KONA

LEBANON'S BEST
6-YEAR WARRANTY
120,000km

cciona

You drive it. You define it.

Real style is a matter of being yourself on purpose. Like the all-new KONA. Distinctive and individual, its uniquely confident look sets it apart from every SUV in the class. Because we don't really see the fun in more of the same.

Go on, live a little. You are the driver of your life.

Design

Confident and unique, the all-new KONA has been designed to turn heads - and to raise pulses. The bold exterior design catches the eye with muscular sculpted shapes, sleek LED lighting and one-of-a-kind details that highlight the strong Hyundai SUV DNA at its core.

Cascading grille and twin headlight design

LED headlamps and daytime running lights

LED rear lamps
Two-tone exterior mirrors with LED indicator

Sporty silver side sill
Two-tone roof and rear spoiler

18" alloy wheels

You boost it.

As you like it. Power, fun and efficiency.

KONA offers the choice between 3 highly efficient engines:

- 1.6 turbocharged GDI that delivers 177 HP with a 7-speed dual-clutch transmission (DCT). The DCT combines the fuel efficiency and driving fun of a manual transmission with the convenience of an automatic transmission.
- There is also a powerful 2.0L MPI engine delivering 149 HP that comes with a 6-speed tiptronic transmission also optimized for a great fuel-efficiency.
- And finally and downsized 1.0 T-GDI engine with 120 HP that comes with a 6-speed manual transmission optimized for a greater fuel-efficiency.

7-Speed Dual Clutch Transmission (DCT)

6-Speed Tiptronic Transmission

Kappa 1.0 T- GDI Gasoline

120 Maximum power
ps/6,000rpm

17.5 Maximum torque
kg·m/1,500~4,000rpm

Gamma 1.6 T- GDI Gasoline

177 Maximum power
ps/5,500rpm

27.0 Maximum torque
kg·m/1,500~4,500rpm

2.0L MPI Nu Gasoline

149 Maximum power
ps/6,200 rpm

18.3 Maximum torque
kg·m/4,500 rpm

You match it.

It's also the attention to detail that makes the all-new KONA so special. Discover an exceptional level of comfort with high quality materials throughout, for a sensuous and refined feel. And for a personal touch, you can choose from four colour combinations to customise your interior. No more boring dashboards! The colour options feature accents throughout the cockpit including finely tailored contrast stitching on the steering wheel and seats-and if you like, you can even choose colourful seat belts*.

* Available only in combination with red and lime interior accent options.

You rock it.

Stay online in the city or get offline, go off-road and crank the music all the way up. The premium sound system from KRELL delivers stellar sound performance so you can rock it in style. And no matter how you choose to explore what drives you, the all-new KONA provides you with the seamless connectivity you expect and innovative tech that makes life easier. Like an 8" touch screen display that makes everything easily accessible with Apple CarPlay™ and Android Auto™. Express yourself.

Premium sound system from KRELL
(Available 8" Touch Screen Option)

Touch Screen + Apple Car Play & Android Auto Full Connectivity

You fit it.

Designed to fit everything you and your busy life can throw at it. The versatile KONA offers plenty of room for both passengers and cargo - it is amongst the best in class for leg, shoulder and headroom. And the wide-opening rear hatch and low load height makes loading quick and hassle-free. A compact SUV that doesn't compromise on space, KONA also delivers an outstanding trunk capacity of 361 litres. It's also simple to adjust : you can fold down the rear seats in seconds with a single touch. And with the seats folded flat, you have a roomy 1,143 litres of space - perfect for weekend escapes.

Safety

The all-new KONA benefits from superior rigidity through the use of advanced high strength steel and high impact energy absorption that protects passengers in the event of a collision. The structure of the cabin is designed to disperse energy in the event of a collision, therefore reducing impact to occupants.

Parking Distance Warning - Forward

Parking can trigger anxiety in some drivers but this handy system will have you parking like a pro. Sensors gauge the remaining distance and issue a series of audible alerts as the car gets closer.

Rear-view camera

The rear-view camera ends all worries about what could be hidden behind you like a parking bollard or a playing child. Shifting into reverse gear activates the rear-view camera allowing you to back-up with total confidence.

Blind-Spot Collision Warning

Using 2 radar sensors in the lower rear bumper, the system visually warns you of traffic in the blind spot area. Should you set the turn indicator in such a situation, the Lane Change Assist will sound an acoustic alert.

Rear Cross-Traffic Collision Warning

When reversing out of a narrow parking space, the Rear-Cross Traffic Collision Warning reduces the risk of a collision. Using 2 radar sensors at the rear, it warns you in case of any approaching cross traffic.

Tire Pressure Monitoring System

TPMS is constantly checking the pressure of your tires. If the pressure drops below the safety threshold, TPMS will trigger a warning light on the central gauge cluster to let you know which particular tire requires your attention.

Features

LED daytime running lights
Roof rails

Projection headlamps
Electric adjustable and heated exterior mirrors
with LED indicator

LED headlamps
Privacy and solar glass
