

GRAND i10

4-Door

It's your move.

The Grand i10 sedan is ready for your next move with a jazzy, new, look that will strike up conversations wherever your travels take you. Its zippy but economic 1.2-liter Kappa power plant will definitely put pleasure back into driving. And to help you stay in touch while on the go, Grand i10 offers advanced connectivity features such as the 8-in HD touchscreen and Type-C USB port.

Design

Grand i10 steps up your game with a punchy, racier new look that will have heads turning. Front and rear lighting groups add a light touch of high-tech while the bigger, bolder grille gets the sporty. And for the crowning touch, alloy wheels feature a radical new design.

Space

Step into the cabin to discover how pleasantly spacious Grand i10 feels. The two-tone color scheme creates a bright and cheerful ambiance, while the cargo area provides ample storage space.

Convenience

From the 8-in HD multimedia touchscreen to the LCD multi-info center on the gauge cluster, Grand i10 provides a wide array of well-designed convenience features: Everything about them is perfectly intuitive, and they are a pleasure to use—the hallmarks of good design.

Speedometer with multi-info display

The 2.8-in LCD nestled between the speedometer and tachometer shows the basics: fuel, coolant temperature, odometer, and gear-shift position indicator, while the more capable 3.5-in LCD serves up distance-to-empty, outside temperature, average fuel economy, and more.

Fast USB charger (Type C)

In addition to the legacy 4-pin Type-A USB port, Grand i10 gives you the latest 24-pin Type-C USB port for improved connectivity. That means considerably faster recharging times for your mobile devices and quicker transfer of data.

8" multimedia display

Enjoy on-the-go connectivity with the 8-in high-definition touchscreen and its easy-to-navigate icons. Pairing your Apple or Android device is easy peasy, so you can enjoy hands-free conversations and access your favorite apps en route.
