

KONA.

Bold design. Imagined for first impressions.

Our boldest SUV yet. The Hyundai KONA has been imagined for every lifestyle.

The KONA's distinctive and futuristic design was imagined from its EV variant, radiating a tech-led design inside and out.

From first impressions the KONA is deliberate and decisive, featuring a smooth, aerodynamic and elegant LED Seamless Horizon Lamp and precise parametric contours.

This is boldness, built for tomorrow.

KONA N Line. Imagined for double takes.

Add a new personality to every outing with the sports-inspired N Line pack, available across the KONA Petrol and Hybrid range.

With the aggressive flavour of Hyundai's renowned performance division, N Line includes a muscular front bumper and badge with exclusive 19" alloy wheels.

Designed to thrill, a twin-tip exhaust and a gloss black aerodynamic rear spoiler make N Line as exhilarating as it feels. Inside, the cabin feels sophisticated, focused, and evocative with exclusive leather seats—featuring red highlights and a dark metal trim.

It's more than a sporty aesthetic. It's a statement of intent.
