

2025 ELANTRA

Exterior

The new ELANTRA projects an energetic aura through the DNA of “Parametric Dynamics” and upgraded design proportions.

Thin-type Full LED Headlamp

Quarter Glass Cover

17" alloy wheels & tires

Interior

High-tech interior design and eco-friendly materials create a more refined and sophisticated vibe.

Soft-painted Interior

Passenger side crash pad garnish and upper door trim feature premium materials.

Eco-friendly Artificial Leather Seat

The seat cover creates a sustainable yet premium image.

Convenience

Advanced technology and a host of convenience features enhance your driving experience.

Panoramic Display

A panoramic display with a 10.25-inch full-color cluster and 10.25-inch navigation seamlessly tilted 10 degrees toward the driver allows for more stable visibility while driving.

Personalized Profile

The driving environment is automatically configured to match the user's profile upon user selection through the infotainment system screen or when unlocking the door using a digital key.

Bluetooth Multi-pairing

While driving, switch music between two smart devices connected wirelessly.

64 Color Mood Lamp

Watch the colors change depending on your speed and driving mode. Provides 64 different colors including 10 representative colors.

Wireless Smartphone Charger

Simply place your phone on the charging pad to enjoy improved charging performance.

Driver's Seat Memory System

Automatically adjusts your driving position by controlling the seat with one-button operation.

Electric Parking Brake with Auto Hold

The parking brake can be activated or deactivated at the touch of a button, and the Auto Hold function automatically keeps the brakes engaged when stopped for added convenience.

Performance

The new ELANTRA offers excellent fuel efficiency, a quiet ride and reliable R&H performance for the ideal everyday driving experience.

Smartstream G2.0 Gasoline Engine

149 Max. Power (ps/6,200rpm) **18.3** Max. Torque (kg·m/4,500rpm)

Safety

Revel in the safety of premium models with the new ELANTRA.

Rear Occupant Alert

Automatically detects whether there are occupants in the rear row of the vehicle. After the ignition is turned off and the driver's-side door is opened, an alarm sounds to remind the driver to check the rear row for passengers.

Safety Unlock

The enhanced safety unlock function protects drivers from intrusion.
