

# i40

# Take command of the road ahead.

There isn't simply one thing that sets the i40 apart from other vehicles on the market.

It's a blend of comfort, technology and performance-related innovations that combine to create a unique driving experience.

The bolder front grill with chrome treatment and sleeker exterior body heighten your confidence.

Powertrain enhancements elevate fuel efficiency and overall performance to make driving a pure pleasure.

## Journey to the next level.

i40 is the perfect expression of your individuality and preference for finding your own road. The stylish 18" alloy wheels will turn heads as will the new bumper with its futuristic aero-curtain treatment and the LED rear lamps.

# A further upgrade for stylish adventure.

The improved i40 surrounds you and your passenger with comfort. The premium audio system provides exceptional sound in the cabin space with intuitive, and direct interface. Added storage space in the rear armrest holds a variety of items. And don't forget the stylish door scuffs.

# Spacious enough to fit all your desires.

When it comes to space, the i40 is unrivaled in its class with its spacious and versatile luggage space. With the release of a simple lever, backrests easily fold into the floor to create an extended luggage space. Whether you want to head for the outback with your mountain bike or haul a heavy load of luggage, i40 has got you covered.
