Service warranty passport.
Hyundai new vehicle warranty policy and period.

Unlimited kilometre warranty.
Hyundai motor vehicles are manufactured using high quality materials and progressive engineering technology in conjunction with advanced quality control techniques.
Hyundai provides a 5 year unlimited kilometre warranty against defects arising in materials or manufacture for all vehicles* other than vehicles used at any time during the warranty period for commercial application^.

Consumers will have rights and remedies in addition to the warranty provided in this booklet. This warranty should not be read as excluding, restricting or modifying the rights and remedies of consumers under statute, such as the Competition and Consumer Act 2010.

For the period of sixty months, following the date of first registration or delivery of the vehicle to the original retail owner whichever comes first, Hyundai warrants that the vehicle originally manufactured shall be free from defects arising in workmanship or materials of the mechanical and electrical components of the vehicle subject to the conditions outlined under ‘Warranty exclusions’.

The warranty periods indicate that a vehicle warranty is valid until expiry of the stated period commencing from the date the vehicle was first registered (or delivery to the original retail owner), or the date upon which the vehicle travels the stated kilometres, whichever occurs first.

Note
The warranty periods noted above indicate that a vehicle warranty is valid until expiry of the stated period commencing from the date the vehicle was first registered (or delivery to the original retail owner) or the date upon which the vehicle travels the stated kilometres, whichever occurs first.

Hyundai new vehicle warranty policy and period.

New vehicle warranty scope.
To the extent allowable by law, subject to various period limitations any component forming part of the original vehicle specification manufactured or supplied by Hyundai (except tyres and non-genuine accessories) which is found to be defective as a result of poor workmanship or materials during normal usage of the vehicle will, at the discretion of Hyundai, be repaired or replaced, at no cost to the vehicle owner when repaired by an authorised Hyundai Dealer.

- Tyres are not covered by Hyundai new vehicle warranty but are covered by the express warranties of their respective manufacturers or suppliers.
- Non genuine parts and accessories are not covered by Hyundai new vehicle warranty but are covered by the express warranties of their respective manufacturers or suppliers.

Owner responsibility.
To ensure the validity of this warranty, the owner must:
- Ensure that all services are carried out as per the scheduled maintenance and service recommendations, and the service history coupons stamped by a suitably qualified motor vehicle repairer or your authorised Hyundai Dealer.
- Keep detailed service invoices for review whenever requested.
- Present the vehicle Service Passport to the authorised Hyundai Dealer whenever requesting warranty service.
- Deliver the vehicle to an authorised Hyundai Dealer for all warranty repairs.

Vehicle recovery.
If a component warranted by Hyundai fails as a result of poor workmanship or materials, rendering the vehicle immobile or undriveable, the cost of recovery to the nearest authorised Hyundai Dealer whenever requested warranty service.

Vehicle recovery can be arranged by contacting your nearest Hyundai Dealer, or Hyundai Roadside Support if you are covered under the Hyundai Roadside Support Plan (please refer to the Hyundai Roadside Support Plan book for details).#

Limitation of liability.
Subject to that allowable by law, the customer will bear the expense of claiming the warranty.
Hyundai shall not be liable for any consequential loss, indirect loss, economic loss, loss of revenue or special loss which are not reasonably foreseeable, that may arise from any defect of a vehicle.

Note
Warranty does not apply for paint defects arising from stone or similar chippings, tree sap, hail damage, windstorm damage, chemical/industrial fallout, salt spray, bird/animal droppings, or any other environmental conditions.
Warranty exclusions.

The warranty shall not apply to the following:

1. Defects judged by Hyundai or its representative as being attributable to the failure to adhere to the requirement regarding the frequency of periodic maintenance service as outlined in the Owner’s Manual, or this Service Warranty Passport, or failure to have such periodic maintenance performed by a suitably qualified motor vehicle repairer.

2. Defects which are caused by or attributed to negligent or careless driving, accident or improper use of the vehicle.

3. Defects which are caused by or attributable to the use of non-genuine Hyundai parts or accessories or the use of lubricants, fluids or fuels which are not approved for use in the vehicle by Hyundai.

4. Defects which are caused by or attributable to modifications not carried out by or at the direction of Hyundai.

5. Deterioration, staining or corrosion of plated parts, paint coatings, rubber or plastic components or soft trim which occur due to normal exposure, general wear and tear and usage.

6. Defects caused from improper workmanship or not carrying out maintenance or repairs in the correct manner recommended by the manufacturer.

7. The replacement of consumable components normally replaced or repaired in the process of routine maintenance servicing, which include but are not limited to: lubricants, fluids, coolant inhibitor/anti-freeze, refrigerant, filters and filter elements, fuel injectors, drive belts, spark plugs, gaskets and oil seals, shimming, batteries, clutch and brake friction linings, brake disc rotors - including machining, exhaust systems, light bulbs, fuses, wiper blades and arms, all hoses and attaching devices.

8. The breakage or scratching of glass occurring after delivery of the vehicle to the owner.

9. Defects arising from the fitting of any part other than in accordance with the manufacturer’s recommendation or specification by other than an authorised Hyundai Dealer.

10. Defects arising from the testing, maintenance or repair of parts (other than by an authorised Hyundai dealer).

11. Defects arising where the vehicle has been used for racing, rallying, competition or speed/endurance trials of any kind.

12. Defects resulting from incorrect repair or maintenance.

13. Defects resulting from incorrect decommissioning of the high-voltage battery system or Fuel Cell system.

14. Defects resulting from incorrect battery charging.

15. Alleged defects which are considered by Hyundai or their representative not to be the result of manufacturing or workmanship defects and/or are recognised as not affecting the quality or function of the vehicle and/or alleged defects which occur under unusual operating conditions and/or normal wear and tear of the components of the vehicle. Such alleged defects include but are not limited to:
   a. Noises or vibrations of low amplitude or frequency which are considered to be representative of the characteristics of the vehicle.
   b. Slight oozing of oil or fluids from seals and/or gaskets which cause no material decrease in the level of such fluids.
   c. Panel gaps which are considered by Hyundai to be representative of manufacturers design intent.
   d. Appearance defects which are not apparent unless magnified by special means or, which are considered by Hyundai to be of a minor cosmetic nature and having no affect upon the general appearance or quality of the vehicle or, which are representative of the standard of finish accepted by the manufacturer.

a. Corrosion or other damage including paint coat damage resulting from accident, misuse, stone chipping, gravel or other form of impact, discoloration, fading or deterioration resulting from exposure to a contact with tree sap, bird droppings, insects, tar, industrial fallout/pollution, contamination by lubricants or other fluids or extraneous cause or defects resulting from poor repair to, or failure to have repaired, body damage caused by the above or any other cause.

b. Exhaust System corrosion (excluding Inlet & Exhaust manifolds).

c. Corrosion due to incorrect maintenance of the cooling system, clutch or brake hydraulic system.

d. Wheel rims as a result of impact damage.
