

AVANTE

Now, more attractive The new AVANTE

And even more stylish.

Enjoy a whole new lifestyle with

AVANTE's advanced basics and unparalleled details.

Exterior

The new design stretches horizontal graphics to create lower, wider proportions, emphasizing "parametric dynamics."

Inspiration (Meta Blue Pearl)

Neotronic black radiator grille, LED daytime running lights (DRL, positioning included), chrome beltline moldings, aero-type wipers

Full LED headlamps (projection type) & LED turn signals lamps

17-inch alloy wheels & tires

LED rear combination lamps

Inspiration (Sage Green color package)

Soft-painted interior (passenger side crash pad garnish, door upper trim), ambient mood lamps

Interior

The slim, wide, and horizontal layout complemented by high-tech interior features offers a unique atmosphere.

Adjustable Depth Cupholders

The depth of the cupholder can be conveniently adjusted via a rotating plate to accommodate both large and small cups.

Eco-friendly Bio Authentic Leather Seats

The leather used for the seats is processed in an environmentally friendly way using vegetable oil extracted from flax seeds.

Function

Advanced technology and a host of convenience features enhance your driving experience.

Panoramic Display

A panoramic display with a 10.25-inch full-color cluster and 10.25-inch navigation seamlessly tilted 10 degrees toward the driver for easy operation and a high-tech feel.

Surround View Monitor

For safe parking, the surround view monitor shows the situation around the vehicle in crystal-clear image quality by applying a high-definition camera and digital video transmission method.

Blind-Spot Monitor

In conjunction with the turn signal operation, this system assists in visual safety driving by displaying blind spot images on the cluster that greatly improves the blind spot area of the outside mirrors when changing lanes.

Electric Parking Brake with Auto Hold

The parking brake can be activated or deactivated at the touch of a button, and the Auto Hold function automatically maintains the brakes when stopped for added convenience.

Dual Full Auto Air Conditioning with Auto Defog/Fine Dust Sensor/Air Clean Mode/Afterblow

Monitors the air quality inside the vehicle in real time and operates the auto air purification function to provide a comfortable interior environment and after-blow to reduce air conditioner odor.

* After Blow requires an in-screen setting in the infotainment system.

Digital Key 2 Touch

Controls door locking/unlocking and ignition with iPhone, Apple Watch, and Android smartphones, i.e., Samsung smartphones. Pairs with up to seven devices for easy access.

*Visit Hyundai's website for the list of devices compatible with Digital Key 2 Touch.

Premium Sound (8-speaker with external amplifier)

Delivers a sophisticated and vibrant sound experience while driving by adjusting acoustics based on speed.

Built-in Cam

A built-in high-resolution dash cam allows recorded footage to be viewed on the AVN screen or shared on social media via smartphone app integration.

Driving

AVANTE delivers a comfortable ride with reliable driving performance.

Smartstream Gasoline 1.6

123 Max. Engine Power
PS/6,300rpm

15.7 Max. Torque
kgf-m/4,500rpm

15.3 Combined fuel economy
km/ℓ(Smartstream IVT, 15-inch tires)

LPI 1.6

120 Max. Engine Power
PS/6,000rpm

15.5 Max. Torque
kgf-m/4,500rpm

10.5 Combined Fuel Economy
km/ℓ(based on 6-speed automatic, 15-inch tires)

Inspiration (Meta Blue Pearl)

Improved Ride Quality

AVANTE's improved suspension and vehicle response deliver minimized jolts over uneven road surfaces and offer a comfortable ride. It also improves ride quality for a more refined driving experience, and provides more flexible handling with inclined bearings.

Aerodynamic Optimization

Design optimization of cooling openings, air curtains, and bumper lip/rear bumper diffuser designs to minimize drag and improve flow for better fuel economy and high-speed driving stability.

Hybrid

Optimized hybrid systems, including driving situation-specific modes and engine/motor drive control, deliver high efficiency.

Gasoline 1.6 Hybrid

105 Max. Engine Power
PS/5,700rpm

15.0 Max. Torque
kgf·m/4,000rpm

21.1 Combined Fuel Economy
km/ℓ(6-speed DCT, 16-inch tires)

Inspiration (Ecotronic Gray Pearl)

Hybrid-exclusive Features

A variety of dedicated features, including driving and fuel economy information, energy flow charts, ECO driving, and more, make driving fun and smart.

Regenerative Braking System

When decelerating, kinetic energy is converted into electrical energy to charge the battery, which is then used for normal driving to improve energy efficiency.

Multi-link Rear Suspension

The suspension delivers a comfortable ride during daily driving and provides stability during sporty, high-speed driving and cornering through improved traction, shock dispersion, and minimized vibration.

N Line

The N Line exclusive design accentuates a sporty vibe with dynamism and sophistication.

N Line Inspiration (Ultimate Red Metallic)

N Line exterior emblems, black side view mirror covers, glossy black DLO moldings (including beltline), side skirts, rear diffuser, single twin-tip muffler

N Line Exclusive Front Bumper

N Line Exclusive Rear Bumper

N Line Exclusive 18-inch Alloy Wheels & Tires

N Line Exclusive Lip-type Rear Spoiler

N Line Inspiration Full Option (Black Monotone with Red Stitching)

N Line black headlining, visor and pillar trim, red stitching on door center trim, metal pedals & footrests

N Line Exclusive Semi-punching Leather-upholstered Steering Wheel (heated with red stitching)

N Line Exclusive Leather Gear Knob (including red stitching)

N Line Exclusive Authentic Leather Seats (red stitching and piping and suede patched N logo on the seating surface)

Hyundai SmartSense

Hyundai Smartsense is an advanced driver assistance system that ensures a safe and convenient driving and parking experience.

Forward Collision-Avoidance Assist (Vehicle/Pedestrian/Bicyclist/Cross Traffic)

Warns the driver when a frontal collision risk is detected, such as when the vehicle ahead suddenly slows down, or when a stopped vehicle, pedestrian, or bicyclist appears in front of the vehicle, and automatically helps to brake if the risk of collision increases even after the warning.

Blind-spot Collision Warning(driving)/

Blind-spot Collision-avoidance Assist(forward exit)

Alerts the driver of the potential for a collision from the rear when the turn signal indicator is switched on for lane changes. The system also helps the driver activate the brakes in the event of an impending rear or side collision when pulling away forward from a parallel parking space.

Safe Exit Warning

When an occupant opens a door to exit the vehicle after stopping, if a vehicle is detected approaching from the rear, you will receive a warning. warns you.

Navigation-Based Smart Cruise Control (on safe driving zones and curved sections of the road)

The Smart Cruise Control ensures safe driving by automatically adjusting the vehicle speed according to road conditions on highways.

- Safe driving zones: Reduces vehicle speed automatically when entering
- Exiting safe driving zones: Resumes back to its original speed automatically
- Curved sections: Reduces vehicle speed properly when entering
- Exiting curved sections: Resumes back to its original speed automatically

Highway Driving Assist

Helps maintain a safe distance on the highway from the vehicle in front, steering the vehicle so it remains centered within its lane even on the curved sections of the road at a speed preset by the driver.

Rear Cross-Traffic Collision Prevention Assist

Monitors areas to the left and right when the vehicle is in reverse and alerts the driver of any approaching traffic on either side. The brakes activate automatically, if necessary, to avoid an impending collision.

Lane Keeping Assist

Helps you stay centered in your lane.

* Curb weight (C): The curb weight of the certified fuel economy with the built-in cam applied.

Please follow designated speed limits for maximum fuel efficiency.

-Fuel efficiency above is based on the standard model and may differ from actual fuel efficiency in accordance with road conditions, driving habits, vehicle load, vehicle maintenance and ambient air temperature. -Images in the digital catalog may show optional equipment and may differ from the actual vehicle purchased. -The specifications, colors, and specifications shown in this digital catalog are subject to change to improve the appearance and performance of the vehicle. -The engine performance above is the net value, which has been a legal requirement from the Ministry of Land, Infrastructure and Transport since 1997. It represents a fuel efficiency measuring technique that incorporates emission gas resistance. Net value may be slightly lower than gross value. -Leather seats include some synthetic leather. For key parts of combination seats, natural leather is used. -Vehicle colors in this publication may vary from actual vehicle colors. -Rental cars may operate some specifications differently. Please refer to the price list for that month. -This catalog is based on gasoline 1.6 models, hybrid and LPI models operate some specifications differently. -Hyundai Motor Company sells vehicles only through Car Masters in its branches and agencies while engaging in good trade practices at the same prices for the same products all over the country. -Using oils and fuels of inadequate quality or performance can cause damage to the vehicle. -For details on new technologies and new specifications listed in this catalog, please refer to the Owner's Manual.

AVANTE Hybrid Warranty	
Special Warranty for Hybrid Components	10 years / 200,000km - Drive motor, high-voltage battery, HPCU (Hybrid Power Control Unit)
Resale Value Guarantee	You can sign up for this program at the of purchase. The resale price for a currently owned vehicle is guaranteed when replacing it with a new Hyundai Motor Company vehicle within three years. The high guaranteed rates are to ensure customer satisfaction. - Target: Individual original customers (Employees of Hyundai Motor Company, individual/corporate businesses, and etc. are excluded) - Guaranteed rates: 77% or less for up to 1 year, 70% or less for up to 2 years, and 64% or less for up to 3 years

* The benefits offered through the warranties above may be subject to change.

* Contact a branch or dealership for details.

Images in this catalog are intended to enhance customer understanding and focus on high-end models and optional features. The features introduced herein may vary by trim model, package, powertrain, and exterior color. Please refer to the monthly price table for more detailed features specific to each model.

The advanced technology of Hyundai's BlueLink system helps keep both the driver and the vehicle safe in any situation. BlueLink is always there to keep you safe, regardless of the location or time of day. Experience the unique joy of safe and comfortable driving.

Remote Control

In the extremely hot summer or cold winter months, you can link your smartphone to the air conditioner or heater to set and control the temperature inside the vehicle. Enjoy a pleasant driving experience with BlueLink.

Safety security

The BlueLink Center works 24 hours a day, 365 days a year. If an airbag opens due to an accident, the Center automatically detects your location and takes appropriate actions according to the situation, such as contacting the police, ambulance, insurance company, etc.

Vehicle Management

Services include real-time trouble detection while the vehicle is running and regular vehicle inspections on pre-arranged dates. In the event of vehicle trouble, immediate professional consulting is available, and you may conveniently make reservations for repair at the time and location of your choice.

Navigation

This function enables the driver to conveniently search for destinations through voice command and suggests optimum routes based on an independent analysis of real-time traffic information. The driver can search a database of upto-date information to find even newly created destinations.

* 5 years of BlueLink service is provided for free upon purchase of a vehicle. Light Services (emergency SOS dispatch, automatic airbag deployment notification, monthly reports, traffic updates, etc.) are provided at no charge for an additional 5 years afterwards. * Certain features (Digital Key 2 Touch, Hyundai CarPay, Wireless Software Updates (OTA), Wireless Infotainment Updates, etc.) are available only upon BlueLink registration. * During the Light Service period, you can still utilize the Wireless Software Updates (OTA). * For inquiries: Contact the BlueLink KakaoTalk Customer Care Center (Add 'BlueLink' via the KakaoTalk search window).
