HYUNDAI

AVANTE

It’s a totally new world.

The way we think and the ways we live are changing fast.
Just as the norms and images of our world are changing,
Hyundai AVANTE has also changed - completely.
In this world that looks different every day,
The all-new Hyundai AVANTE can be found beside people
who will lead the new world with their youthful thinking.

Design

AVANTE's Parametric Dynamics accentuate its geometric aesthetics,
bringing the Sensuous Sportiness of its design to life.

Gasoline 1.6 Inpiration Full Option (Intense Blue)

Front Design

LED Headlights
17" alloy wheels & tires

H-taillight

A Parametric Jewel-Pattern highlights the depth of the front grille like precision cut-gemstones, while bold and elongated front headlights come together to give AVANTE its front sporty look. The trunk comes complete with an edgy spoiler and an integral taillight represents Hyundai Motor with its distinct H-shape design, helping to create a high-tech, futuristic feel to the rear.

AVANTE Inpiration Full Option (Amazon Gray)

Gasoline 1.6 Inpiration Full Option (Modern Gray)

* The images of the Infotainment System screen are subject to change due to regular updates.

AVANTE's cockpit-style interior cocoons the driver, immersing you in the driving experience.
A panoramic display and control buttons on a driver-centered layout make everything easier.

Panoramic Display
A full color cluster display and navigation screen (both 10.25") deliver a seamless integrated panoramic view, tilted 10 degrees toward the driver for easier control and a high-tech feel.

* The images of the Infotainment System screen are subject to change due to regular updates.

Ambient mood lighting synced to driving mode
For a unique driving experience, AVANTE's mood lighting offers interior lighting changes in colors set by the driver that vary with the different driving modes.

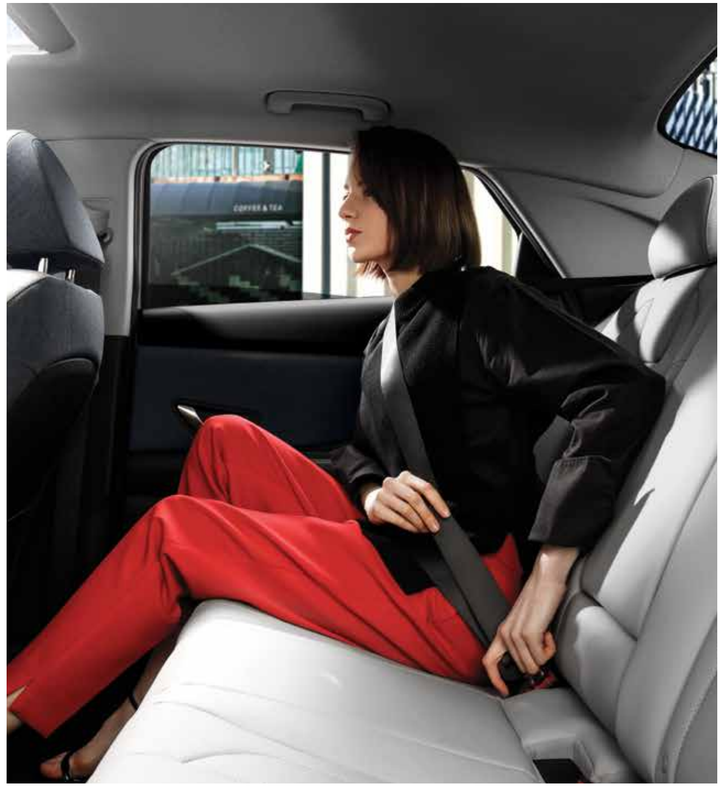

BOSE Premium Sound System
Delivering precise, dynamic sound at volumes that adjust according to your vehicle speed.

Interior Space
The new interior and lowered seats provide greater comfort.

Rear Air Vents
Give your passengers in the rear an even more pleasant ride.

AVANTE Inpiration Full Option (Modern Gray)

* The images of the Infotainment System screen are subject to change due to regular updates.

Convenience

AVANTE's wide range of infotainment features make everything colorful while improving the user experience.

Hyundai CarPay

Pay from inside your car at affiliated stores highlighted on the navigation screen. Simply download the designated apps beforehand and add a credit card number.

* The images of the Infotainment System screen are subject to change due to regular updates.

Convenience

AVANTE's wide range of infotainment features make everything colorful while improving the user experience.

Hyundai CarPay

Pay from inside your car at affiliated stores highlighted on the navigation screen. Simply download the designated apps beforehand and add a credit card number.

Avant-garde, state-of-the-art features work seamlessly
with you to give you a more active driving experience.

Voice Recognition Vehicle Control
Adjust the climate control system and heated seats and access a variety of useful information with your voice—simply press the voice recognition button on the steering wheel and say what you want.
* Use of Kakao i Voice Secretary requires an active Blue Link membership.

Personalized Profile
When AVANTE recognizes a driver (either when they open the door with Digital Key or the driver is selected on the infotainment system), it adjusts vehicle settings according to the personalized driver profile, including seat position, infotainment system properties, and climate control.
* Use of personalized profile features requires prior pairing of Digital Key (smartphone) to the vehicle.

Air Purifying System
AVANTE's air purification system uses a fine dust sensor to monitor the vehicle's interior air quality, activating an automatic air purifier when needed to ensure a more pleasant atmosphere.

Bluetooth Multiconnection
When the Bluetooth audio feature is active, up to two separate Bluetooth-enabled devices can be connected, allowing greater selection in your audio choices.

Wireless Navigation Updating
This feature updates the GPS navigation system wirelessly.
* Use of Wireless Navigation Updating requires an active Blue Link membership.

* The images of the Infotainment System screen are subject to change due to regular updates.

Remarkably improved driving infotainment features offer
a whole new experience and lifestyle.

Share My Vehicle's Location
Your vehicle's current location and destination can be shared with your family and friends through the navigation display, Blue Link, and text messages.
* Use of current location features requires an active Blue Link membership.

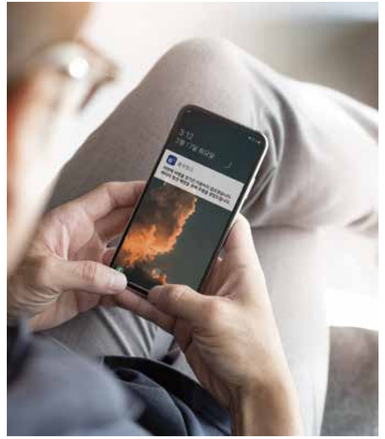

Destination Guidance
After parking your vehicle, use Hyundai's Blue Link® app for directions on foot to your desired destination.
* Use of current location features requires an active Blue Link membership.

* The images of the Infotainment System screen are subject to change due to regular updates.

Hyundai Digital key

Hyundai Digital Key
Lock and unlock your doors and even start the engine from outside the vehicle, using the Hyundai Digital Key smart phone app.
Find user-specific services on Digital Key and share with multiple users.
* Hyundai Digital Key is available on NFC-enabled phones only. Visit our website to view the current list of supporting devices.
* Apple's limited support for NFC technology means that the smartphone-based Hyundai Digital Key is not available on iPhone.

Battery Discharge Alarm
When the battery is in use for an extended period of time with the engine off, messages are displayed recommending actions to prevent running your battery down.
* Use of current location features requires an active Blue Link membership.

Rear Seat Passenger Alarm
Sensors detect when a rear door opens and closes to determine if passengers are present. If the driver door opens after switching off the ignition, a warning message is displayed on the cluster and an alarm sounds that there is someone still in the back seat.

Performance

AVANTE introduces an all-new 3rd generation platform that delivers superb driving performance optimized for riding comfort, agile steering and an engine configured for exceptional fuel economy.

Smartstream Gasoline 1.6 Turbo Engine

123 Max. Power PS/6,300rpm

15.7 Max. Torque kg·m/4,500rpm

15.4 Combined fuel economy km/ℓ (IVT, 15" tires)

LPi 1.6 Engine

120 Max. Power PS/6,000rpm

15.5 Max. Torque kg·m/4,500rpm

10.6 Combined fuel economy km/ℓ (6-speed automatic, 15" tires)

Gasoline 1.6 Hybrid Engine / Electric Motor

105 Max. Engine Power PS/5,700rpm

15.0 Max. Engine Torque kg·m/4,000rpm

21.1 Combined fuel economy km/ℓ (6-speed DCT, 16" tires)

43.5 Max. Motor Power PS (32kW 환산 시)

17.3 Max. Motor Torque kg·m (170Nm 환산 시)

Gasoline 1.6 Inpiration Full Option (Intense Blue)

Hybrid technology

The quality and sophistication of AVANTE Hybrid makes it the trend leader for driving during the green era.

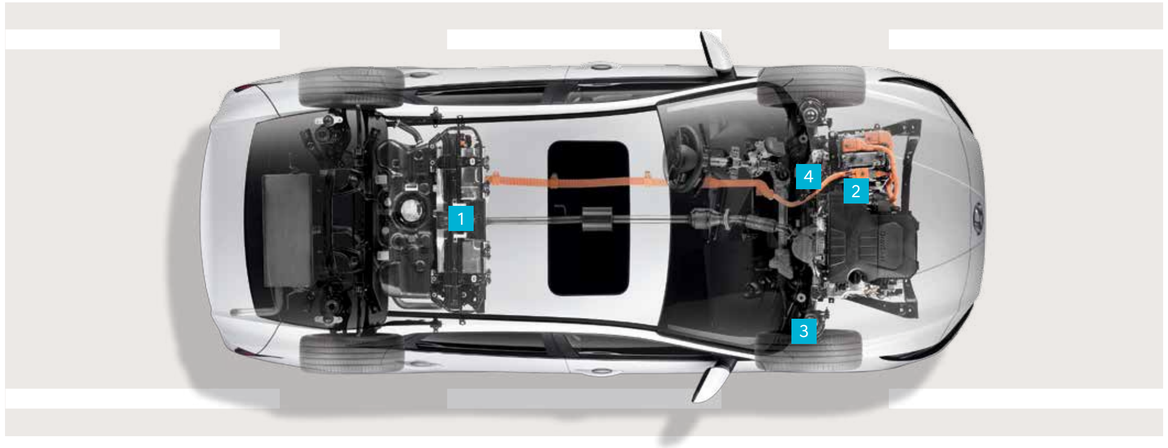

Hybrid Inspiration Full Option (Polar White)

A quiet electric motor that excites as it accelerates,
offering the highest fuel economy in its class at 21.1 km/ℓ, all for a powerful, intelligent driving experience.

Engine + Motor + Battery

1. Lithium Polymer Batteries
An integrated battery system installed under the rear seats reduces weight and gives you more trunk space.

2. Permanent Magnet Motor
The permanent magnet motor delivers auxiliary power to the conventional engine for better acceleration and greater fuel efficiency. In ideal conditions, enjoy up to 120 km/h of pure EV speed.

3. Regenerative Braking System
During deceleration, kinetic energy is converted into electric power to charge the battery, which is then used to give you more fuel-efficient acceleration.

4. Integrated Electric Booster
Integrates hydraulic power and control units and uses motor-driven, electronic controls to deliver smoother braking.

* The images of the Infotainment System screen are subject to change due to regular updates.

Exclusive Features of the AVANTE Hybrid
Drivers of the AVANTE Hybrid now have a wider range of features at their fingertips, including driving data, displays of fuel economy and energy flow, and an “Eco” driving mode. Enjoy a driving experience that is smarter and more pleasant.

Multi-link Rear Suspension
Multi-link rear suspension provides everyday comfort and vehicle stability during high-speed, sporty driving with sharp cornering.

Electric Parking Brake with Auto Hold
Simply engage/disengage the parking brake with a single switch. The electric parking brake comes with Auto Hold, which keeps the vehicle stationary while stopped.

Hyundai SmartSense

The all-new AVANTE is the new standard in compact and midsized sedans with more advanced, intelligent safety features to protect the driver and passengers from unexpected hazards.

Forward Collision Prevention Assist
Alerts the driver of the potential for a forward collision when vehicles in front suddenly slow down or stop, or if there are pedestrians or cyclists in front of the vehicle. The system also activates the brakes in the event of an impending collision.

Rear Collision Prevention Assist
Alerts the driver of the potential for a collision from the rear when the turn signal indicator is switched on for lane changes and helps avoid the collision through differential braking if necessary.

Safe Exit Assist
Alerts the driver of any vehicle(s) approaching quickly from the rear or sides after the AVANTE has stopped and one or more of its doors begin to open.

Front Vehicle Start Assist
Alerts the driver through the cluster display that the vehicle in front is moving again after stopping.

Highway Driving Assist
Helps the driver maintain a safe distance on the highway from the vehicle in front, steering the AVANTE so it remains centered on its lane at a speed preset by the driver.

Lane Maintenance Assist
Helps with steering to keep the vehicle within the chosen driving lane.

Rear Cross-Traffic Collision Prevention Assist
Monitors the areas to the left and right when the vehicle reverses and alerts the driver of any approaching traffic on either side. The brakes are activated, if necessary, to avoid an impending collision.

Reverse Parking Collision-Avoidance Assist
If pedestrians or objects are detected to the rear when the vehicle is put in reverse, the driver is alerted of the potential for collision and the brakes applied if needed to avoid an impending accident.

Maintain a constant speed to drive more efficiently.
- The above fuel economy was calculated based on standard driving conditions, Actual fuel efficiency may vary depending on road conditions, driving styles, cargo weight, maintenance conditions, and outside temperatures. - Some of the photographed vehicles in this brochure depict optional features for illustrative purposes and may differ from the actual vehicles. - The features, colors, and specifications stated in this brochure are subject to change based on improvements in the vehicle's exterior or performance. - The above engine performance data is based on the net value, which is a legal requirement applied by the Ministry of Land, Infrastructure and Transport from 1997 onwards. To produce the data, an advanced measurement method that takes into account the resistance of vehicle emissions was used. This method may generate results slightly lower than those generated by existing methods based on the gross value. - The leather upholstery partially consists of synthetic leather. - The vehicle colors printed in this brochure may differ from the actual colors. -Some specifications may not apply to rental cars. See the corresponding month's price list for more details. -All of the measurements in this brochure apply to the gasoline-powered models. Therefore, the specifications and the features of the LPi-powered models might differ.
- Hyundai Motor vehicles are sold by Car Masters of Hyundai Motor Company's branches and dealers only at prices uniformly applied everywhere across the country to promote fair business practices. - The failure to use authentic parts and oil products (including engine oil and transmission fluid) recommended by Hyundai Motor Company and/or the use of defective fuel may critically damage your vehicle. - Please refer to the owner's manual for details about new technologies and features stated in this brochure.

AVANTE Hybrid warranties

Warranty for Hybrid parts	**10-year/200,000-kilometer warranty** - Electric motor, hybrid high-voltage battery HPCU (Hybrid Power Control Unit)
Guaranteed vehicle trade-in rateprogram	**Customers may choose to apply for this program upon purchasing a vehicle. It focuses on customer satisfaction by providing a high guaranteed vehicle trade-in rate for customers who purchase another vehicle from Hyundai Motor within three years of applying for program membership.** - Eligibility: first-time purchasing customers (does not apply to: Hyundai Motor employees, customers who are not first-time purchasers, entrepreneurs, procurement-related purchasers, etc.) - Standard guaranteed trade-in rate: under one year: 77%, under two years: 70%, under three years: 64%

※ The benefits offered through the warranties above may be subject to change.
※ Contact a branch or dealership for details.

The images presented here are intended to inform customers and display the best models and options. The specifications described above vary by option, package, powertrain, and exterior color. For specification details by model, please refer to the monthly price table.

Bluelink

The advanced technology of Hyundai's BlueLink system helps keep both the driver and the vehicle safe in any situation.
BlueLink is always there to keep you safe, regardless of the location or time of day. Experience the unique joy of safe and comfortable driving.

Remote control

In the extremely hot summer or cold winter months, you can link your smartphone to the air conditioner or heater to set and control the temperature inside the vehicle. Enjoy a pleasant driving experience with BlueLink.

Safety security

The BlueLink Center works 24 hours a day, 365 days a year. If an airbag opens due to an accident, the Center automatically detects your location and takes appropriate actions according to the situation, such as contacting the police, ambulance, insurance company, etc.

Vehicle management

Services include real-time trouble detection while the vehicle is running and regular vehicle inspections on pre-arranged dates. In the event of vehicle trouble, immediate professional consulting is available, and you may conveniently make reservations for repair at the time and location of your choice.

Navigation

This function enables the driver to conveniently search for destinations through voice command and suggests optimum routes based on an independent analysis of real-time traffic information. The driver can search a database of upto-date information to find even newly created destinations.

* Free of charge for five years for customers who have purchased a vehicle and are applying for BlueLink membership for the first time: Remote control, Safety security, Vehicle management, Navigation,
* Inquiries: Blue Link Kakao Talk Customer Service Center (enter "Blue Link" in Kakao Talk search screen and add as friend)
