

Hyundai Motor India Limited announces Nationwide Hyundai Smart Care Clinic for Enhanced Ownership Experience

- Attractive offers and exclusive benefits for customers, offering enhanced vehicle care and after sales service
- 1600+ Hyundai service centres across India to organize the camp from **24th June'26 to 8th July 2026**

Gurugram | June 22, 2026: Hyundai Motor India Limited (HMIL) today announced its nationwide 'Hyundai Smart Care Clinic', a customer-centric service initiative aimed at providing comprehensive vehicle health checks, value-added services and special benefits to Hyundai customers across India.

Rooted in Hyundai's journey of 30 years in India and built on the pillars of Trust, Pride and Progress, the Hyundai Smart Care Clinic reflects HMIL's continued commitment to enhancing ownership experience through service excellence and innovation.

Scheduled from 24th June'26 to 8th July'26, the initiative will be conducted across Hyundai service centers nationwide, reaffirming Hyundai's focus on quality service, transparency and customer satisfaction.

Commenting on this customer-centric initiative, **Mr. Nilesh Shah, National Service Head, Hyundai Motor India Limited, said**, "As Hyundai celebrates 30 years of its journey in India, we remain committed to placing our customers at the heart of everything we do. The Hyundai Smart Care Clinic reflects our customer-first philosophy, offering proactive vehicle care and a holistic service experience. Through this initiative, we aim to strengthen customer trust by ensuring their vehicles remain in optimal condition, while delivering enhanced convenience, transparency and a truly rewarding ownership journey."

The nationwide Hyundai Smart Care Clinic offers a wide range of benefits to the customers such as:

- Complimentary 30-point vehicle health check-up covering key systems such as engine, brakes, electrical system and suspension
- **Up to 30% benefit** on Extended Warranty plans
- **Up to 30% benefit** on Mechanical Labour
- **10% benefit** on Mechanical & Maintenance Parts
- **Up to 30% benefit on** select Car Care Services
- **Up to 30% benefit** on Roadside Assistance package
- **10% benefit** on Bluelink subscription services

With the monsoon season expected to arrive across several parts of the country, the Hyundai Smart Care Clinic is especially timed to help customers prepare their vehicles for wet-weather driving conditions.

Beyond service benefits, this initiative encourages customers to undertake timely maintenance and essential repairs, contributing to better vehicle health, improved longevity, and enhanced driving experience.
