

PORTER II

Extra Long Super Cab Premium (Ivory)

Your success story begins now.

Dream big and make it happen.
Success is not given—it is earned.
We commend you for your hard-working attitude.
The new PORTER II will always be by your side.

Exterior

Headlamp - The headlamp with sensual chrome bezel create intensive images.

Bumper guard - Protects the bumper and the entire vehicle and gives the vehicle a more aggressive look.

Full-sized wheel cover - The newly designed wheel cover has been improved in terms of both function and appearance.

Mirror-mounted LED turn signal lamp - These stylish mirrors allow drivers to change lanes safely.

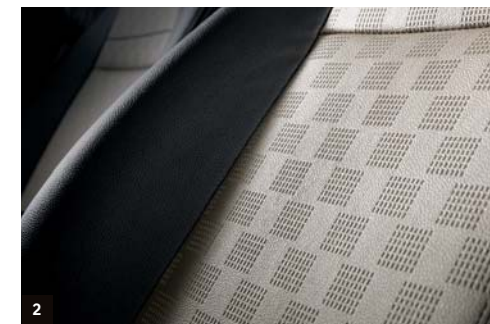

* The chrome headlight bezel, full-size wheel cover (Premium trim), and bumper guard are only available on the Premium trim.

* The Mirror-mounted LED turn signal are on the Modern trim and higher.

Interior

Setting a new precedent for premium 1-ton trucks.
Making advancements through human-centered cabin space.

In order to ensure that all passengers enjoy comfortable driving experiences, the vehicle's cabin space features a human-centered design, including a cluster with excellent visibility, TUIX navigation system capable of operating under any driving conditions, and high-quality wood and metal grain.

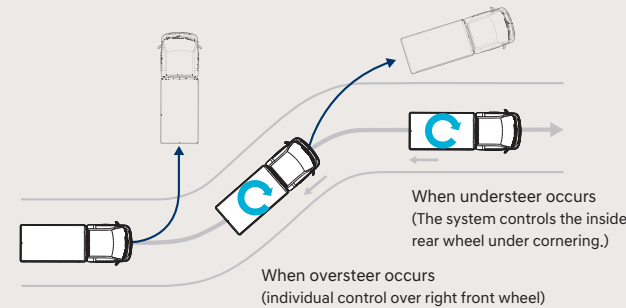

- 1 Cluster - The display has been designed with care and precision, ensuring that it provides accurate information to the driver.
- 2 Artificial leather seat - Using a new material, the seat has been improved to provide greater comfort.
- 3 Door panels & woodgrain - The interior has been redesigned to achieve a sophisticated finish. (automatic driver's side window roll-down feature)
- 4 Full automatic air conditioning - The air inside the vehicle is automatically controlled to maintain an ideal temperature.
- 5 Audio system (CDP & MP3) - Supports various types of multimedia, including MP3 and CDP.

* Navigation map update service is guaranteed for 8 years after purchase of vehicle and may expire after that depending on situation of our company.

Safety

The airbags installed in front of the driver's and passenger's seat and the parking assist sensors provide an increased level of safety, and each trim comes with numerous features, such as Electronic Stability Control (ESC), ABS brakes, and Emergency Stop Signal (ESS).

Electronic Stability Control (ESC)

- **ABS**- Improves vehicle control while braking or steering by preventing wheel lockup.
- **EBD** - Prevents the vehicle from spinning out of control due to rear-wheel lockup by controlling the distribution of braking pressure.
- **BAS**- Assists emergency braking by increasing the vehicle's braking pressure.
- **TCS**- Increases traction upon acceleration through improved control of the engine and brakes.
- **HAC** - Prevents vehicle from rolling when starting or stopping on an incline.

- 1 Airbags for the driver and front passenger** - Both the driver and front passenger are protected by airbags.
- 2 Rear parking assist system** - When backing-up, the system senses nearby objects and alert the driver with signals, thus compensating cargo-blocked rear visibility.
- 3 Tire Pressure Monitoring System (TPMS)** - The TPMS alerts you of any adverse changes in tire pressure, thus helping you stay prepared. (for the 4WD model)

Performance

The PORTER II is equipped with a 4WD system and features a fuel-efficient, eco-friendly 2.5 CRDi engine that complies with the EURO VI regulations, allowing it to deliver top performance even under difficult driving conditions, such as unpaved or slippery roads and slopes.

Maximum Power

133 PS
3,600 rpm

Maximum Torque

26.5 kg·m
1,250~3,500 rpm

2.5 CRDi engine

The powerful, eco-friendly engine satisfies the EURO VI emission standards and features a high-strength timing chain, thus reducing maintenance costs.

- 1 6-speed manual transmission / 5-speed automatic transmission** - Provides both the fuel efficiency of a manual transmission and the convenience of an automatic transmission.
- 2 4-wheels switch-over lever** - The switch-over lever enables the driver easily changing over to 4WD when running in challenging road conditions.

Capacity

Extra Long Double Cab Premium (Ivory)

Practicality over aesthetics: the key to increasing business competitiveness.

The high utility of the cabin space and cargo storage provides a great advantage in business. In addition, the roomy interior and power windows in the back ensure that all passengers travel in comfort.

- 1 Double Cab** - If you need more passenger space, this model is your choice for carrying more people, more comfortably.
- 2 Side step for Double Cab only** - The Double Cab side steps help second row passengers get into and out of the vehicle.
- 3 Second row power windows** - Now passenger in the second row seat can enjoy open, pleasant riding experience. (available on Premium trim)
- 4 PTO (Power Take Off)** - The PTO device is very useful when supplying power to other machinery such as agricultural machines and special machines. (excluding the 2WD Double Cab)
- 5 Second row toolbox** - Promotes productivity through the efficient use of storage space.

Line up

The PORTER II comes in a wide range of trims.
No matter what direction you choose to take your
business, the PORTER II will take you where you
need to go.

Maintain a constant speed to drive more efficiently.

- ▶ The above figures are based on the standard mode, and may be different from the actual figures depending on road conditions, driving habits, cargo, maintenance status, and outside temperature.
- ▶ The vehicles shown in the pictures of this brochure may have old fuel consumption ratings that differ from those provided here, depending on when they were manufactured.
- ▶ The vehicles shown in the pictures of this brochure may contain options, and therefore may be different from the actual vehicles ordered.
- ▶ The specifications and colors in this brochure are subject to change to improve the exterior and performance of the vehicles.
- ▶ The above engine performance results are NET figures. “NET” figures are calculated by taking into account the resistance of the emission gas, and may be lower than the previously used GROSS figures. Since 1997, the use of NET figures has been legally enforced by the Korean Ministry of Land, Infrastructure and Transportation.
- ▶ The colors of the vehicles in this brochure may be somewhat different from the actual colors.
- ▶ **Hyundai Motor Company sells cars only through its branches and designated dealers. Hyundai Motor Company is committed to fair trade practices, with the same price and quality of vehicles nationwide.**
- ▶ **Use of non-genuine parts (such as engine oil and transmission oil) or poor quality fuel may severely damage the vehicle.**
- ▶ **For more information about the new technologies and specifications described in this brochure, please refer to a user's manual.**

This printout has been produced to aid in customers' understanding and is based on the most premium model and options. Actual specifications may differ from those in this printout depending on the trim, package, powertrain and exterior color. See the monthly pricelist for the specific details of each model.
