

Women in motion Workshop. Get to know your Hyundai.

Get hands on car care knowledge to save you time, money and frustration.

Women in motion Workshop, part of the Hyundai iCare program, is a free, hands on workshop designed to give you a better understanding of how your car works (with complimentary snacks, drinks, and a safety kit upon completion).

We'll take you from bumper to bumper, giving you a rundown of your car's components, how they come together to keep you moving, and the simple things you can do to help ensure your car runs smoothly – from how to change a tyre and perform a jump start, to checking or changing the water and car oil.

You might know absolutely nothing, a little, or a lot – but you'll leave the Women in motion Workshop with the confidence to look after your car, just as much as it looks after you.

Call Shellharbour City Hyundai on 02 4629 0234 to book your spot today for the workshop being held on Wednesday 11th March 2020 or register online at hyundai.com/au/en/owning/wheels-workshop-events.
