

## Hyundai Motor India Limited announces Nationwide 'AC Checkup' Camp to Enhance Customer Comfort This Summer

- Pan-India campaign offering exclusive benefits on AC checkup, maintenance and value-added services to customers from **April 10 to April 18, 2026**

**Gurugram, April 09, 2026:** Hyundai Motor India Limited (HMIL), today announced a nationwide 'Hyundai AC Checkup' camp, aimed at ensuring optimal cooling performance and enhanced driving comfort for customers during the peak summer season. Scheduled from **April 10 to April 18, 2026**, the initiative will provide customers with **special benefits on AC checkups & related jobs, wheel alignment & balancing, and selected value-added services**, reinforcing Hyundai's commitment to proactive vehicle care and a seamless ownership experience.

**Commenting on this customer-centric initiative, Mr. Nilesh Shah, National Service Head, Hyundai Motor India Limited, said,** "At HMIL, customer satisfaction and convenience remain at the core of our service philosophy. With the onset of summer, we are pleased to introduce our nationwide AC checkup camp to ensure that our customers enjoy a comfortable and hassle-free driving experience. This initiative reflects our commitment to delivering proactive care and enhancing vehicle performance through our strong service network across India."

The AC Checkup Camp will be conducted across Hyundai's widespread service network, enabling customers to conveniently access expert diagnostics, genuine parts and trained technicians. Customers can visit their nearest Hyundai workshop to avail the benefits offered under this limited-period service initiative.

As part of the initiative, Hyundai customers can avail:

- **Free 30-point checkup** for all vehicles
- **Complimentary dry wash**
- **15% discount on AC servicing**, including AC gas refill
- **10% discount on AC components** such as compressor, condenser and cooling coil
- **15% discount on wheel alignment & balancing**
- **15% discount on value-added services**, including AC disinfectant and plastic restoration
