The new ELANTRA highlights

ELANTRA

This is how you dare

The new ELANTRA is bold and sophisticated with even more stylish changes. Refined sportiness, exquisite interior design, and advanced safety and convenience features create a lifestyle that's optimized for those who challenge the future on their own terms.

Exterior

The new ELANTRA projects an energetic aura through the DNA of “Parametric Dynamics” and upgraded design proportions.

Thin-type Full LED Headlamp

Quarter Glass Cover

17" alloy wheels & tires

Interior

High-tech interior design and eco-friendly materials create a more refined and sophisticated vibe.

Soft-painted Interior

Passenger side crash pad garnish and upper door trim feature premium materials.

Eco-friendly Artificial Leather Seat

The seat cover creates a sustainable yet premium image.

Convenience

Advanced technology and a host of convenience features enhance your driving experience.

Panoramic Display

A panoramic display with a 10.25-inch full-color cluster and 10.25-inch navigation seamlessly tilted 10 degrees toward the driver allows for more stable visibility while driving.

Personalized Profile

The driving environment is automatically configured to match the user's profile upon user selection through the infotainment system screen or when unlocking the door using a digital key.

Bluetooth Multi-pairing

While driving, switch music between two smart devices connected wirelessly.

64 Color Mood Lamp

Watch the colors change depending on your speed and driving mode. Provides 64 different colors including 10 representative colors.

Wireless Smartphone Charger

Simply place your phone on the charging pad to enjoy improved charging performance.

Driver's Seat Memory System

Automatically adjusts your driving position by controlling the seat with one-button operation.

Electric Parking Brake with Auto Hold

The parking brake can be activated or deactivated at the touch of a button, and the Auto Hold function automatically keeps the brakes engaged when stopped for added convenience.

Performance

The new ELANTRA offers excellent fuel efficiency, a quiet ride and reliable R&H performance for the ideal everyday driving experience.

Smartstream G1.6 Gasoline Engine

123 Max. Power (ps/6,300rpm)

15.7 Max. Torque (kg·m/4,500rpm)

Gamma 1.6 MPi Gasoline Engine

127.5 Max. Power (ps/5,700rpm)

15.77 Max. Torque (kg·m/4,850rpm)

Smartstream G2.0 Gasoline Engine

149 Max. Power (ps/6,200rpm)

18.3 Max. Torque (kg·m/4,500rpm)

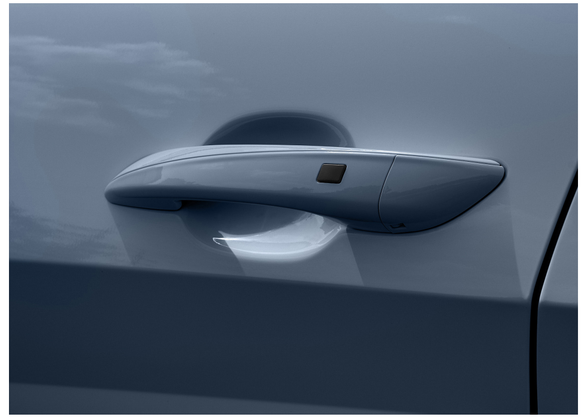

Safety

Revel in the safety of premium models with the new ELANTRA.

Rear Occupant Alert

Automatically detects whether there are occupants in the rear row of the vehicle. After the ignition is turned off and the driver's-side door is opened, an alarm sounds to reminds the driver to check the rear row for passengers.

Safety Unlock

The enhanced safety unlock function protects drivers from intrusion.

Hybrid

Enjoy a smarter, more efficient ride with a hybrid system that adjusts optimally to your driving conditions.

Kappa G1.6 Hybrid Engine

105 Max. Power (ps/5,700rpm)

15.0 Max. Torque (kg·m/4,000rpm)

Hybrid-exclusive Features

Experience intelligent driving with exclusive hybrid features like energy flow visualization and ECO driving.

Regenerative Braking System

Embrace efficiency: our system harnesses the energy from braking and converts it into electricity to power your drive.

Multi-link Rear Suspension

For everyday commuting, enjoy a smooth and comfortable ride. For high-speed thrills and tight corners, rely on the suspension's superior traction, shock absorption, and vibration reduction.

N Line

The N Line's exclusive design adds dynamic and stylish driving to a sporty exterior.

N Line Exclusive Front Bumper

N Line Exclusive Rear Bumper

N Line Exclusive 18-inch Alloy Wheels and Tires

N Line Exclusive Lip-type Rear Spoiler

The exclusive design with high-performance N DNA and the red accent offers an immersive driving experience.

N Line Exclusive Sports Steering Wheel with Extended Paddle Shifters
N Line Exclusive Leather Gear Knob

N Line Exclusive Authentic Leather Seats

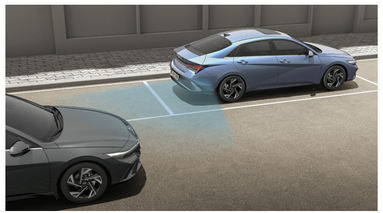

Hyundai SmartSense

Forward Collision-Avoidance Assist (FCA)

Monitors your surroundings and warns you if there is a risk of collision. After the warning, if the risk of collision increases with the target (e.g. a leading vehicle which suddenly slows down, a vehicle, a PTW, a pedestrian or a cyclist in the front), it automatically assists with emergency braking. If the risk of collision with an oncoming vehicle or a PTW increases while turning left at an intersection or if the risk of collision with an oncoming vehicle increases while driving in the lane, it automatically assists with emergency braking.

Blind-Spot Collision-Avoidance Assist (BCA)

Warns you if there is a risk of collision with a rear side vehicle in the blind-spot while changing lanes. After the warning, if the risk of collision increases, it automatically controls the vehicle to help avoid a collision. When forward exiting a parallel-parking spot, if there is a risk of collision with a vehicle approaching from behind, it automatically assists with emergency braking.

Safe Exit Warning (SEA)

When the occupant opens the door to exit the vehicle after a stop, if an approaching vehicle from the rear is detected, the system provides a warning and helps keep the rear door closed through operation of an electronic child lock.

Rear Cross-Traffic Collision Prevention Assist (RCCA)

Provides a warning if there is a risk of collision with an oncoming vehicle on the left or right side while reversing. After the warning, if the risk of collision increases, it automatically assists with emergency braking.

Lane Following Assist (LFA)

Helps center the vehicle in its lane.

Features

15" Steel Wheel & Wheel Cover

15" Alloy Wheel

16" Alloy Wheel

17" Alloy Wheel

18" Alloy Wheel(N Line)
