

Hyundai Motor India Limited Adds a Bold New VIBE to the Grand i10 NIOS

- Launches new VIBE edition with distinctive styling and enhanced features
- Dashcam (1st in segment)¹ added in VIBE edition & Asta variant of Grand i10 NIOS
- New Titan Grey Matte colour (only Matte colour in the segment) introduced for the Grand i10 NIOS

Gurugram, April 10, 2026: Hyundai Motor India Limited (HMIL) today announced the introduction of the new 'VIBE' edition in the Hyundai Grand i10 NIOS. The new VIBE edition brings a fresh, expressive character to the Grand i10 NIOS line-up through distinctive design elements and thoughtfully curated feature enhancements.

Hyundai Grand i10 NIOS has established itself as one of India's most trusted and popular hatchbacks, strongly resonating with more than 5 lakh customers across the country. With the introduction of VIBE edition, HMIL further strengthens Grand i10 NIOS portfolio by offering customers a more stylish and feature-rich package, while continuing to deliver Hyundai's hallmark reliability, comfort and peace of mind.

Commenting on the launch of VIBE edition variants of the Grand i10 NIOS, Mr. Amit Dhaundiyal, Head, Product Strategy & Planning, Hyundai Motor India Limited, said, "At Hyundai Motor India Limited, we are constantly evolving our product offerings to align with the aspirations of our customers. The introduction of the VIBE edition in the Grand i10 NIOS reflects our commitment to delivering enhanced value, style and convenience to new-age buyers. Alongside the VIBE edition, the addition of Dashcam in both the VIBE edition and Asta variant addresses the growing focus on road safety while also adding engaging features like photo capture and more. Further, the introduction of the new Titan Grey Matte colour resonates with the lifestyle and aspirations of our customers."

Hyundai Grand i10 NIOS Sportz VIBE & Sportz (O) VIBE edition variants:

The Grand i10 NIOS Sportz VIBE and Sportz (O) VIBE edition variants bring a bold and youthful identity to the line-up, combining a well-rounded feature package with exclusive VIBE enhancements.

Key features of VIBE edition:

- Black interior with red inserts (VIBE exclusive)
- 175/60 R15 (D = 380.2 mm) black painted alloy wheels (VIBE exclusive)
- Leather-wrapped steering wheel
- Dashcam (1st in segment)
- Smart key with push button start (available with Sportz(O) VIBE)
- 20.25 cm (8") touchscreen display audio with Android Auto & Apple CarPlay
- Cruise control
- Projector headlamps

¹ Segment considered as hatchback with an overall length not exceeding 3 860 millimetres and petrol engine capacity between 1197 - 1199 cc. Segment comparisons are based on product specs mentioned in respective official websites as on 08 April 2026.

- Automatic air conditioning
- Rear AC vents
- 6 airbags
- Tyre pressure monitoring system (TPMS) - highline

Addressing evolving safety expectations and everyday mobility needs, newly introduced Dashcam offers multiple recording modes and enables instant “On Demand Video” downloads directly to mobile devices via a dedicated app, offering added reassurance, convenience and peace of mind on every journey.

Dashcam recording modes:

- Driving recording
- Emergency & event recording
- Vacation recording
- On demand video
- Photo capture

The Hyundai Grand i10 NIOS VIBE edition will be offered with both 5-speed manual and Smart auto AMT transmission options, providing customers the flexibility to choose as per their driving preference.

In addition to the introduction of the new VIBE edition, Hyundai Motor India has introduced new Titan Grey Matte colour for the Grand i10 NIOS. The company has also enhanced the Grand i10 NIOS Asta variant with the addition of Dashcam further enhancing everyday convenience for customers.
