're also the only car company in the world producing its own steel, because we know the best steel makes for the strongest cars.

That's why we source the majority of our high quality iron ore from right here, in Australia's backyard. So now, when you buy a new Hyundai, you know you're driving a car that's directly connected to home.
