Hyundai KONA.

HYUNDAI

KONA Premium variant shown.

KONA.
Anti-ordinary.

Stand out with the Hyundai KONA, the small SUV built for those who refuse to blend in. Combining bold design and cutting-edge tech with a choice of Petrol, Hybrid or Electric powertrains, the KONA is ready for whatever road you take, proving that ordinary is never an option.

KONA Hybrid.

The KONA Hybrid seamlessly blends efficient performance with dynamic design, offering a compelling choice for those seeking a driving experience that doesn't compromise on style or functionality.

Integrating advanced efficiency and performance technologies, the KONA Hybrid delivers a smoother and more dynamic drive. With the intelligence of Smart Regenerative Braking, the KONA Hybrid can self-charge on the go. Active Air Flaps automatically adjust airflow around the vehicle to reduce drag and enhance fuel economy. e-Motion Drive uses the electric motor to refine torque distribution and braking response, ensuring better cornering stability and a more engaging driving experience.

KONA Hybrid Elite variant shown.

KONA Electric Premium variant shown.

KONA Electric.

The KONA Electric delivers a dynamic all-electric small SUV experience, combining bold styling with practicality and zero CO_2 tailpipe emissions driving.

Taking electric performance to the next level, the KONA Electric with Extended Range and 17" wheels has a Worldwide Harmonised Light Vehicle Test Procedure (WLTP) range of 505km[P1], and can recharge from 10% to 80% in approximately 45 minutes when connected to a 100kW DC fast charging station[P2].

Thanks to its electric drivetrain, the KONA Electric delivers smooth, quiet acceleration, a refined drive and the benefits of electric driving, without sacrificing SUV versatility.

[P1] 505km range applicable to the KONA Electric Extended Range variant only with 17" wheels. Range for the KONA Electric Standard Range variant is 370km and range for the KONA Electric Premium Extended Range variant is 444km. Range estimates are based on WLTP (Worldwide Harmonised Light Vehicle Test Procedure). Figures stated for comparison amongst electric vehicles tested to the same standard. Actual vehicle range will differ depending on vehicle configuration, battery age and condition, driving style and operating, environmental and climate conditions.

[P2] The KONA Electric can recharge from 10% to 80% in approximately 45 minutes when connected to a 100kW DC fast charging station or in approximately 65 minutes when connected to a 50kW charging station. Charging times may increase if peak charging rates are not achieved. Charging times may vary based on factors including but not limited to charger type and condition, battery temperature, electricity supply, auxiliary consumables (e.g. air-conditioning) and environmental conditions.

KONA N Line.

Add a new personality to every outing with the sports-inspired N Line Option Pack, available across the KONA Petrol, Hybrid and Electric range. Note, N Line Option Pack is only available on KONA Elite, KONA Premium, KONA Hybrid Elite, KONA Hybrid Premium, KONA Electric and KONA Electric Premium variants.

With the aggressive flavour of Hyundai's renowned performance division, N Line includes a muscular front bumper and badge with exclusive 19" alloy wheels (18" for Hybrid).

Designed to thrill, a twin-tip exhaust and a gloss black aerodynamic rear spoiler make N Line as exhilarating as it feels. Inside, the cabin feels sophisticated, focused, and evocative with exclusive leather seats—featuring red highlights and a dark metal trim.

It's more than a sporty aesthetic. It's a statement of intent.

By owning a Hyundai, you get access to the full range of exclusive benefits of myHyundaiCare. This includes a 7 Year Unlimited Km Warranty[1] when servicing with Hyundai, Genuine Service Plan[2], Premium Roadside Support Plan[3] and Sat Nav Update Plan[4]. Discover the exceptional benefits and ongoing support that make owning your KONA easier and more enjoyable than ever.

7 Year Unlimited Km Warranty

Hyundai's new 7-Year Unlimited Kilometre Warranty is available for Hyundai passenger vehicles first registred from 1 June 2025 and when all scheduled services are completed at an authorised Hyundai dealer. All to give you more coverage so you can go further on every drive.[1]

Genuine Service Plan

Enjoy competitive service pricing and transparency with what's included in your next scheduled service.[2]

Premium Roadside Support Plan

This is included for 12 months when you buy a new car, with the option to extend the plan for a further 12 months each year you service with Hyundai.[3]

Sat Nav Update Plan

Stay up to date with the latest maps and directions included with every scheduled service for up to 10 years at an authorised Hyundai Dealer.[4]

myHyundaiCare

[1] In addition to the 5 Year Standard New Car Warranty, Hyundai provides an extended warranty for up to a further 2 years, when all servicing is with Hyundai, on passenger vehicles first registered from 1 June 2025. Maximum warranty is 7 years from date of first registration, on the condition that all scheduled services are completed within the specified service intervals at an authorised Hyundai dealer. Otherwise, the standard 5 year unlimited km warranty (from the date of first registration) applies. Service conditions apply. Excludes Hybrid & EV drive batteries, which are warranted for 8 years/160,000km (whichever occurs first) from the date of first registration. Does not apply if the vehicle is used at any time during the warranty period used for a "commercial application" as defined in the warranty policy, which includes use as a taxi, hire, ride-share, rental, courier, delivery, security, driving school, tour, bus operator or emergency vehicle, or any other use in the course of trade for the purpose of carrying passengers or goods. Passenger vehicles used for a commercial application are provided with a 5 year/130,000km warranty (whichever occurs first). People Mover Vans used for a commercial application are provided with a 5 year/160,000km warranty (whichever occurs first). Commercial Vans are provided with a 5 year/160,000km warranty (whichever occurs first) regardless of its usage. Terms, conditions and exclusions apply, visit www.hyundai.com/au/warranty.

[2] For the benefit of Hyundai owners, Hyundai provides online quotes, which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using Hyundai Genuine Parts (where required). Online quotes are available at www.hyundai.com/au/en/find-a-dealer#service apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai's, for their lifetime. To see the full terms and conditions of the Hyundai Genuine Service Plan Program, please visit www.hyundai.com/au/en/owning/servicing.

[3] 12 months included Premium Roadside Support when you buy a new Hyundai internal combustion engine or hybrid vehicle from a participating authorised Hyundai Dealer. For purchases from a participating authorised Hyundai Dealer of new Hyundai battery electric vehicle Hyundai offers 24 months included Premium Roadside Support. Premium Roadside Support commences from the date of the vehicle's warranty commencement. When you have your Hyundai internal combustion engine or hybrid vehicle's scheduled service completed at a participating authorised Hyundai Dealer, you will receive 12 months of included Premium Roadside Support from the date of service. For Hyundai battery electric vehicles, that have their scheduled service completed at a participating authorised Hyundai Dealer, you will receive 24 months of included Premium Roadside Support from the date of service. Available for all Hyundai vehicles (excluding rental buyers and taxis). Terms, conditions and exclusions apply, visit www.hyundai.com/au/en/owning/myhyundaicare/roadside-support.

[4] Applies to new Hyundai vehicles with both 8" and 10.25" factory-fitted satellite navigation. Updates are delivered annually and are included if the vehicle completes a scheduled service at an authorised Hyundai Dealer. Updates must be undertaken within 10 years of the vehicle's initial purchase, with a maximum number of 9 updates. Visit www.hyundai.com/au/en/owning/myhyundaicare/sat-nav-plan for full terms and conditions.

Electric driving efficiency; Combined: Wh/km	148	147	167
kWh/100km	14.8	14.7	16.7
All Electric Range (AER)	370 km (WLTP)*	505 km (WLTP)*	444 km (WLTP)*

*Figure based on WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) static laboratory combined average city and highway cycle test using a fully charged battery, which measures energy consumption, range and emissions in new passenger vehicles and does not reflect real world driving range. Real world driving range results will vary depending on a combination of driving style, type of journey, vehicle configuration, battery age and condition, use of vehicle features (such as heating and air conditioning), as well as operating, environmental and climate conditions. WLTP test results are for comparison purposes only.
