Hyundai GlassCoat. 5 Year Exterior Warranty Record Book.

Genuine Accessories

Protect your vehicle and warranty.

Thank you for choosing to protect your vehicle's exterior with Hyundai GlassCoat. The treated exterior paintwork of your vehicle is now guaranteed for a full five years against weather-induced fading, oxidation and a range of other environmental factors.

This booklet is the official warranty record for your vehicle's Hyundai GlassCoat paintwork treatment. Keep it in a safe place and remember to have it updated by your authorised Hyundai Dealer at your annual scheduled services so that your guarantee remains valid.

For the guarantee to remain valid, you must also observe the maintenance advice on the back of this booklet and the other terms and conditions contained herein. Central to this is the annual inspection of the vehicle by the original supplying authorised Hyundai Dealer. Space is provided for your Hyundai technician to note any issues which may arise with the Hyundai GlassCoat treatment during the warranty period. This record will be required should any rectification under warranty subsequently be required.

Remember that your Hyundai GlassCoat guarantee is fully transferable.

Maintenance advice.

 **DO** wash your vehicle occasionally. The water repellent property of Hyundai GlassCoat creates a surface which dirt and grime is less likely to adhere to, making cleaning easier. Use vehicle wash concentrate with either a sponge or cloth, then rinse with clean water. Dry with a clean synthetic cloth or leather chamois.

 **DO** use a hand wash, jet wash or a mechanical car wash on regular setting if you wish.

 **DO NOT** wax or polish on top of the Hyundai GlassCoat coating.

 **DO NOT** apply any kind of conservers or wax top-ups.

IN THE EVENT of collision damage and repair, the Hyundai GlassCoat coating can be restored. Please consult your authorised Hyundai Dealer for reapplication to repaired areas as required.

Warranty terms and conditions.

The treated exterior paintwork of your vehicle is now guaranteed for a full five years. In the event of loss of finish, the vehicle owner must notify the supplying authorised Hyundai Dealer immediately.

Your vehicle's Hyundai GlassCoat treatment must be inspected no later than one year from initial application by the original supplying authorised Hyundai Dealer.

This record must be endorsed with any damage and/or rectification under guarantee noted, for warranty to remain valid.

Exclusions.

- Collision damage, vandalism, stone chips, fire, rust and owner negligence.
- Vehicle modifications carried out after the application of Hyundai GlassCoat.
- Damage resulting from abrasive polishes, acid wheel cleaners or cutting agents.
- Industrial fallout, acid rain, bird lime, tree sap, brake fluid and battery acid.

Claims.

In the event of a loss of finish, the vehicle owner must notify the supplying authorised Hyundai Dealer immediately. The authorised Hyundai Dealer will inspect the vehicle and warranty record book to confirm that Hyundai GlassCoat was supplied in accordance with approved procedure, and that the warranty record is valid. In the event that a failure of exterior protection under warranty has occurred, the authorised Hyundai Dealer will arrange for re-application to be carried out. When claiming through an insurance company for Hyundai GlassCoat rectification following collision damage, the cost must be recovered directly from the relevant insurance company.
