

iMax.

Your perfect eight seater.

We have one goal – to be Australia's most loved car company. To get there, we're driven by the simple philosophy that life's most incredible moments shouldn't be reserved for a select few, and everyone should be able to experience an exciting and enjoyable drive.

So, how do we make that happen? We start by pushing our own boundaries, by making premium the new standard, and by engineering the most enjoyable ride possible.

The Hyundai iMax is an impressive lifestyle solution that's designed to outperform – whether it's ferrying the kids home or shuttling guests to the hotel or airport.

With its luxuriously spacious and well-equipped interior, the iMax seats eight people comfortably (including the driver) plus features a rear compartment for everyone's luggage and gear. Easy.

Safety first.

Protecting passengers is paramount, and we take our commitment to your safety seriously. That's why we've designed our trusted 8 seater van to be robust, reliable and perfect for your every day commute.

In the event of an accident, dual front and side airbags provide passengers with an extra layer of cushioning defense, while the four-ring reinforced body and robust cabin help further protect you from impact. For those with young toddlers, ISOFIX child seat anchor points in the second row help keep the little ones secure.

When driving in hazardous conditions, Electronic Stability Control (ESC) and Traction Control work in harmony to maintain your grip on slippery roads. Should you need to brake suddenly, the 4 channel Anti Lock Braking (ABS) with Electronic Brakeforce Distribution (EBD) provides your 8 seater van with stopping power, and prevents the brakes from locking up.

Parking is easier, too. The rear view camera gives you the benefit of (active) hindsight on your LCD multimedia screen, while rear parking assist sensors will guide you to an expert park each time.

We've also fitted the iMax with an alarm system, as well as a folding key with remote controls for your keyless convenience.

It's no wonder people trust the iMax to deliver them, their passengers, and their cargo safely – and now you can too.

4 star ANCAP safety rating

Smooth journey.

Engineered to handle the heaviest of loads, our iMax tackles even difficult conditions with ease, and offers excellent suspension and handling. Passengers are able to enjoy a smooth journey, and you, a smooth ride.

The iMax is fitted with a MacPherson strut front suspension, making your journey more comfortable no matter what you're hauling.

Available in a 5-speed automatic transmission, the iMax's high output 2.5L diesel engine delivers serious torque, to ensure it's reliably ready to go, everytime.

2.5 CRDi diesel engine

441 Maximum Torque
Nm/2,000 – 2,250 rpm

More than a minivan.

The iMax not only delivers a solid performance, but is also stylish with its front bar grille and alloy wheels.

Sliding doors on each side help your passengers easily climb in and out the minivan (and are childlock-friendly should you have little ones on board), while the rear door makes packing and unloading luggage feel less like hard work.

On the front, fog lamps increase your visibility and safety when driving in misty conditions, while the automatic dusk sensing headlamps turn on as soon as the light dims either at dusk or when encountering low light levels such as in tunnels or underground car parks.

With its quality two-tone finish (Elite variant), practical styling and elegant appearance, the iMax is a vehicle that'll continue to charm you every day.

¹. Elite variant shown

Room for everyone.

Step inside the iMax, and it's premium leather appointed¹ interior will strike you immediately. With a leather appointed¹ steering wheel, gear knob and seats, you can immerse yourself in high quality materials wherever you go.

The iMax Elite features dual sunroofs² for all your passengers to enjoy. Front passengers have access to a tilt and slide sunroof, while second row passengers can open a sliding sunroof, perfect for those long journeys.

There's room for everyone to claim their personal space. Adaptable 60:40 split seating adds more convenience for your rear row passengers, whilst the generous 842L of space to the back allows luggage and cargo to fit comfortably too.

The iMax's spacious, air-conditioned interior (with air vents in every row) keeps everyone comfortable, while sliding doors on each side allow easy access, quickly. Keep the driver comfy with heated and air ventilated front seats, tilt-adjustable steering wheel, along with a 7" touchscreen and steering wheel mounted controls.

A must for any long journey, the iMax people carrier ensures no passenger lacks space or comfort.

Stay connected anywhere.

The iMax puts a smile on everyone's face, with a suite of technology designed to keep your passengers entertained on the road.

We've integrated Apple CarPlay™¹ and Android™ Auto² so you can use the 7" touchscreen display to safely play music, make calls or ask for directions via the maps app on your smartphone device.

The iMax is convenient and has you covered. With front power windows and mirrors, steering wheel mounted audio controls, and a rear view camera, it makes reversing simple, and safe.

The iMax will allow you to enjoy features that'll help you stay in sync with your world, yet still focus on the road.

The right balance for your business.

Serious about choosing the right minivan for your business? If you're looking to improve your fleet's environmental impact, whole of life costs and your employees' and customers' safety, give your business the edge with Hyundai's Fleet Advantage.

The smart fleet choice

The iMax has great fuel efficiency and class leading cost of ownership that minimises off road time and service costs. It also comes with an impressive 5-year/160,000 kilometre warranty!¹

Hyundai fleet safety

With the iMax's comprehensive safety technology and 4-star ANCAP rating, this 8 seater van helps make sure your greatest assets, your people, remain protected.

Environmental credentials

While reducing your fleet is not always an option, making the smart choice of people carrier is. With our vehicles' low CO₂ outputs, we can help reduce your carbon footprint, reach your fleet emission goals and meet government targets.

Whole-of-life

Whole-of-life calculates the total projected cost of your fleet's operation. With Hyundai's low costs at your advantage, you can feel confident that your expenditure will help bring in solid returns.

1. For ultimate peace of mind, each Hyundai commercial use van is backed by an impressive 5-year/160,000km warranty, whichever comes first.

Hyundai Genuine Accessories.

The iMax is the smart people carrier of choice, thanks to an array of practical and stylish Hyundai Genuine Accessories¹ you can add to give it your personal touch.

From roof racks⁷ for stowing oversize luggage, to bike, ski and snowboard roof-mounted carriers,¹⁰ you'll find a Hyundai Genuine Accessory to suit whatever your family lifestyle or fleet needs.

Please refer to your specific roof racks for maximum load capacity.

Accessories displayed are not included and are at an additional cost.

CarPlan. The smarter way to finance your new Hyundai.

Life's full of surprises and while you won't always know what's around the next corner, with Hyundai CarPlan™ you'll always have the right car for the journey there. It's a smart and flexible way to have the vehicle that's perfect for you, even as your lifestyle changes.

Hyundai CarPlan™ has been developed by Hyundai Finance™ to provide flexibility at the end of your finance contract, letting you enjoy the new Hyundai experience again and again. At the end of your finance contract you can pay any amounts owing on your finance contract to keep your Hyundai or trade it in at your preferred Hyundai dealer to step into the latest Hyundai model and continue your journey with us. The choice is yours.

In a nutshell.

1. Choose your Hyundai model

Visit a participating Hyundai Dealer and select an eligible new or demonstrator Hyundai¹ that best suits your lifestyle.

2. Choose an eligible finance solution

You can choose your desired finance contract term of 36 or 48 months and the kilometres you intend to travel up to a maximum of 25,000 per year.

Our fixed rate loans are available with or without a deposit – whichever suits you.²

3. We'll then tell you:

- How much your regular payments will be over the finance contract term.³
- The Guaranteed Trade in Value for your new Hyundai. The Guaranteed Trade in Value is the value of your new Hyundai at the end of your finance contract as determined by Hyundai Finance™, subject to Fair Wear and Tear conditions and agreed kilometres not being exceeded.
- We'll also give you a copy of the Fair Wear & Tear Guidelines, setting out the condition requirements you'll need to maintain over the finance contract term to avoid any adjustments to your Guaranteed Trade in Value under the GTV terms.⁴

It's all about choice.

We know that everyone's lifestyle and situation is different, so we give you two different options to choose from when your contract comes to an end: keep your Hyundai, or trade it for a brand new one¹ knowing your Guaranteed Trade in Value.

1.

Keep your Hyundai by paying any amounts owing on your finance contract or applying through Hyundai Finance™ to refinance the loan residual balance.

2.

Trade in your Hyundai at your preferred Hyundai dealer and apply for another Hyundai CarPlan™ giving you the chance to step into the latest Hyundai model and continue your journey with us.

1. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. Please verify with your dealership which vehicles are eligible for the programme.
 2. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information in this brochure, please seek independent tax advice. Full terms and conditions are available upon application. Available only to approved applicants of Hyundai Finance™. Subject to credit assessment and for consumer applications, responsible lending criteria. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Hyundai dealers.
 3. Your total interest charged may be higher if you choose the Guaranteed Trade in Value feature for your loan, compared to a loan without the feature.
 4. The Guaranteed Trade in Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Trade in Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Trade in Value will be reduced and you'll be required to pay the difference.

How does Hyundai's new CarPlan differ from typical Hyundai financing?

Greater confidence

Hyundai CarPlan™ will ensure the amount you receive on trade in satisfies the final repayment, even where the value of the trade in is less than the final repayment amount¹. If the trade in valuation is higher than the Hyundai CarPlan™ value, the difference can be used as equity towards your new or demonstrator Hyundai when you purchase it².

A personally tailored solution

You may decide on the term for your finance contract, the deposit you would like to pay (if any) and the kilometres you intend to travel.

Greater flexibility

At the end of the finance contract term, you'll have the choice to keep your Hyundai, or trade it for a brand new one³.

More options

You have the option to include things like Pre-Paid Service Plan³, insurance and accessory costs as part of your fixed-rate loan agreement.

Maintaining your vehicle.

To ensure you enjoy the full benefits of the Hyundai CarPlan™, your Hyundai must be in an acceptable condition when you are trading it in for your new Hyundai² and must not exceed the kilometre limit you have selected. Of course, we also understand that some reasonable wear and tear is to be expected, but it needs to remain within the provisions of your Hyundai CarPlan™ contract and Fair Wear & Tear Guidelines.

Where the vehicle is not in acceptable condition or where you have exceeded your kilometre limit, the Guaranteed Trade in Value of your vehicle will be reduced.

Is Hyundai's new CarPlan right for you?

Hyundai CarPlan™ is just one of many options available from Hyundai Finance™, so there may be another product that suits your individual needs better. Have a chat to your participating Hyundai Dealer about what's right for you.

1. The Guaranteed Trade in Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Trade in Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Trade in Value will be reduced and you'll be required to pay the difference.

2. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. Please verify with your dealership which vehicles are eligible for the programme.

3. Pre-Paid Service Plan: for scheduled services only, including parts. Does not include fair wear and tear items. For full terms and conditions visit hyundai.com.au/pre-paid

The Hyundai CarPlan from Hyundai Finance is a feature which ensures you receive the Guaranteed Trade in Value (determined by Hyundai Finance) at the end of the term of your contract when you trade it in at a participating Hyundai Dealer in accordance with the terms and conditions.

To exercise the feature your vehicle must be inspected and assessed by a participating Hyundai dealer at the end of the term of your finance contract. Adjustments to the value may apply. You receive the Guaranteed Trade in Value for the car if you exercise the feature at the end of the term and purchase a new or demonstrator Hyundai at the same time. The amount you receive on trade in will satisfy the final repayment, even where the trade in is less than the repayment amount.

Relax, we'll take it from here.

There's a reason why our iCare program is so highly regarded. We built Hyundai iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra”.

Our 5 years/unlimited kilometre warranty (commercial application is 5 years/160,000km)¹ means you've got the freedom to go ahead and drive without having to keep an eye on the odometer.

Imagine knowing the maximum price of your next scheduled service, before pulling into the service centre. That's the advantage of our Lifetime Service Plan² – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees and surprises.

Since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception. Or as we like to say, amazing as standard. That includes 24/7 Roadside Support³ for up to ten years when you service with us.

iCare

1. An iMax is provided with a 5 year unlimited kilometre warranty if the vehicle has been used for private and domestic purposes is not and has not been previously used for a commercial purpose, including but not limited to taxi, hire, rental, courier, security, driving school, tour or bus operator and emergency vehicles. An iMax which is or has been used for a commercial purpose is provided with a 5 year / 160,000km warranty (whichever occurs first). Refer to full warranty terms and conditions for details and exclusions. 2. **Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes, which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at www.hyundai.com.au, apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai's, for their lifetime. 3. **Roadside Support Plan:** Complimentary 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date).

iMax.

Big help, for little Aussies.

Every time a new car is sold at one of our Dealerships, both Hyundai and the Dealer will donate part of the sale price to Hyundai Help for Kids™**

Hyundai Help for Kids™** offers funding to child-focused organisations and charities working to improve the lives of children all over Australia – from supporting community initiatives, to providing much-needed medical equipment.

So when you buy a Hyundai, you're buying more than just a car. Together with Hyundai Help for Kids™** you're empowering thousands of young Australians and giving them a better future.

*Hyundai Help for Kids™ is a registered trademark of Hyundai Motor Company.

iMax.

Australia, in our DNA.

We're one of the biggest car manufacturers in the world
– and one of the fastest growing global car brands.

We're also the only car company in the world producing
its own steel, because we know the best steel makes for
the strongest cars.

That's why we source the majority of our high quality
iron ore from right here, in Australia's backyard. So now,
when you buy a new Hyundai, you know you're driving
a car that's directly connected to home.
