Dealer string
All you ever wanted.
The all-new Accent is big on style and features.
The all-new Accent gives you everything you have ever wanted in a family car and much more. The style is strong and confident, equal to the best in the business. Inside, Accent is surprisingly spacious and offers loads of cargo space, handy for those long trips. And when it comes to performance and safety, Accent checks all the boxes, leaving nothing to be desired. Accent: It’s the start of a great journey.
The beauty is in the details.

Take the ordinary and transform it into the extraordinary: That’s the beauty of Accent. The latest LED and projection technologies have been applied to the front lighting package to maximize visibility. Chrome detailing on the front grille and around the fog lamps take Accent to a higher level.
Steering wheel includes remote control functions for audio, cruise control and Bluetooth.

Automatic climate control
Simply set the desired temperature and the powerful blower provides air conditioning, heating and ventilation to keep you perfectly comfortable regardless of the outside weather conditions.

Connectivity (USB/AUX)
Connect smart devices and enjoy them through the Accent’s speaker system. 12V power outlet and lighter included.

5.0” Multimedia display
Multi-function LCD provides backup camera image, climate, audio, Dicky power window, Dicky rear side window and Bluetooth connectivity for mobile phone and personal audio devices.

Feel the emotional connection.
It just feels right. From the moment you step inside, the touch points and visual cues look and feel familiar. Everything operates intuitively like you would expect. That’s a mark of good design. Materials have been carefully selected for their aesthetic qualities but at the same time meet the highest durability standards.

Simply set the desired temperature and the powerful blower provides air conditioning, heating and ventilation to keep you perfectly comfortable regardless of the outside weather conditions.
Discover the freedom of the open road with Accent.

Accent’s 1.6-liter Gamma engine is one of Hyundai’s most remarkable powerplants, acclaimed for its efficient and reliable design. Mated to a 6-speed transmission and incorporating a dual overhead cam with variable valve timing, it purrs like a kitten to deliver pure driving pleasure. Push button start and a central gauge cluster with Supervision display technology further elevate the Accent driving experience.

**Push-button start / Smart key**

The smart key ends the search for the keyhole! Includes push button start, speed sensing automatic door locks, remote trunk release for the doors and trunk plus a burglar alarm.

**6-speed automatic transmission**

You will hardly notice this 6-speed gearbox doing its work. Automatic shifting is quick, smooth and quiet but also very convenient. Its efficient design helps maximize fuel economy.

**Supervision cluster**

The Supervision cluster, with its circular rev-counter and speedometer, features white backlighting for razor-sharp clarity and readability. Includes an integrated 3.5-in monochrome display with trip computer, fuel economy, and oil change reminder.

**6-speed manual transmission**

For drivers who put economy above all else, the 6-speed manual is the perfect choice. Clutch operation is easy and predictable and as you shift through the gears, there’s a crisp, precise feel.
Safe and secure.

Accent’s super-strong body structure offers unparalleled protection. Critical areas are reinforced with ultra high-tensile strength steel so that Accent meets the very latest crash safety standards of the National Highway Traffic and Safety Administration of the United States. Six airbags and the Anti-locking Brake System with Electronic Stability Control means you will be well-prepared in case the worst should happen.

Rearview camera
This simple system eases all doubt about who or what is behind you when backing up. Graphic overlay serves as a parking aid to help avoid scrapes and scratches.

6-airbag system
In airbags provide all round protection. One each for the driver and front-seat passenger, two curtain airbags covering the length of the cabin, plus two side curtain airbags.

Hillstart Assist Control
Starting and stopping on very steep road can be stressful and potentially dangerous. HAC prevents the car from accidentally rolling backward whenever the brake pedal is released on a hill.
Features

Cascade grille in chrome and black finish
The uniquely shaped cascade grille is a Hyundai design signature that declares membership in the Hyundai family.

Chromed door handles
They add a small touch of luxury and are pleasantly eye-catching. Included with the SmartKey option package.

Premium chrome molding
A light touch of chrome along the belt line amplifies the modern feel. The chrome finish is much easier to maintain than chrome finish.

Side mirrors with built-in LED indicator lamps
Side mirrors feature heating elements, electric folding and built-in LED turn indicator lamps for greater safety and convenience.

Smart trunk
Smartly located to the front and in three seconds the lid opens automatically without pressing any button. The smart trunk feature is easily deactivated at any time.

High-mounted stop lamp
The high-mounted stop lamp is located on the rear parcel for easy bulb change whenever required.

Luggage space
The luggage space is impressively large. It can handle a mix of passenger and cargo-hauling duties thanks to the flat-folding rear seats.

Driver seat height adjuster
Adjusting the height of the seat cushion could not be easier or more intuitive with this lever which features a simple and sturdy design.

Sliding armrest
The center console armrest cover moves forward to enhance your comfort.

Rheostat & Electronic Stability Control (ESC) OFF switch
Controls the illumination level of the central gauge cluster to suit your personal preferences. The ESC OFF hands control back to you.

Rear folding third-split rear seats
Accent’s versatility is surprising: It can handle a mix of passenger and cargo-hauling duties thanks to the flat-folding rear seats.

Smart trunk
Stand close to the trunk and in three seconds the lid opens automatically without pressing any button. The smart trunk feature is easily deactivated at any time.

The trunk offers an impressive 387 liters (SAE) of storage space and if that’s not enough, the rear seats can be folded down for even more room. A full-size spare tire is included.

Sunglass case
A handy place for safely storing your pair of prized sunglasses or any other odds and ends.

Rear window defogger
The rear window defogger is powered by a wipe and heat feature that clears up the rear glass for maximum visibility.

Thermal & Electronic Stability Control (ESC) OFF switch
Controls the illumination level of the central gauge cluster to suit your personal preferences. The ESC OFF hands control back to you.

Styling
The panoramic sunroof is a must for those seeking sky-viewing enjoyment.

Stand close to the trunk and in three seconds the lid opens automatically without pressing any button. The smart trunk feature is easily deactivated at any time.
