- The new Hyundai VERNA is the first in its segment* to secure 5-Star safety rating under Bharat New Car Assessment Programme (BNCAP)
- Demonstrates strong performance in Adult Occupant Protection (AOP) and Child Occupant Protection (COP) assessments
- Equipped with more than 75 advanced safety features and 35 standard safety features
- Features Hyundai SmartSense Level 2 ADAS with 20 advanced driver assistance technologies
- Comes with 7 airbags, Surround View Monitor, Blind Spot View Monitor and Dashcam for enhanced peace of mind
- Built to deliver uncompromised safety, premium comfort and exhilarating performance

**Gurugram | November 20, 2026:** Hyundai Motor India Limited (HMIL) today announced that the new Hyundai VERNA has achieved a 5-Star Safety Rating under the Bharat New Car Assessment Programme (BNCAP), becoming the first in its segment* to earn this distinction, reaffirming Hyundai's unwavering commitment to delivering world-class safety technology and quality engineering for Indian customers.

***Commenting on this milestone, Mr. Tarun Garg, Managing Director & CEO, Hyundai Motor India Limited, said****, "At Hyundai Motor India, safety remains at the core of our product philosophy. The 5-Star Bharat NCAP rating achieved by the new Hyundai VERNA is a testament to our commitment to providing the highest standards of occupant protection and advanced safety technologies to Indian customers. The new VERNA delivers an exceptional combination of style, technology, performance and safety. This recognition further strengthens customer confidence in Hyundai's engineering excellence and our vision of making safer mobility accessible to all."*

Launched in March 2026, the new Hyundai VERNA combines bold design, exhilarating driving dynamics, advanced technologies and a comprehensive suite of safety features, delivering a compelling blend of performance, comfort and peace of mind. Equipped with Hyundai SmartSense Level 2 ADAS, 7 airbags, Bose premium sound system and a host of comfort features, the new Hyundai VERNA exemplifies Hyundai's commitment to offering customers an exceptional mobility experience.

**What makes the new Hyundai VERNA a safe choice for customers?**

Safety remains a cornerstone of the new Hyundai VERNA, which is equipped with more than 75 advanced safety features and 35 standard safety features that are designed to deliver enhanced protection, prevention and peace of mind.
