

Kona.

Highlander variant with two-tone roof pack shown.

Live a vibrant life.

We have one goal – to be Australia's most loved car company. To get there, we're driven by the simple philosophy that life's most incredible moments shouldn't be reserved for a select few, and everyone should be able to experience an exciting and enjoyable drive.

So, how do we make that happen? We start by pushing our own boundaries, by making premium the new standard, and by engineering the most enjoyable ride possible.

Kona signals a generation that refuses to be bound to a singular way of thinking. Because let's face it, one size doesn't always fit all, and that's what makes the Kona so different.

It's all about freedom of choice, and the Kona gives you the freedom to choose how you present yourself (and your individuality) to the world. By putting the power in your hands, the Kona becomes an extension of you.

It's sleek, easy on the eye, well connected, and with different colour combinations¹, you'll be able to style it your way in order to live a more vibrant life.

1. Combinations vary depending on exterior colour, interior trim, variant and engine.

Actively safe.

There are two things we take very seriously – fun, and safety.

The Kona is fun to drive, but it's comforting to know that no matter where life takes you, you're protected by some of the most modern safety features. The Kona has been awarded a 5 star ANCAP safety rating, has a rigid body made of high strength steel for all round protection, 6 airbags and a rear view camera - everything we do is to help keep you out of harm's way.

Hyundai SmartSense™¹ is working to protect you too and includes a suite of safety features developed to help you be alert to (and avoid) any dangers around you.

Forward Collision-Avoidance Assist (FCA), Driver Attention Warning (DAW) and Lane Keeping Assist (LKA) is standard across the range, with Blind-Spot Collision Warning (BCW), High Beam Assist (HBA), and Rear Cross-Traffic Collision Warning (RCCW) also available.

Rear view camera²

6 airbags

¹ Hyundai SmartSense™ is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving. High Beam Assist available on the Highlander variant. Rear Cross-Traffic Collision Warning and Smart Cruise Control available on the Elite and Highlander variants.
² Highlander variant shown.

Driver Attention Warning (DAW)¹

A driver protection feature which helps monitor driving patterns in order to detect reckless or fatigued driving and prevent potential accidents. If the system detects inattentive driving patterns, an audible sound and message on the display panel will bring this to the driver's attention.

Lane Keeping Assist (LKA)¹

LKA provides steering intervention to assist the vehicle to stay in the centre of the lane. When the vehicle strays from the intended lane without indicators being activated, an audible and visual warning will be sounded.

Blind-Spot Collision Warning (BCW)¹

When driving at a speed of 30km/h or higher, the BCW function will alert the driver to vehicles that enter the blind spot, including during lane changes.

Forward Collision-Avoidance Assist (FCA)¹

Utilises camera and/or sensors on the car to detect vehicles ahead of you, and autonomously activates the brakes if you don't react in time. Additionally, potential collisions with pedestrians ahead of the car can be mitigated by FCA on Elite and Highlander variants.

Impressive performance.

The Kona's performance is just as exciting as its personality.

Built on a high safety, lightweight body, and with three drive modes (Comfort, Eco and Sport) to choose from, the Kona is a joy to drive.

Once again, it's entirely up to you. Choose from either the 2.0L MPI 2WD with 6-speed automatic, or the 1.6L Turbo GDi AWD with 7-speed dual clutch transmission – which along with sharp throttle response and impressive torque, also allows you to get off road to explore even further.

Powerful, efficient, responsive and downright fun, the Kona really does encourage you to live a more vibrant life.

1.6 Turbo-GDi petrol engine

Highlander variant with two-tone roof pack shown.

2.0 MPI 2WD

110 Maximum Power
kW/6,200 rpm
180 Maximum Torque

1.6 T-GDi AWD

130 Maximum Power
kW/5,500 rpm
265 Maximum Torque
Nm/1,500 - 4,500 rpm

Highlander variant with two-tone roof pack shown.

Designed to be different.

The Kona is designed with independence and fun in mind.

Confident, vibrant, sporty and full of personality, its cascading front grille, slim LED daytime running lights, high contrast wrap around body cladding and wide stance is designed to make a statement wherever you go.

The Kona features unique front and rear light architecture, with separated top and bottom lights stacked for extra impact.

And exclusive to the Highlander variant, you have the option to have a two-tone Phantom Black roof⁴ to give you that extra flair.

The Kona doesn't simply allow you to express your personality, it encourages it. That expression can be as unique as you are.

Top: Cascading front grille with mesh pattern³
Bottom: Top-bottom split front headlights³

Top: LED rear combination lights²
Bottom: Alloy wheels³

1. Combinations vary depending on exterior colour, interior trim, variant and engine.

2. **LED rear combination lights:** Only available on the Highlander variant.

3. Highlander variant shown.

4. Only available on the Highlander variant as part of an option pack and is not available with the sunroof.

Highlander variant with Acid Yellow accents shown.

Step inside.

They say it's what's on the inside that counts, and the Kona's interior counts for a lot – especially when it comes to space. It's a compact SUV, but sit inside and the Kona soon reveals its spacious self.

The Kona has far more room than you'd expect – from the generous cargo bay, to the 60/40 folding rear seats, you'll always have space when you need it.

It's well appointed too, with a premium interior that you can style to suit. We've added a heated steering wheel¹, heated and air ventilated front seats¹, leather appointed² upholstery and a range of stylish additions.

Three colour accents (leather appointed seats² with Red, Acid Yellow or Silver accents) provide a vibrant edge and unique detailing to the interior styling. Put them all together and you'll create an interior that's second to none.

Top: Heated and air ventilated front seats¹
Bottom: Leather appointed seats² with colour accents³

Top: Spacious cargo area⁴
Bottom: Sunroof⁵

1. Available on the Highlander variant.
 2. **Leather appointed** may contain elements of genuine leather, polyurethane leather (leather substitute) or man-made materials, or a combination thereof. Not available on the Go and Active variants.
 3. Acid Yellow leather trim and Red leather trim available on the Elite and Highlander variants, depending on exterior colour chosen.
 4. Highlander variant shown.
 5. Available on the Highlander variant (not available with two-tone roof option).

Connect to the road, and your world.

With a host of advanced features, the Kona is designed for you to enjoy your love for technology whilst driving on the road.

A Head-Up Display¹ on the dashboard projects important data (like your speed) right in front of your eyes, so you never have to take them off the road.

We've integrated satellite navigation to guide you to your next destination and Apple CarPlay™² and Android™ Auto³ too, so you can use the touchscreen display to safely play music or make calls.

You'll also find a wireless smartphone charging pad⁴ in the centre console, so you'll always be able to easily recharge without the need for cables.

Satellite Navigation⁵

Head-Up Display¹

Wireless charging pad⁴

Apple CarPlay™² and Android™ Auto³

Highlander variant with Acid Yellow accents shown.

1. **Head-Up Display:** Only available on the Highlander variant. 2. **Apple CarPlay™** functionality requires software update. Apple CarPlay™ requires iPhone® 5 or subsequent model (lightning cable) in order to operate. Apple® and iPhone® are registered trademarks of Apple Inc. 3. **Android™ Auto:** Requires a device with Android 5.0 operating system or subsequent version, and USB cable in order to operate. Android is a trademark of Google Inc. 4. **Wireless charging pad:** Requires a Qi-enabled smartphone or adaptor to operate. Only available on the Highlander variant. 5. Available on Elite and Highlander variants.

Variants.

Life is about choice – so we've created four different Kona variants that will let you take to the road the way you want to.

Go.

Engine and transmission

2.0 MPi (Petrol) 2WD - Automatic
1.6 T-GDi (Petrol) AWD - DCT

Key specifications:

Safety

1. Silver, Acid Yellow and Red accents available on Elite and Highlander variants.

2. Only available on the Highlander variant as part of an option pack and is not available with the sunroof.

3. **Leather appointed** means parts of the interior have a combination of genuine and artificial leather, but are not wholly leather.

Hyundai Genuine Accessories.

The Kona is an extension of your personality, and Hyundai Genuine Accessories¹ can help make it even more unique.

From roof racks to cargo liners, there's a suite of practical, and stylish Hyundai Genuine Accessories¹ to match.

Top: Tinted stylevisors (set of 4)
Bottom: Cargo organiser⁵

Top: 16" Mokpo Satin Black Alloy Wheel
Bottom: Rear seat pet cover

Top: Laser shades (rear, set of 2)
Bottom: Dash mat

1. All Hyundai Genuine Accessories are subject to warranty conditions. See your nearest Hyundai Dealer or visit www.hyundai.com.au for full warranty terms and usage recommendations.
2. Auxiliary cable not suitable for Apple® devices. 3. iPad® is a registered trademark of Apple Inc. The iPad® holder has been designed to hold iPad® models 1, 2, 3, 4 or Air securely. To ensure occupants are protected in the event of a collision, the screen protector must be fitted to the iPad® when in use. iPad® not included. 4. Only suitable for use with a retractable seatbelt. 5. Items shown in cargo organiser not included. 6. Maximum ball download 130kg. 2WD Towing capacity 1,300kg braked & 600kg unbraked. AWD Towing capacity 1,250kg braked & 600kg unbraked. Towbar capacity subject to regulatory requirements, towbar design, vehicle design and towing equipment limitations. 7. Mudflaps cannot be fitted in conjunction with a full bodyskirt or rear skirt. 8. Load capacity = 75kg evenly distributed over 2 bars. Roof racks should be removed when not in use. 9. Requires fitment of roof racks at additional cost. 10. Only suitable for Go, Active and Elite models. Park assist is designed as a driver assist aid only and should not be used as a substitute for skilled driving and safe parking practices. While the park assist sensors monitor objects on approach, there may be occasions where blind spots affect the sensitivity of the sensors and as a result the area into which the vehicle is heading must be visually monitored by the driver at all times while parking.

Hyundai Auto Link Bluetooth®.

Hyundai Auto Link Bluetooth® (standard on Go, Active and Elite) is a smartphone app that lets you stay connected with your Kona.

The app connects with the Kona's pre-installed module to link the car to your smartphone via Bluetooth®, so you can drive smoothly.

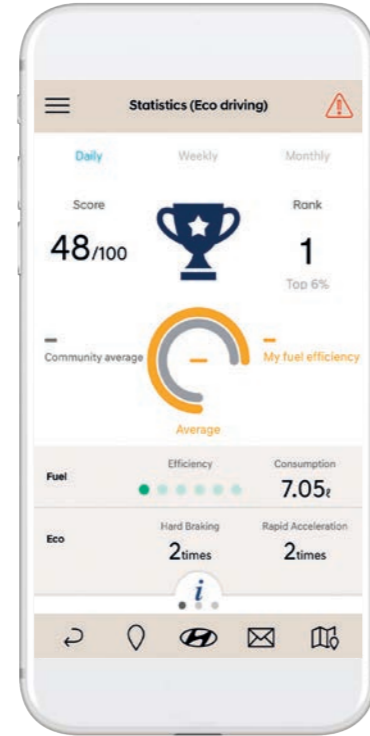

Become an economical driver.

- Keeps track of your driving habits and fuel efficiency on each trip.
- Presents vehicle health report and alerts you to any signs of faults.
- Remotely monitors your Kona's health.
- Provides analytical information so you can get the most out of your Kona.

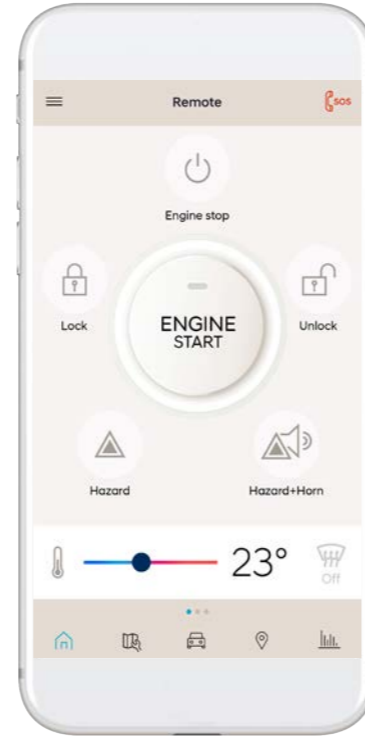

Help us care for your car.

- Service information and online service bookings at your fingertips.
- Easy access to Hyundai Customer Care.
- Compare your driving to other owners.
- Logs private and business trip stats for record keeping purposes.
- Alerts Roadside Assistance in case of a breakdown.
- Sends alert messages¹ to Customer Care or family/friends in case of an emergency.

For more information head to www.hyundai.com.au/auto-link

Hyundai Auto Link Premium.

Hyundai Auto Link Premium (standard on Highlander) is an upgraded version of the Bluetooth® app that lets you stay remotely connected with your Kona.

Your drive, your way, made better.

- Allows remote engine start from smartphone.
- Lets cars' doors, lights and climate control to be handled remotely.
- Sets geo-fencing, guard (theft control) and valet mode.

Download the app for your iOS and Android device² today.

Find out more on www.hyundai.com.au/owning/auto-link. Some Hyundai Auto Link Premium services may not be fully available if the GPS system or other mobile device features are not working.

Car finance that puts the choices in your hands.

Hyundai CarPlan™ has been developed by Hyundai Finance™ to give you flexibility. That includes whether you pay a deposit or not, how long the finance contract runs for (36 or 48 months), and what happens at the end of your finance contract. At the end of your finance contract, you can choose to pay any amounts owing on the contract to keep your Hyundai, return your vehicle to us and use the Guaranteed Future Value¹ to meet any amount owing under the finance contract, or trade it in at your preferred Hyundai dealer and continue your journey with us.

It's a smart and flexible way to have the vehicle that's perfect for you, even as your lifestyle changes. Life's full of surprises and while you won't always know what's around the next corner, with Hyundai CarPlan™ you'll always have the right car for the journey there. Keep it, return it, or trade it in.

The choice is yours.

How does Hyundai CarPlan™ work?

First, you choose the car you want².

Then, choose the deposit you wish to pay, the length of the loan term and the kilometres you will travel each year³.

Next, decide what you want to do with the vehicle at the end of the finance period⁴.

The choices are up to you.

So what do I actually have to do?

- Arrive at the dealership with your 100 points of ID
- Choose the Hyundai model you want
- Choose the contract term - 36 or 48 months
- Choose how many kilometres you're intending to travel each year up to a maximum of 25,000km – the amount you travel affects the value of your vehicle at the end of the term. You can choose 10,000, 15,000, 20,000 or 25,000km per year
- Choose if you want to pay a deposit or not
- Your dealer will let you know what your regular repayments will be and what the Guaranteed Future Value will be⁵. That's the future trade-in value, based on the length of the loan and the kilometres you will drive. The value is subject to Fair Wear and Tear conditions and agreed kilometres not being exceeded⁶
- When you get to the end of the loan term, you choose what happens next

When your contract ends.

We know that everyone's lifestyle and situation is different, so we give you three different options to choose from when your contract comes to an end: pay off the balance of your loan contract and keep your Hyundai, trade it in or return it to us and use the Guaranteed Future Value⁶.

It all depends where you are at that point in your life. Sport, kids, dogs, weekends away, work. Choose what's right for you and your life. Go bigger, go smaller, stay the same.

Get the Hyundai that's right for you.

Trade

Trade in your Hyundai at your preferred Hyundai dealer giving you the chance to step into the latest Hyundai model and continue your journey with us.

Retain

Keep your Hyundai by paying any amounts owing on your finance contract or apply through Hyundai Finance™ to refinance the amount owing².

Return

Return your Hyundai to us knowing that the Guaranteed Future Value will be sufficient to repay the amount owing under your finance contract⁶.

1. The Guaranteed Future Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Future Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Future Value will be reduced and you'll be required to pay the difference. Subject to the Guaranteed Future Value Terms and Conditions (available upon request). 2. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. Please verify with your dealership which vehicles are eligible for the programme. 3. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information in this brochure, please seek independent tax advice. Full terms and conditions are available upon application. 4. Subject to the Guaranteed Future Value Terms and Conditions. Available only to approved applicants of Hyundai Finance™. Subject to credit assessment and for consumer applications, responsible lending criteria. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Hyundai dealers. 5. Your total interest charged may be higher if you choose the Guaranteed Future Value feature for your loan, compared to a loan without the feature. 6. The Guaranteed Future Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Future Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Future Value will be reduced and you'll be required to pay the difference.

How is Hyundai CarPlan™ different from a typical finance contract?

Greater confidence

Hyundai CarPlan™ will ensure the amount you receive when you return your Hyundai is enough to pay the amount owing at the end of your contract term, even if the value of the car is less than the amount owing¹.

A personally tailored solution

You choose the term for your finance contract, the deposit you would like to pay (if any) and the kilometres you intend to travel².

Greater flexibility

At the end of the finance contract term, you'll have the choice to keep your Hyundai, trade it in or return it to us.

More options

You have the option to include things like Pre-Paid Service Plan³, and accessory costs as part of your finance contract⁴.

Maintaining your vehicle.

To ensure you enjoy the full benefits of the Hyundai CarPlan,™ your Hyundai must be in an acceptable condition when you return or trade-in your Hyundai⁴ and must not exceed the kilometre limit you have selected. Of course, we also understand that some reasonable wear and tear is to be expected, but the condition of your vehicle needs to remain within the provisions of your Hyundai CarPlan™ contract and Fair Wear & Tear Guidelines.

Where the vehicle is not in acceptable condition or where you have exceeded your kilometre limit, the Guaranteed Future Value of your vehicle will be reduced.

Is Hyundai CarPlan™ right for you?

Hyundai CarPlan™ is just one of many options available from Hyundai Finance,™ so there may be another product that suits your individual needs better. Have a chat to your participating Hyundai Dealer about what's right for you.

1. The Guaranteed Future Value is not a representation by Hyundai Finance™ as to the likely market value of your vehicle as at the end of your finance contract. If the Guaranteed Future Value applies and the vehicle is not returned in an acceptable condition, as defined in the terms and conditions or exceeds kilometre restrictions, the Guaranteed Future Value will be reduced and you'll be required to pay the difference. 2. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information in this brochure, please seek independent tax advice. Full terms and conditions are available upon application. Available only to approved applicants of Hyundai Finance™. Subject to credit assessment and for consumer applications, responsible lending criteria. Fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Hyundai dealers. 3. Pre-Paid Service Plan: for scheduled services only, including parts. Does not include fair wear and tear items. For full terms and conditions visit hyundai.com.au/pre-paid. 4. The feature is available on all new and demonstrator Hyundai vehicles on selected models only. Please verify with your dealership which vehicles are eligible for the programme.

Relax, we'll take it from here.

There's a reason why our iCare program is so highly regarded. We built Hyundai iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car – not just as an “optional extra”.

Our five-year, unlimited kilometre warranty¹ means you've got the freedom to go ahead and drive without having to keep an eye on the odometer. Imagine knowing the maximum price of your next scheduled service, before pulling into the service centre. That's the advantage of our Lifetime Service Plan² – a clever Hyundai initiative that gives you transparency and peace of mind for the life of your car. No hidden fees and surprises.

Since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception, including our 24/7 Roadside Support Plan³ for up to ten years when you service with this.

iCare

1. **5 year/unlimited Km warranty:** Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for “commercial application” as defined in the vehicle warranty policy, for which a 5 year/130,000km (whichever occurs first) warranty applies. Refer to full warranty terms & conditions, for details and exclusions. 2. **Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes, which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at www.hyundai.com.au, apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai's, for their lifetime. 3. **Roadside Support Plan:** Complimentary 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date).

Kona.

Highlander variant with two-tone roof pack shown.

Kona Electric.

It's more important than ever to lead the industry to a greener future. Which is why we've been developing efficient electric motor systems, new ways to reduce emissions and improving sustainability for material sourcing, manufacturing and recycling.

Introducing our newest addition to the Kona family, the Kona Electric.

This impressive, 100% electric small SUV combines an exceptional driving range of up to 449Km¹ in one single charge in complete comfort and style, producing zero emissions.

Start every journey with 395Nm of instant acceleration to get your adrenaline pumping - nobody said eco-friendly motoring had to be boring.

The Kona Electric brings long range, instant acceleration and zero emissions electric motoring - all while being a stylish, practical and sporty small SUV.

Top: Front grille
Bottom: Alloy wheels

Top: Easy charging²
Bottom: Two-tone coloured roof³

1. 449km: Figure based on WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) static laboratory combined average city and highway cycle test, which measure, energy consumption, range and emissions in passenger vehicles, designed to provide figures closer to real-world driving behaviour. Real life driving results will vary depending on a combination of driving style, type of journey, vehicle configuration, battery age and condition, use of vehicle features (such as heating and air conditioning), as well as operating, environmental and climate conditions.
2. Optional charging cable accessory is shown and is sold separately. The Emergency Charging Cable comes standard in the boot.
3. Two-tone roof colours vary depending on exterior colour chosen. Only available on the Highlander variant as part of an option pack and is not available with the sunroof.

An interior unlike any other.

The Kona Electric doesn't just look good from the outside. Its interior speaks a luxurious combination of space, convenience and technology.

Switching between Drive, Neutral, Reverse and Park has never been easier. The button type shift-by-wire system is located right where you need it to be, conveniently within the bridge-type centre console. This particular console reflects a sophisticated, high-tech design to make your drive a comfortable one.

Using the paddles on the steering wheel, you also have complete control over the level of regenerative braking. Regenerative braking allows drivers to charge their battery using kinetic energy collected whenever the car is decelerating.

Stay connected on the road with Apple CarPlay™¹ and Android™ Auto² compatibility so you can access your maps, safely play your music and make calls wherever you go.

Equipped with Hyundai SmartSense™³ safety features including Blind-Spot Collision Warning (BCW) and Smart Cruise Control (SCC) with Stop & Go, the Kona Electric's suite of safety technologies will give you more confidence wherever you're headed to.

1. **Apple CarPlay™** functionality requires software update. Apple CarPlay™ requires iPhone® 5 or subsequent model (lightning cable) in order to operate. Apple® and iPhone® are registered trademarks of Apple Inc. 2. **Android™ Auto**: Requires a device with Android 5.0 operating system or subsequent version, and USB cable in order to operate. Android is a trademark of Google Inc. 3. **Hyundai SmartSense™**: is a registered trademark of Hyundai Motor Company. Safety features are not a substitute for attentive driving. High Beam Assist available on the Highlander variant. 4. **Wireless charging pad**: Requires a Qi-enabled smartphone or adaptor to operate. Only available on the Highlander variant.

Big help, for little Aussies.

Every time a new car is sold at one of our Dealerships, both Hyundai and the Dealer will donate part of the sale price to Hyundai Help for Kids™**

Hyundai Help for Kids™** offers funding to child-focused organisations and charities working to improve the lives of children all over Australia – from supporting community initiatives, to providing much-needed medical equipment.

So when you buy a Hyundai, you're buying more than just a car. Together with Hyundai Help for Kids™** you're empowering thousands of young Australians and giving them a better future.

*Hyundai Help for Kids™ is a registered trademark of Hyundai Motor Company.

Kona.

Australia, in our DNA.

We're one of the biggest car manufacturers in the world – and one of the fastest growing global car brands.

We're also the only car company in the world producing its own steel, because we know the best steel makes for the strongest cars.

That's why we source the majority of our high quality iron ore from right here, in Australia's backyard. So now, when you buy a new Hyundai, you know you're driving a car that's directly connected to home.

Kona.
