**Gurugram, March 20, 2026:** Hyundai Motor India Limited (HMIL) today announced the launch of the new Hyundai EXTER - a stylish and bold evolution of the brand's popular compact SUV. Appreciated by both customers and critics alike for its refined performance, reliable powertrain and versatility, the Hyundai EXTER blends bold SUV design with modern, advanced convenience tech, reliable performance and reinforced safety.

**Speaking on the launch of the new Hyundai EXTER, Mr. Tarun Garg, Managing Director & CEO, Hyundai Motor India Limited, said,** "Since its debut, the Hyundai EXTER has received an overwhelming response, earning the trust of over 2 lakh customers across India. With its bold design and segment defining features, Hyundai EXTER has played a pivotal role in reimagining the segment. Building on this strong foundation, the new Hyundai EXTER embodies a reinvigorated spirit of 'Drive to shine', with refreshed styling, a more premium cabin, smarter connectivity and an enhanced safety package. These upgrades further strengthen its appeal among families and young explorers seeking a versatile SUV that seamlessly blends style, practicality and everyday usability. The new Hyundai EXTER reaffirms HMIL's commitment to delivering world class technology, superior safety and a reliable SUV for young and ambitious India."

### **Elevated Exteriors**

The new Hyundai EXTER ups its SUV presence with bold front and rear bumper design, redesigned black radiator grille and striking new R15 (D=380.2 mm) diamond-cut alloys - topped off by a sporty wing-type spoiler for an unmistakable road presence. With proportions that further strengthen its SUV stance, the new Hyundai EXTER stands as the tallest in its segment, offering the longest wheelbase in the segment - delivering enhanced headroom and comfort to the passengers.

#### **Key exterior enhancements:**

- Wider and bolder front fascia with a **new centre garnish**
- **Tallest SUV in its segment with the longest wheelbase**
- **New tailgate and C-pillar garnish** for a sharper, more sporty rear profile
- Add-on **assertive wheel arch cladding** for a tougher, muscular look
- New distinctive **wing-type spoiler**

Crafted for urban explorers, the new Hyundai EXTER combines muscular SUV stance with nimble agility, making it the ideal companion for both city drives and weekend escapes.

<b>Dimensions of the new Hyundai EXTER</b>	
Length (mm)	3 830
Width (mm)	1 723
Height (mm)	1 643 <sup>^</sup>
Wheelbase (mm)	2 450
<small><sup>^</sup>with roof rails</small>	

### **Xpansive Interiors**

Inside the cabin, the new Hyundai EXTER feels more premium and more practical. The new dual tone Navy and Grey interior theme, 3D carbon pattern dashboard finish, and sporty D-cut steering wheel uplift its ambience.

Adding to its sporty feel, the new Hyundai EXTER also introduces **1<sup>st</sup>-in-segment metal pedals**, enhancing its driver-focused appeal. It continues to offer easy ingress and egress, generous knee and headroom, superior boot space of 391 litres<sup>5</sup> and a remarkably spacious cabin experience, now complemented by thoughtful upgrades such as driver seat height adjustment and adjustable rear

headrests standard across all variants, ensuring personalised comfort for both driver and passengers.

### Key interior enhancements:

- **1<sup>st</sup>-in-segment metal pedals**
- New **sporty D-cut steering** for a more dynamic, modern feel
- New **dual tone Navy and Grey interior theme** for an elevated cabin look
- New enhanced **3D carbon pattern dashboard finish** for a more sophisticated feel
- New **folding driver armrest** for added comfort on long drives
- **Semi-fabric seat upholstery** with a fresh new colour and pattern with EXTER branding for a more refined and stylish cabin
- Driver seat height adjustment and adjustable rear headrests now standard across all variants

### Thoughtful Technology

Strengthening its technology proposition, the new Hyundai EXTER continues to offer advanced convenience with a **1<sup>st</sup>-in-segment dashcam**, giving customers added safety assurance and everyday practicality. The new Hyundai EXTER offers smart connectivity with wireless Android Auto and Apple CarPlay, along with a Type-C USB port for rear passengers and broader Bluelink capabilities - making every drive more connected and convenient. The new Hyundai EXTER continues to offer popular tech such as Electric Sunroof, advanced digital cluster, and OTA updates for maps and infotainment.

## Key Tech highlights:

- **1<sup>st</sup>-in-segment dashcam**
- **Wireless Android Auto and Apple CarPlay**
- **New Type-C USB port for rear passengers**
- **Bluelink** with more than 60 connected features
- **More than 300 embedded voice commands** that work even without internet adding enhanced convenience for passengers

## Efficient Powertrain Options

Setting the benchmark with Hyundai's proven and reliable 4-cylinder 1.2 l Kappa Petrol engine with Manual and AMT transmission, the new Hyundai EXTER stands out as the only model in its segment to have a refined 4-cylinder powertrain. This advanced powertrain delivers smooth, efficient performance and inspires confidence across varying terrains and traffic conditions.

## EXTER Hy-CNG Duo

The new Hyundai EXTER Hy-CNG Duo layout with the 1.2 l Bi-fuel Kappa Petrol with CNG powertrain adds everyday practicality with dual cylinders and the addition of an underbody spare tyre as standard, efficiently preserving ample luggage space of 225 litres. Engineered for city commutes and weekend escapes alike, the new Hyundai EXTER retains its balanced ride and handling.

## Powertrain highlights:

- The only SUV in its segment with a refined **4-cylinder 1.2 l Kappa Petrol engine** offering a calm, polished driving experience in both city and highway conditions
- Spare tyre offered as standard across all variants
- 1.2 l Bi-fuel Kappa Petrol with CNG with **dual cylinders** with the addition of an **underbody spare tyre** now offered as standard, designed to preserve luggage capacity and deliver **ample boot space of 225 litres** for daily duties and long drives

**Reinforced Safety**

Safety is core to the new Hyundai EXTER's promise with more than 45 advanced safety features, offering comprehensive protection for every journey. The new Hyundai EXTER also comes equipped with 30 standard safety features, including the addition of Electronic Stability Control (ESC) and Hill-Start Assist Control (HAC), alongside 6 airbags as standard, continuing its legacy of democratizing safety.

**Safety highlights:**

- More than **45 advanced safety features** for added assurance
- **30 standard safety features** across the range
- **ESC and HAC** now standard
- 6 airbags standard

**Colours**

The new Hyundai EXTER is offered in 7 Monotone and 1 Dual Tone colour options with **2 new colour options**.

- Golden Bronze (NEW)
- Titanium Black Matte (NEW)
- Titan Grey
- Atlas White
- Starry Night
- Titanium Black
- Ranger Khaki
- Ranger Khaki with Black roof (Dual Tone)
