 This price list is an unofficial translation of the Korean price list for the convenience of foreign residents in South Korea.
 If the price list differs from the Korean price list, please check the contents of the Korean price list first.

※ Please check the Korean price list for information on colors, details, and fuel consumption for each model.
 ※ The final price, with optional items included, may differ depending on the maximum individual consumption tax benefit.
 (To see the final selling price, check the estimate.)
 ※ The prices of all optional items do not reflect the individual consumption tax benefit.
 Please make sure to check the actual selling price after the individual consumption tax benefit is applied.
 ※ The items (specifications, colors, etc.) and prices listed in this pricing table are subject to change without prior notice depending on the holding of new car launch events, improvements made in automobile performance, introduction of related laws and regulations, and changes in company circumstances.
