Gurugram | May 01, 2026: Hyundai Motor India Limited (HMIL) achieved monthly domestic sales of 51,902 units in April 2026, reporting a healthy year-on-year growth of 17% - HMIL's highest-ever tally for domestic sales for the month of April since inception. HMIL also achieved monthly export sales of 13,708 units in April 2026.

Commenting on the April 2026 sales results, Mr. Tarun Garg, MD & CEO - HMIL, said:

“We have opened the new financial year on a strong note, carrying forward the momentum built in recent months into April 2026. With monthly domestic sales of 51,902 units, Hyundai Motor India has achieved its highest-ever April domestic sales, registering a robust 17% year-on-year growth. The encouraging response to our recent product interventions, including the new EXTER, VERNA, IONIQ 5 and CRETA Summer Edition, Grand i10 NIOS Vibe Edition and VENUE Knight Edition - has reinforced the competitiveness of our line-up. The 5-Star Bharat NCAP rating for VENUE and VENUE N Line further exemplifies our steadfast commitment to safety, contributing to the model's highest-ever monthly domestic sales of 12,420 units. As we move ahead, we remain dedicated to delivering future-ready innovation, benchmark safety and a delightful ownership experience for customers across India.”
